Notes:

1. In view of the global outbreak of the COVID-19 pandemic, social distancing norm to be followed and due to continuing restrictions on the movement of people at several places in the country, the Ministry of Corporate Affairs (“MCA”) has vide its General Circular No. 14/2020 dated April 8, 2020, General Circular No. 17/2020 dated April 13, 2020, in relation to “Clarification on passing of ordinary and special resolutions by Companies under the Companies Act, 2013 and the rules made thereunder on account of the threat posed by Covid-19” and General Circular No. 20/2020 dated May 5, 2020 read with General Circular No. 02/2021 dated January 13, 2021, in relation to “Clarification on holding of General Meetings through Video Conferencing (VC) or Other Audio Visual Means (OAVM)” (“MCA Circulars”) have permitted the holding of the Meeting through VC/ OAVM without the physical presence of the Unsecured Creditors at a common venue.

In compliance with the applicable provisions of the Companies Act, 2013 (“Act”) (including any statutory modification(s) or re-enactment(s) thereof for the time being in force) read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, read with the MCA Circulars, and pursuant to Regulation 44 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) the Meeting of the Unsecured Creditors of the Applicant Company is scheduled to be held on **Friday, May 28, 2021 at 1.00 p.m. (IST) through VC/ OAVM** and voting for the item to be transacted in the Notice to this Meeting shall be only through remote electronic voting process (“e-Voting”).

2. Since this Meeting is being held pursuant to the MCA Circulars through VC/ OAVM, where physical attendance of Unsecured Creditors has been dispensed with, accordingly, the facility for appointment of proxies by the Unsecured Creditors will not be available for this Meeting and hence, the proxy form, attendance slip including route map are not annexed to this notice.
3. Unsecured creditors attending the Meeting through VC/OAVM shall be reckoned for the purpose of quorum. In terms of the Order, the quorum for the Meeting of Unsecured Creditors shall be 2(two) present either in person or through proxy or authorised representative attending the Meeting.

4. The authorised representative of a Body Corporate which is an Unsecured Creditor of the Applicant Company may attend and vote at the Meeting through VC/ OAVM, provided a certified copy of the resolution of the Board of Directors or other governing body of such Body Corporate, authorising such representative to attend and vote at the Meeting on behalf of such Body Corporate by sending an e-mail at investor_grievances@mastek.com not later than 48 hours before the commencement of the Meeting.
 5. Only such Unsecured Creditors of the Applicant Company may attend and vote at the Meeting, whose names appear in the Chartered Accountant's Certificate certifying the list of Unsecured Creditors of the Applicant Company **as on December, 15, 2020 ('cut-off date')** as had been filed with the Tribunal in Company Scheme Application No.18(AHM)2021. A person/entity who is not an Unsecured Creditor on such date should treat the notice for information purpose only and shall not be entitled to avail the facility of voting during the Meeting.
 6. Further on account of the threat posed by COVID-19 and in compliance with the aforementioned MCA Circulars this Meeting Notice along with the Annexures thereat is being sent only through electronic mode to the Unsecured Creditors. Unsecured Creditors may note that the Notice convening this Meeting and the Annexures thereat will be available on the Applicant Company's website at www.mastek.com, websites of the Stock Exchanges, i.e., BSE and NSE at www.bseindia.com and www.nseindia.com respectively. The Notice is also available on the website of National Securities Depository Limited at www.evoting.nsdl.com. If so desired, Unsecured Creditors may obtain a printed copy of the Notice and the Annexures thereat i.e. Scheme and the Explanatory Statement under Sections 230 and 232 read with Section 102 and other applicable provisions of the Act and Rule 6 of the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 etc., free of charge from the Registered Office of the Applicant Company or from the office of the PCA Mr. Sanjay Majmudar at B-303, GCP Business Centre, Opp. Memnagar Fire Station, Near Vijay Rasta, Ahmedabad – 380014, during normal business hours (9:30 am to 6:30 pm) from Monday to Friday upto and including the date of the Meeting. A written request in this regard, along with details of the outstanding amount due by the Company and mentioning Permanent Account Number (PAN), may be addressed to the Company Secretary at investor_grievances@mastek.com
 7. All the relevant documents referred to in this Notice and Explanatory Statement and other documents also be available electronically for inspection by the Creditors at the Meeting. Creditors seeking to inspect such documents can send an e-mail to investor_grievances@mastek.com from their registered e-mail address.
 8. The Notice convening the aforesaid Tribunal Convened Meeting will be published through advertisement in 'Business Standard' in all India Edition and Gujarati translation thereof in 'Jai Hind' Ahmedabad Edition.
 9. **PROCEDURE FOR REMOTE E-VOTING AND E-VOTING AT THE MEETING**
Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI Listing Regulations (as amended), and the MCA Circulars and Pursuant to the directions of the Tribunal given under the Order, Company is providing facility of remote e-voting to its Unsecured Creditors in respect of the business to be transacted at this Meeting. For this purpose, the Applicant Company has entered into an agreement with National Securities Depository Limited ("**NSDL**") for facilitating voting through electronic means, as the authorised agency. 27.2 The amount due by the TAISPL to its Secured Creditors as on December 15, 2020 is Nil. Further, the amount due by the TAISPL to its Unsecured Creditors as on December 15, 2020 is ₹ 70,205/- Meeting of such Unsecured Creditors is being convened in terms of the NCLT Order.

27.3 The amount due by the Mastek to its Secured Creditors as on December 15,

- 2020 is ₹ 1,33,82,841/-. Further, the amount due by the Mastek to its Unsecured Creditors as on December 15, 2020 is ₹ 4,24,25,264/-. Meeting of such Unsecured Creditors is being convened in terms of the NCLT Order.
- 27.4 ESPL, TAISPL and Mastek have made a joint application before the Hon'ble NCLT Ahmedabad Bench at Ahmedabad for the sanction of the Scheme under Section 230-232 and other applicable provisions of the Act, and other relevant rules thereunder.
- 27.5 The rights and interests of Secured and Unsecured Creditors of Mastek will not be affected by the Scheme as no sacrifice or waiver is, at all called from them nor their rights sought to be modified in any manner and post the Scheme, Mastek will be able to meet its liabilities as they arise in the ordinary course of business.
- 27.6 The latest audited financial statements for the year ended March 31, 2020 and unaudited financial results for the period ended December 31, 2020 of Mastek indicates that it is in a solvent position and would be able to meet liabilities as they arise in the course of business. There is no likelihood that any Secured and Unsecured Creditors of Mastek would lose or be prejudiced as a result of this Scheme being passed since no sacrifice or waiver is at all called for from them nor are their rights sought to be adversely modified in any manner. Hence, the arrangement will neither cast any additional burden nor will it adversely affect the interest of any of the Shareholders or Creditors of Mastek.
- 27.7 There are no winding up proceedings pending against Mastek as on date.
- 27.8 No investigation proceedings are pending or are likely to be pending under the provisions of Chapter XIV of the Act, or under the provisions of the Companies Act, 1956 in respect of Mastek.
- 27.9 A copy of the proposed Scheme has been filed by the respective Companies before the concerned Registrar of Companies.
- 27.10 The Mastek, ESPL and TAISPL are required to seek approvals/sanctions/no objections from certain regulatory and governmental authorities for the Scheme such as the Registrar of Companies, Regional Director and Income-tax authorities. These approvals will be obtained by ESPL, TAISPL and Mastek at the relevant time.
- 27.11 In the event that the Scheme is withdrawn in accordance with its terms, the Scheme shall stand revoked, cancelled and be of no effect and become null and void.
- 27.12 For the purpose of the arrangement between Mastek, ESPL and TAISPL, Valuation Reports dated February 08, 2020 and Addendum to the Valuation Reports dated July 28, 2020 have been obtained from Niranjana Kumar, Registered Valuer describing the methodology adopted by them in arriving at the share exchange ratio. Kunvarji Finstock Pvt. Ltd., a Category I Merchant Banker after having reviewed Valuation Reports and Addendum to the Valuation Report of Niranjana Kumar, Registered Valuer and on consideration of all the relevant factors and circumstances, opined that in their view the Independent Valuer's proposed share exchange ratio is fair.
- 27.13 As far as the Equity Shareholders of the ESPL, TAISPL and Mastek are concerned (promoter shareholders as well as non-promoter shareholders), their rights and interests would not be prejudicially affected by the Scheme. The Scheme is not expected to have any adverse effect on the KMPs, Directors, Promoters, Non-Promoter Members, Creditors and Employees of ESPL, TAISPL and Mastek.
- In compliance with the provisions of Section 232(2)(c) of the Act, the Board of Directors of the Mastek, ESPL and TAISPL, in their board meeting held on February 08, 2020, have adopted a report, inter alia, explaining effect of the Scheme on each class of shareholders, KMP, promoters and non-promoter shareholders. The Mastek, ESPL and TAISPL do not have any depositors, debenture holders, deposit trustee and debenture trustee.

PART II

DEMERGER AND VESTING OF THE DEMERGED UNDERTAKING

5. DEMERGER AND VESTING OF THE DEMERGED UNDERTAKING

- 5.1 Upon the Scheme becoming effective and with effect from the Appointed Date and subject to the provisions of this Scheme and pursuant to Sections 230 to 232 of the Act, and in accordance with Section 2(19AA) of the Income Tax Act, the Demerged Undertaking along with all its assets, liabilities, investments, contracts, arrangements, employees, Permits, records, etc. pertaining to the Demerged Undertaking, shall without any further act, instrument or deed, be demerged from the Demerged Company and transferred to, and be vested in or be deemed to have been transferred to and vested in TAISPL as a *going concern* so as to become as on the Appointed Date, the assets, liabilities, investments, contracts, arrangements, employees, Permits, records, etc. of TAISPL by virtue of operation of law and in the manner provided in this Scheme.
- 5.2 In respect of such of the assets and properties forming part of the Demerged Undertaking which are movable in nature (including but not limited to all intangible assets) or are otherwise capable of transfer by delivery or possession or by endorsement, the same shall stand transferred by the Demerged Company to TAISPL upon coming into effect of this Scheme and shall, *ipso facto* and without any other order to this effect, become the assets and properties of TAISPL without requiring any deed or instrument of conveyance for transfer of the same.
- 5.3 Subject to Clause 5.4 below, with respect to the assets of the Demerged Undertaking other than those referred to in Clause 5.2 above, including all rights, title and interests in the agreements (including agreements for lease or license of the properties), investments in shares, mutual funds, bonds and any other securities, sundry debtors, claims from customers or otherwise, outstanding loans and advances, if any, recoverable in cash or in kind or for value to be received, bank balances and deposits, if any, with any Appropriate Authority, customers and other Persons, whether or not the same is held in the name of the Demerged Company, the same shall, without any further act, instrument or deed, be transferred to and vested in and / or be deemed to be transferred to and vested in TAISPL, with effect from the Appointed Date by operation of law as transmission in favour of TAISPL. With regard to the licenses of the properties, TAISPL will enter into novation agreements, if it is so required.

- 5.4 In respect of such of the assets and properties forming part of the Demerged Undertaking which are immovable in nature, whether or not included in the books of the Demerged Company, including rights, interest and easements in relation thereto, the same shall stand transferred to and be vested in TAISPL with effect from the Appointed Date, without any act or deed or conveyance being required to be done or executed by the Demerged Company and / or TAISPL.
- 5.5 For the avoidance of doubt and without prejudice to the generality of Clause 5.4 above and Clause 5.6 below, it is clarified that, with respect to the immovable properties comprised in the Demerged Undertaking in the nature of land and buildings, the Parties shall register the true copy of the orders of the NCLT approving the Scheme with the offices of the relevant Sub-registrar of Assurances or similar registering authority having jurisdiction over the location of such immovable property and shall also execute and register, as required, such other documents as may be necessary in this regard. For the avoidance of doubt, it is clarified that any document executed pursuant to this Clause 5.5 or Clause 5.6 below will be for the limited purpose of meeting regulatory requirements and shall not be deemed to be a document under which the transfer of any part of the Demerged Undertaking takes place and the Demerged Undertaking shall be transferred solely pursuant to and in terms of this Scheme and the order of the NCLT sanctioning this Scheme.
- 5.6 Notwithstanding anything contained in this Scheme, with respect to the immovable properties comprised in the Demerged Undertaking in the nature of land and buildings situated in states other than the state of Gujarat, whether owned or leased, for the purpose of, *inter alia*, payment of stamp duty and vesting in TAISPL, if TAISPL so decides, the Parties, whether before or after the Effective Date, may execute and register or cause to be executed and registered, separate deeds of conveyance or deeds of assignment of lease, as the case may be, in favour of TAISPL in respect of such immovable properties. Each of the immovable properties, only for the purposes of the payment of stamp duty (if required under Applicable Law), shall be deemed to be conveyed at a value determined by the relevant authorities in accordance with the applicable circle rates. The transfer of such immovable properties shall form an integral part of this Scheme.
- 5.7 Upon the Scheme coming into effect and with effect from the Appointed Date, all rights entitlements, licenses, applications and registrations relating to copyrights, trademarks, service marks, brand names, logos, patents and other intellectual property rights of every kind and description, whether registered or unregistered or pending registration, and the goodwill arising therefrom, relating to the Demerged Undertaking, to which either the Demerged Company is a party or to the benefit of which the Demerged Company may be eligible or entitled, shall become the rights, entitlement or property of TAISPL and shall be enforceable by or against TAISPL, as fully and effectually as if, instead of the Demerged Company, TAISPL had been a party or beneficiary or obligee thereto or the holder or owner thereof.
- 5.8 The Demerged Company may, at its sole discretion but without being obliged to, give notice in such form as it may deem fit and proper, to such Persons, as the case may be, that any debt, receivable, bill, credit, loan, advance, debenture or deposit relating to the Demerged Undertaking stands transferred to and vested in TAISPL and that appropriate modification should be made in their respective books / records to reflect the aforesaid changes.

- 5.9 Upon effectiveness of the Scheme, all debts, liabilities, loans, obligations and duties of the Demerged Company as on the Appointed Date and relating to the Demerged Undertaking (“**Demerged Liabilities**”) shall, without any further act, instrument or deed, be and stand transferred to and be deemed to be transferred to TAISPL and TAISPL shall meet, discharge and satisfy the same. The term “**Demerged Liabilities**” shall include without limitation:
- 5.9.1 the debts, liabilities and obligations incurred and duties of any kind, nature or description (including contingent liabilities) which arise out of the activities or operations of the Demerged Undertaking;
 - 5.9.2 the specific loans, credit facilities, overdraft facilities and borrowings (including debentures, bonds, notes and other debt securities) raised, incurred and utilized solely for the activities or operations of the Demerged Undertaking; and
 - 5.9.3 in cases other than those referred to in Clause 5.9.1 or 5.9.2 above, so much of the amounts of general or multipurpose borrowings, if any, of the Demerged Company, as stand in the same proportion which the value of the assets transferred pursuant to the demerger of the Demerged Undertaking bear to the total value of the assets of the Demerged Company immediately prior to the Appointed Date.

In so far as indirect tax liabilities are concerned, in particular, any liability with respect to the goods and service tax, value added tax, purchase tax, sales tax or any other duty or Tax in relation to the Demerged Undertaking and pertaining to the period prior to the Appointed Date, including all or any liability pertaining to the period prior to the Appointed Date, shall be treated as liability of TAISPL, to the extent permissible under Applicable Law.

- 5.10 In so far as any Encumbrance in respect of Demerged Liabilities is concerned, such Encumbrance shall, without any further act, instrument or deed being required to be taken or modified, be extended to and shall operate only over the assets comprised in the Demerged Undertaking which have been Encumbered in respect of the Demerged Liabilities as transferred to TAISPL pursuant to the Scheme. Provided that, if any of the assets comprised in the Demerged Undertaking which are being transferred to TAISPL pursuant to this Scheme have not been Encumbered in respect of the Demerged Liabilities, such assets shall remain unencumbered and the existing Encumbrance referred to above shall not be extended to and shall not operate over such assets. The absence of any formal amendment which may be required by a lender or trustee or third party shall not affect the operation of the above. For the avoidance of doubt, it is hereby clarified that in so far as the assets comprising the Remaining Business of the Demerged Company are concerned, the Encumbrance, if any, over such assets relating to the Demerged Liabilities shall without any further act, instrument or deed being required, be released and the Demerged Company shall be discharged from the obligations and Encumbrances relating to the same. Further, in so far as the assets comprised in the Demerged Undertaking are concerned, the Encumbrance over such assets relating to any loans, borrowings or other debts which are not transferred to TAISPL pursuant to this Scheme and which continue with the Demerged Company shall without any further act, instrument or deed be released from such Encumbrance and shall no longer be available as security in relation to such liabilities.

- 5.11 If the Demerged Company is entitled to any unutilized credits (including accumulated losses and unabsorbed depreciation), benefits under the state or central fiscal / investment incentive schemes and policies or concessions relating solely to the Demerged Undertaking under any Tax law or Applicable Law, TAISPL shall be entitled, as an integral part of the Scheme, to claim such benefit or incentives or unutilised credits as the case may be without any specific approval or permission. Without prejudice to the generality of the foregoing, in respect of unutilized input credits of goods and service tax of the Demerged Company, the portion which will be attributed to the Demerged Undertaking and be transferred to TAISPL shall be determined by the Board of the Demerged Company in accordance with the Applicable Law.
- 5.12 Upon the Scheme becoming effective, the Demerged Company and TAISPL shall have the right to revise their respective financial statements and returns along with prescribed forms, filings and annexures under the Tax Laws and to claim refunds and / or credit for Taxes paid and for matters incidental thereto, if required, to give effect to the provisions of the Scheme. It is further clarified that TAISPL shall be entitled to claim deduction under Section 43B of the Income Tax Act in respect of unpaid liabilities transferred to it as part of the Demerged Undertaking to the extent not claimed by the Demerged Company, as and when the same are paid subsequent to Appointed Date.
- 5.13 Subject to this Clause 5 and any other provisions of the Scheme, in respect of any refund, benefit, incentive, grant or subsidy in relation to or in connection with the Demerged Undertaking, the Demerged Company shall, if so required by TAISPL, issue notices in such form as TAISPL may deem fit and proper, stating that pursuant to the NCLT having sanctioned this Scheme, the relevant refund, benefit, incentive, grant or subsidy be paid or made good to or held on account of TAISPL, as the Person entitled thereto, to the end and intent that the right of the Demerged Company to recover or realise the same stands transferred to TAISPL and that appropriate entries should be passed in their respective books to record the aforesaid changes.
- 5.14 On and from the Effective Date, all cheques and other negotiable instruments and payment orders received or presented for encashment which are in the name of the Demerged Company and are in relation to or in connection with the Demerged Undertaking, shall be accepted by the bankers of TAISPL and credited to the account of TAISPL, if presented by TAISPL.
- 5.15 TAISPL shall be entitled to the benefit of all pre-qualification, track-record, experience, goodwill and all other rights, claims and powers of whatsoever nature and wheresoever situated belonging to or in the possession of or granted in favour of or enjoyed by the Demerged Company in connection with or pertaining or relatable to the Demerged Undertaking for all intents and purposes and specifically including but not limited to the track-record and experience of having undertaken, performed and/or executed the business and / or orders by the Demerged Company from the commencement of its business.
- 5.16 TAISPL shall at any time upon the Scheme coming into effect and in accordance with the provisions hereof, if so required under any Law or otherwise execute deeds of confirmation or other writings or arrangements with any party to any contract or arrangement in relation to the Demerged Undertaking to which the Demerged Company has been a party, in order to give formal effect to the above provisions.

- 5.17 Without prejudice to the provisions of the foregoing sub-clauses of this Clause 5 and upon the effectiveness of this Scheme, the Demerged Company and TAISPL may execute any and all instruments or documents and do all acts, deeds and things as may be required, including filing of necessary particulars and/ or modification(s) of charge with the concerned Registrar of Companies or filing of necessary applications, notices, intimations or letters with any Appropriate Authority or Person to give effect to the Scheme.
- 5.18 This part of the Scheme has been drawn up to comply with the conditions relating to “**Demerger**” as specified under Section 2(19AA) of the Income Tax Act. If any terms or provisions of the Scheme is / are inconsistent with the provisions of Section 2(19AA) of the Income Tax Act, the provisions of Section 2(19AA) of the Income Tax Act shall prevail and the Scheme shall stand modified to the extent necessary to comply with Section 2(19AA) of the Income Tax Act; such modification to not affect other parts of the Scheme. In accordance with Section 2(41A) of the Income Tax Act, TAISPL and Mastek shall be considered as the Resulting Companies. Further, in accordance with Section 2(19AAA) of the Income Tax Act, ESPL shall be considered as the Demerged Company.

6. PERMITS

- 6.1 With effect from the Appointed Date, the Permits relating to the Demerged Undertaking shall be transferred to and vested in TAISPL and the concerned licensor and grantors of such Permits shall endorse where necessary and record the name of TAISPL on such Permits so as to empower and facilitate the approval and vesting of the Demerged Undertaking in TAISPL and continuation of operations pertaining to the Demerged Undertaking in TAISPL without any hindrance and the Permits shall stand transferred to and vested in, and shall be deemed to be transferred to and vested in TAISPL without any further act, instrument or deed and shall be appropriately mutated by the Appropriate Authorities concerned therewith in favour of TAISPL as if the same were originally given by, issued to or executed in favour of TAISPL and TAISPL shall be bound by the terms thereof, the obligations and duties thereunder, and the rights and benefits thereunder shall be available to TAISPL.
- 6.2 The benefit of all Permits pertaining to the Demerged Undertaking shall, without any other order to this effect, transfer to and vest in and become available to TAISPL pursuant to the sanction of this Scheme by the NCLT.
- 6.3 Notwithstanding the generality of the foregoing provisions, all electricity, gas, water and other utility connections and tariff rates in respect thereof sanctioned by various public sector and private companies, boards, agencies and authorities in different states pertaining to the Demerged Undertaking, together with security deposits and all other advances paid, shall stand automatically transferred in favour of TAISPL on the same terms and conditions without any further act, instrument, deed, matter or thing being made, done or executed.

7. CONTRACTS

- 7.1 All contracts, deeds, bonds, agreements, indemnities, guarantees or other similar rights or entitlements whatsoever, schemes, arrangements and other instruments, rights, entitlements, licenses for the purpose of carrying on the business of the Demerged Undertaking and in relation thereto, and those relating to tenancies, privileges, powers, facilities of every kind and description of whatsoever nature in relation to the Demerged Undertaking, or to the benefit of which the Demerged Company may be eligible and which are subsisting or having effect immediately before this Scheme coming into effect, shall by endorsement, by delivery or recordal or by operation of law pursuant to the order of the NCLT sanctioning the Scheme, and on this Scheme becoming effective be deemed to be contracts, deeds, bonds, agreements, indemnities, guarantees or other similar rights or entitlements whatsoever, schemes, arrangements and other instruments, rights, entitlements and licenses (including licenses granted by any Appropriate Authority) of TAISPL. Such properties and rights described hereinabove shall stand vested in TAISPL and shall be deemed to be the property and become the property by operation of law as an integral part of TAISPL. Such contracts and properties described above shall continue to be in full force and continue as effective as hitherto in favour of or against TAISPL and shall be the legal and enforceable rights and interests of TAISPL, which can be enforced and acted upon as fully and effectually as if it were the Demerged Company. Upon this Scheme becoming effective, the rights, benefits, privileges, duties, liabilities, obligations and interest whatsoever, arising from or pertaining to contracts and properties relating to the Demerged Undertaking, shall be deemed to have been entered into and stand assigned, vested and novated to TAISPL by operation of Law and TAISPL shall be deemed to be the Demerged Company's substituted party or beneficiary or obligor thereto, it being always understood that TAISPL shall be the successor in interest of the Demerged Company in relation to the properties or rights mentioned hereinabove.
- 7.2 Without prejudice to the other provisions of this Scheme and notwithstanding the fact that vesting of the Demerged Undertaking occurs by virtue of this Scheme, TAISPL may, at any time after the coming into effect of this Scheme, in accordance with the provisions hereof, if so required under any Applicable Law or otherwise, take such actions and execute such deeds (including deeds of adherence), confirmations, other writings or tripartite arrangements with any party to any contract or arrangement to which the Demerged Company is a party or any writings as may be necessary in order to give effect to the provisions of this Scheme. With effect from the Effective Date, TAISPL shall, under the provisions of this Scheme, be deemed to be authorized to execute any such writings on behalf of the Demerged Company and to carry out or perform all such formalities or compliances referred to above, on the part of the Demerged Company with respect to Demerged Undertaking.
- 7.3 On and from the Effective Date, and thereafter, TAISPL shall be entitled to enforce all pending contracts and transactions and issue credit notes on behalf of the Demerged Company, in relation to or in connection with the Demerged Undertaking, in the name of TAISPL in so far as it may be necessary until the transfer of rights and obligations of the Demerged Undertaking to TAISPL under this Scheme have been given effect to under such contracts and transactions.

7.4 Without prejudice to the aforesaid, it is clarified that if any contracts, deeds, bonds, agreements, schemes, arrangements or other instruments of whatsoever nature in relation to the Demerged Undertaking which the Demerged Company owns or to which the Demerged Company is a party, cannot be transferred to the Resulting Companies for any reason whatsoever, the Demerged Company shall hold such assets, contracts, deeds, bonds, agreements, schemes, arrangements or other instruments of whatsoever nature in trust for the benefit of the Resulting Companies, in so far as it is permissible so to do, till such time as the transfer is effected.

8. EMPLOYEES AND STAFF

8.1 Upon the effectiveness of this Scheme and with effect from the Effective Date, TAISPL undertakes to engage, without any interruption in service, all employees of the Demerged Company engaged in or in relation to the Demerged Undertaking, on terms and conditions no less favourable than those on which they are engaged by the Demerged Company. TAISPL undertakes to continue to abide by any agreement / settlement or arrangement entered into or deemed to have been entered into by the Demerged Company with any of the aforesaid employees or union representing them. TAISPL agrees that the services of all such employees with the Demerged Company prior to the demerger shall be taken into account for the purposes of all existing benefits to which the said employees may be eligible, including for the purpose of payment of any retrenchment compensation, gratuity and other retiral / terminal benefits.

8.2 The accumulated balances, if any, standing to the credit of the aforesaid employees in the existing provident fund, gratuity fund and superannuation fund of which they are members, as the case may be, will be transferred respectively, together with the asset balances of the respective funds, to such provident fund, gratuity fund and superannuation funds nominated by TAISPL and/or such new provident fund, gratuity fund and superannuation fund to be established in accordance with Applicable Law and caused to be recognized by the Appropriate Authorities, by TAISPL. Pending the transfer as aforesaid, the provident fund, gratuity fund and superannuation fund dues of the said employees would be continued to be deposited in the existing provident fund, gratuity fund and superannuation fund respectively of the Demerged Company.

With effect from the Appointed Date and up to and including the Effective Date, the Demerged Company shall not vary the terms and conditions of employment of any of the employees of the Demerged Company pertaining to the Demerged Undertaking except in the Ordinary Course of Business or without the prior consent of the Board of Directors of TAISPL or pursuant to any pre-existing obligation undertaken by the Demerged Company.

8.3 With effect from the Appointed Date and up to and including the Effective Date, the Demerged Company shall not vary or modify the terms and conditions of employment of any of its said employees, except with the written consent of the Resulting Companies unless it is in the Ordinary Course of Business. However, the terms and conditions of their employment with the Resulting Companies shall be no less favourable than those on which they were engaged in the Demerged Company.

9. LEGAL PROCEEDINGS

- 9.1 Upon coming into effect of this Scheme, all suits, actions, administrative proceedings, tribunals proceedings, show cause notices, demands and legal proceedings of whatsoever nature (including proceedings with respect to Income Tax Act) by or against the Demerged Company pending and / or arising on or before the Appointed Date or which may be instituted any time thereafter and in each case relating to the Demerged Undertaking shall not abate or be discontinued or be in any way prejudicially affected by reason of this Scheme or by anything contained in this Scheme but shall be continued and be enforced by or against TAISPL with effect from the Appointed Date in the same manner and to the same extent as would or might have been continued and enforced by or against the Demerged Company. Except as otherwise provided herein, the Demerged Company shall in no event be responsible or liable in relation to any such legal or other proceedings that stand transferred to TAISPL. TAISPL shall be substituted in place of the Demerged Company or added as parties to such proceedings and shall prosecute or defend such proceedings at their own cost, in cooperation with the Demerged Company and the liability of the Demerged Company shall consequently stand nullified. The Demerged Company shall in no event be responsible or liable in relation to any such legal or other proceedings in relation to the Demerged Undertaking.
- 9.2 TAISPL undertakes to have all legal or other proceedings (including proceedings with respect to Income Tax Act) initiated by or against the Demerged Company referred to in Clause 9.1 above transferred to its name as soon as is reasonably practicable after the Effective Date and to have the same continued, prosecuted and enforced by or against TAISPL to the exclusion of the Demerged Company on priority. Both the concerned Parties shall make relevant applications and take all steps as may be required in this regard. Post the Appointed Date, any benefits, whether by way of recovery, realization of any amount and/or asset or otherwise, accruing to the Demerged Company out of legal or other proceedings pertaining to the Demerged Undertaking shall be forthwith transferred and / or handed over to TAISPL.
- 9.3 Notwithstanding anything contained hereinabove, if at any time after the Effective Date, the Demerged Company is in receipt of any demand, claim, notice and / or is impleaded as a party in any proceedings before any Appropriate Authority (including proceedings with respect to Income Tax Act), in each case in relation to the Demerged Undertaking, the Demerged Company shall, in view of the transfer and vesting of the Demerged Undertaking pursuant to this Scheme, take all such steps in the proceedings before the Appropriate Authority to replace the Demerged Company with TAISPL. However, if the Demerged Company is unable to get TAISPL replaced in such proceedings, the Demerged Company shall defend the same or deal with such demand in accordance with the advice of TAISPL and at the cost of TAISPL and the latter shall reimburse to the Demerged Company all liabilities and obligations incurred by the Demerged Company in respect thereof.
- 9.4 This Scheme complies with the definition of “**Demerger**” as per Sections 2(19AA) and other provisions of the Income Tax Act. If any terms of this Scheme are found to be or interpreted to be inconsistent with provisions of the Income Tax Act, then this Scheme shall stand modified to be in compliance with Section 2(19AA) of the Income Tax Act.

10. TAXES

- 10.1 All Taxes (including income tax, sales tax, excise duty, customs duty, service tax, VAT, goods and service tax, etc.) paid or payable by the Demerged Company in respect of the operations and / or the profits of the Demerged Undertaking up to the Appointed Date, shall be on account of the Demerged Company and hence paid or payable by ESPL. Insofar as it relates to the tax payment (including without limitation income tax, sales tax, excise duty, custom duty, service tax, VAT, goods and service tax etc.), whether by way of deduction at source or otherwise howsoever by the Demerged Company in respect of the profits or activities or operations of its business relating to the Demerged Undertaking after the start of business on the Appointed Date, the same shall be deemed to be the corresponding item paid or payable by TAISPL and shall, in all proceedings, be dealt with accordingly.
- 10.2 On the Scheme becoming effective, the Demerged Company and TAISPL may revise their respective returns pertaining to income tax, goods and service tax, service tax, sales tax, VAT and other Tax returns, and claim refunds and/or credits including credits relating to tax deducted at source, as applicable pursuant to the provisions of this Scheme.
- 10.3 The Demerged Company may be entitled to various incentive schemes and pursuant to the Scheme, it is declared that the benefits under all such schemes and policies pertaining to the Demerged Undertaking shall stand transferred to and vested in the Resulting Companies and all benefits, entitlements and incentives of any nature whatsoever including benefits under the income tax, excise, sales tax, service tax, goods and services tax, exemptions, concessions, remissions, subsidies and other incentives in relation to the Demerged Undertaking, to the extent statutorily available, shall be claimed by the Resulting Companies.

11. CONSIDERATION

- 11.1 Upon this Scheme coming into effect and in consideration of and subject to the provisions of this Scheme, securities shall be issued by each of the Resulting Companies ("**Resulting Companies New Securities**") as follows, without any further application, act, deed, consent, acts, instrument or deed, issue and allot, on a proportionate basis to each shareholder of the Demerged Company whose name is recorded in the register of members as member of the Demerged Company as on the Record Date:
- 42,35,294 (forty two lakhs thirty five thousand two hundred and ninety four) fully paid up equity shares of face value INR 5/- (Indian Rupees Five) each, of Mastek ("**Mastek Consideration Securities**") against the total equity shares outstanding i.e. 1,00,00,000 (one crore) equity shares of ESPL of face value of INR 10/- (Indian Rupees Ten) each; (i.e. "4,235.294 (four thousand two hundred and thirty five decimal two nine four) fully paid up equity shares of face value of INR 5/- (Indian Rupees Five) each of Mastek ("Mastek Consideration Securities") for every 10,000 (ten thousand) equity shares of ESPL of face value of INR 10/- (Indian Rupees Ten) each, held by such shareholder."); and
 - 15 (fifteen) compulsorily convertible preference shares (issued on terms and conditions set out in Schedule I hereto) of INR 10/- (Indian Rupees Ten) each of TAISPL ("**TAISPL CCPS**") for every 10,000 (ten thousand) equity shares of ESPL of face value of INR 10/- (Indian Rupees Ten) each, held by such shareholder.

- 11.2 The Resulting Companies New Securities to be issued and allotted as provided in Clause 11.1 above shall be subject to the provisions of the memorandum of association and articles of association of the Resulting Companies, respectively and shall rank *pari passu* in all respects with any existing securities of the Resulting Companies after the Effective Date including with respect to dividend, bonus, right shares, voting rights and other corporate benefits attached to the securities of the Resulting Companies, respectively.
- 11.3 The issue and allotment of the Resulting Companies New Securities is an integral part hereof and shall be deemed to have been carried out under the orders passed by the NCLT without requiring any further act on the part of the Resulting Companies or the Demerged Company or their shareholders and as if the procedure laid down under the Act and such other Applicable Law as may be applicable, were duly complied with. It is clarified that the approval of the members of the Resulting Companies and / or the Demerged Company to this Scheme, shall be deemed to be their consent / approval for the issue and allotment of the Resulting Companies New Securities.
- 11.4 The Resulting Companies New Securities issued pursuant to Clause 11.1 above shall be in dematerialized or physical form as may be determined by the Board of Mastek and TAISPL. In the event that such notice has not been received by the Resulting Companies in respect of any of the shareholders of Demerged Company, the Resulting Companies New Securities, shall be issued to such shareholders in dematerialized form or physical form provided, in the event TAISPL CCPS issued in the dematerialized form the shareholders of Demerged Company shall be required to have an account with a depository participant and shall be required to provide details thereof and such other confirmations as may be required. In the event that the Resulting Companies have received notice from any shareholder that Resulting Companies New Securities are to be issued in physical form or if any shareholder has not provided the requisite details relating to his / her / its account with a depository participant or other confirmations as may be required or if the details furnished by any shareholder do not permit electronic credit of the shares of the Resulting Companies, then the Resulting Companies shall issue the Resulting Companies New Securities in physical form to such shareholder or shareholders.
- 11.5 In case any shareholder's shareholding in the Demerged Company is such that such shareholder becomes entitled to a fraction of a security of Mastek, Mastek shall not issue fractional share certificate to such shareholder but shall consolidate such fractions and round up the aggregate of such fractions to the next whole number and issue and allot the consolidated shares directly to a trustee nominated by the Board of Mastek in that behalf, who shall sell such shares in the market at such price or prices and on such time or times as the trustee may in its sole discretion decide and on such sale, shall pay to Mastek, the net sale proceeds (after deduction of applicable taxes and other expenses incurred), whereupon Mastek shall, subject to withholding tax, if any, distribute such sale proceeds to the concerned shareholders of the Demerged Company in proportion to their respective fractional entitlements so sold by the trustee.
- 11.6 In case any shareholder's shareholding in the Demerged Company is such that such shareholder becomes entitled to a fraction of the TAISPL CCPS, TAISPL shall round the same up to the next whole number.

- 11.7 In the event, the Parties restructure their equity share capital by way of share split / consolidation / issue of bonus shares during the pendency of the Scheme, the share exchange ratio, per Clause 11.1 above shall be adjusted (including stock options) accordingly, to consider the effect of any such corporate actions.
- 11.8 Mastek shall apply for listing of Mastek Consideration Securities on the Stock Exchanges in terms of and in compliance of SEBI Circular and any other Applicable Law. Mastek Consideration Securities allotted by Mastek in terms of Clause 11.1 above, pursuant to the Scheme, shall remain frozen in the depository system till listing / trading permission is given by the designated Stock Exchange.
- 11.9 Mastek shall enter into such arrangements and give such confirmations and / or undertakings as may be necessary in accordance with Applicable Law for complying with the formalities of the Stock Exchanges.
- 11.10 Mastek Consideration Securities to be issued and allotted to the equity shareholders of ESPL pursuant to Clause 11.1 above of the Scheme and will be listed and / or admitted to trading on the Stock Exchanges, where the equity shares of Mastek are listed and / or admitted to trading in accordance with the Applicable Laws including without limitation the SEBI Circulars. Mastek shall enter into such arrangements and give such confirmations and / or undertakings as may be necessary in accordance with the Applicable Laws or regulations for complying with the formalities of the said Stock Exchanges.
- 11.11 Upon the Scheme, becoming effective, the authorized share capital of TAISPL shall stand reclassified from its existing authorized share capital of INR 10,00,000 (Indian Rupees Ten lakhs) divided into 1,00,000 (one lakh) equity shares of INR 10 (Indian Rupees Ten) to INR 10,00,000 (Indian Rupees Ten lakhs) divided into 85,000 (eighty five thousand) equity shares of INR 10 (Indian Rupees Ten) each and 15,000 (fifteen thousand) compulsorily convertible preference shares of INR 10 (Indian Rupees Ten) each without any further act or deed in terms of this Scheme. Accordingly, the words and figures in Clause V of the Memorandum of Association and Clause 4 of Part IV of Article of Association of TAISPL shall stand modified and be substituted to read as follows

“V. The authorized share capital of the Company is INR 10,00,000 (Rupees Ten Lakhs) divided into 85,000 (Eighty five thousand) equity shares of INR 10 (Rupees Ten only) each and 15,000 (Fifteen Thousand) Compulsorily Convertible Preference Shares of INR 10 (Rupees Ten only) each.”

“4. The Authorised Share Capital of the Company is as mentioned in Clause V of the Memorandum of Association of the Company with power of the Board of Directors to sub-divide, consolidate, reclassify, increase and with power from time to time, issue any shares of the original capital with and subject to any preferential, qualified or special rights, privileges or conditions as may be, thought fit, and upon the sub-division of shares apportion the right to participate in profits in any manner as between the shares resulting from sub-division.”

- 11.12 It is clarified that the approval of the shareholders of TAISPL to this Scheme shall be deemed that shareholders of TAISPL have also accorded their consent under Sections 13, 14, 42, 55, 61, 62 and 64 of the Act and / or other provisions of the Act and rules made thereunder as may be applicable for the aforesaid reclassification of authorised share capital, alteration of the Charter Documents and issuance of TAISPL CCPS to the shareholders of the Demerged Company and all actions taken in accordance with this Clause 11 of this Scheme shall be deemed to be in full compliance of Sections 13, 14, 42, 55, 61, 62 and 64 of the Act and other applicable provisions of the Act and that no further resolution or actions under Section 13, 14, 42, 55, 61, 62 and 64 of the Act and / or any other applicable provisions of the Act and rules made thereunder including, *inter-alia*, issuance of a letter of offer by TAISPL shall be required to be passed or undertaken.
- 11.13 It is also clarified that the approval of the equity shareholders of Mastek to this Scheme, pursuant to Section 230 to 232 of the Act, it shall be deemed that equity shareholders of Mastek have also accorded their consent under Sections 23, 42 and 62 of the Act and / or other provisions of the Act and rules made thereunder and Chapter V of SEBI (Issue of Capital and Disclosure Requirements) Regulations 2018 as may be applicable for the aforesaid new issuance of Mastek Consideration Securities to the shareholders of the Demerged Company and all actions taken in accordance with this Clause 11 of this Scheme shall be deemed to be in full compliance of Sections 23, 42 and 62 of the Act and other applicable provisions of the Act and Chapter V of SEBI (Issue of Capital and Disclosure Requirements) Regulations 2018 and that no further resolution or actions under Section 42 and 62 of the Act and / or any other applicable provisions of the Act and rules made thereunder and Chapter V of SEBI (Issue of Capital and Disclosure Requirements) Regulations 2018 including, *inter-alia*, issuance of a letter of offer by Mastek shall be required to be passed or undertaken.

12. ACCOUNTING TREATMENT

The Demerged Company and Resulting Companies shall comply with generally accepted accounting practices in India, provisions of the Act and accounting standards as notified by Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, in relation to the underlying transactions in the Scheme including but not limited to the following:

12.1 In the books of the Demerged Company:

Upon the Scheme coming into effect, the Demerged Company shall account for the Scheme in its books of account in accordance with the accounting standards prescribed under Section 133 of the Act in the following manner:

- 12.1.1 The Demerged Company shall transfer all assets and liabilities pertaining to the Demerged Undertaking as on the Appointed Date at the values appearing in its books of accounts immediately before the Appointed Date in accordance with the provision of Section 2(19AA) of the Income Tax Act; and
- 12.1.2 The books value of the net assets derecognized as per 12.1.1 above shall be recognized in the statement of profit and loss account;

12.2 In the books of the Resulting Companies:

12.2.1 Mastek

Upon this Scheme coming into effect, Mastek shall account for the Scheme in its books of account, as on the appointed date, in the following manner:

- (a) Mastek shall credit its share capital account with the aggregate face value of the equity shares issued pursuant to Clause 11.1 above of this Scheme and the difference between the aggregate fair value as on the Appointed Date, and the aggregate face value of such equity shares shall be credited to the securities premium account.
- (b) the aggregate amount of the share capital and securities premium recorded above shall be recorded as debit in investments in subsidiary i.e. TAISPL.
- (c) Further, the option given by Mastek over TAISPL CCPS, shall be recognized at its fair value as on the Appointed Date, as a liability with a corresponding debit in investments in subsidiary i.e. TAISPL.

12.2.2 TAISPL

Upon this Scheme coming into effect, TAISPL shall account for the Scheme in its books of account, as on the Appointed Date, in the following manner:

- (a) TAISPL shall record the assets and liabilities pertaining to the Demerged Undertaking (whether recorded or not in the books of the Demerged Company), transferred to and vested in it pursuant to this Scheme, at their respective fair values, as on the Appointed Date.
- (b) TAISPL shall credit its share capital account with the face value of TAISPL CCPS issued in accordance with Clause 11.1 above and the difference between the aggregate fair value and the face value of such TAISPL CCPS shall be credited to the securities premium account.
- (c) TAISPL shall record the aggregate value of equity shares issued by Mastek and fair value of options as referred in 12.2.1 (c) as deemed equity contribution. TAISPL would compute the purchase consideration in accordance with the principles of Ind AS 103 which shall be the sum of fair value of the shares issued by Mastek, fair value option as referred in 12.2.1 (c) and fair value of the compulsorily convertible preference shares issued by TAISPL as on the Appointed Date.
- (d) The difference between fair value of purchase consideration as computed in Clause 12.2.2(c) above and the value of Net Assets ("Net Assets" means excess of the fair value of assets over the fair value of liabilities as per Clause 12.2.2(a) above) pertaining to the Demerged Undertaking shall be recognised as goodwill, if positive (debit balance), or capital reserve, if negative (credit balance).

PART III

GENERAL TERMS AND CONDITIONS

13. REMAINING BUSINESS OF THE DEMERGED COMPANY

- 13.1 The Remaining Business of the Demerged Company shall constitute primarily the India focus business carried on by the Demerged Company in India and all the assets, investments, liabilities and obligations of the Demerged Company pertaining to such business, shall continue to belong to and be vested in and be managed by the Demerged Company.  - 15.4.12 pay their accounts payable and other obligations consistent with their past customs and practices when they become due and payable in accordance with existing practices.
- 15.5 For the purpose of giving effect to the order passed under Sections 230 to 232 and other applicable provisions of the Act in respect of this Scheme by the NCLT, TAISPL shall, at any time pursuant to the orders approving this Scheme, be entitled to get the recordal of the change in the legal right(s) upon the demerger of the Demerged Undertaking in accordance with the provisions of Sections 230 to 232 of the Act. TAISPL shall always be deemed to have been authorized to execute any pleadings, applications, forms etc., as may be required to remove any difficulties and facilitate and carry out any formalities or compliances as are necessary for the implementation of this Scheme. For the purpose of giving effect to the vesting order passed under Section 232 of the Act in respect of this Scheme, TAISPL shall be entitled to exercise all rights and privileges and be liable to pay all taxes and charges and fulfil all obligations in relation to or applicable to all immovable properties including mutation and / or substitution of the ownership or the title to or interest in the immovable properties which shall be made and duly recorded by the Appropriate Authorities in favour of TAISPL pursuant to the sanction of this Scheme by the NCLT and upon the effectiveness of this Scheme in accordance with the terms hereof, without any further act or deed to be done or executed by TAISPL. It is clarified that TAISPL shall be entitled to engage in such correspondence and make such representations, as may be necessary, for the purposes of the aforesaid mutation and / or substitution.

16. PROPERTY IN TRUST

- 16.1 Notwithstanding anything contained in this Scheme, on or after the Effective Date, until any property, asset, license, approval, permission, contract, agreement and rights and benefits arising therefrom pertaining to the Demerged Undertaking, as the case may be, are transferred, vested, recorded, effected and/ or perfected, in the records of any Appropriate Authority, regulatory bodies or otherwise, in favour of TAISPL, as the case may be, such Resulting Companies are deemed to be authorized to enjoy the property, asset or the rights and benefits arising from the license, approval, permission, contract or agreement as if it were the owner of the property or asset or as if it were the original party to the license, approval, permission, contract or agreement. It is clarified that till entry is made in the records of the Appropriate Authorities and till such time as may be mutually agreed by the relevant Parties, the Demerged Company will continue to hold the property and/or the asset, license, permission, approval, contract or agreement and rights and benefits arising therefrom, as the case may be, in trust for and on behalf of TAISPL, as the case may be.

17. FACILITATION PROVISIONS

- 17.1 Immediately upon the Scheme being effective, the Parties shall enter into agreements as may be necessary, *inter alia*, in relation to use by the Parties of office space, infrastructure facilities, information technology services, security personnel, legal, administrative and other services, etc. on such terms and conditions that may be mutually agreed between the Parties.
- 17.2 It is clarified that the approval of this Scheme by the shareholders of the Parties under Sections 230 to 232 of the Act shall be deemed to have their approval under Section 188 of the Act and any other applicable provisions of the Act and that no separate approval from the shareholders to that extent will be required to be sought by any of the Parties.

18. APPLICATION / PETITIONS TO NCLT

- 18.1 The Parties shall dispatch, make and file all applications and petitions under Sections 230 to 232 and other applicable provisions of the Act before the NCLT, under whose jurisdiction the registered offices of the respective Parties are situated, for sanction of this Scheme under the provisions of Applicable Law and shall apply for such approvals as may be required under Applicable Law.
- 18.2 The Parties shall be entitled, pending the sanction of the Scheme, to apply to any Appropriate Authority, if required, under any Applicable Law for such consents and approvals which the Parties may require to own the assets and / or liabilities of the Demerged Undertaking and to carry on the business of the Demerged Undertaking.

19. MODIFICATION OR AMENDMENTS TO THIS SCHEME

- 19.1 On behalf of each of the Parties, the Board of the respective Parties acting themselves or through authorized Persons, may consent jointly but not individually, on behalf of all Persons concerned, to any modifications or amendments to this Scheme at any time and for any reason whatsoever, or to any conditions or limitations that the NCLT or any other Appropriate

Authority may deem fit to direct or impose or which may otherwise be considered necessary, desirable or appropriate by all of them (i.e., the Boards of the Parties) and solve all difficulties that may arise for carrying out this Scheme and do all acts, deeds and things necessary for putting this Scheme into effect.

- 19.2 For the purposes of giving effect to this Scheme or to any modification hereof, the Boards of the Parties acting themselves or through authorized Persons may jointly but not individually, give and are jointly authorised to give such directions including directions for settling any question of doubt or difficulty that may arise and such determination or directions, as the case may be, shall be binding on all Parties, in the same manner as if the same were specifically incorporated in this Scheme.

20. CONDITIONS PRECEDENT TO THE SCHEME

- 20.1 Unless otherwise decided (or waived) by the relevant Parties, the Scheme is conditional upon and subject to the following conditions precedent:

The term 'public' shall carry the same meaning as defined under Rule 2 of Securities Contracts (Regulation) Rules, 1957;

20.1.3 approval of the Scheme by the requisite majority of each class of shareholders (including public shareholders) and / or creditors of the Parties and such other classes of Persons, if any, as applicable or as may be required under the Act, Applicable Law (including requirements set forth under SEBI Circular) and as may be directed by the NCLT;

20.1.4 the sanctions and orders of the NCLT, under Sections 230 to 232 of the Act being obtained by the Parties;

20.1.5 certified/ authenticated copies of the orders of the NCLT, sanctioning the Scheme, being filed by each of the Parties with the Registrar of Companies having jurisdiction over the Parties; and

20.1.6 the requisite consent, approval or permission of Appropriate Authority or any other Person which by Applicable Law or contract, agreement may be necessary for the implementation of this Scheme.

- 20.2 It is hereby clarified that submission of this Scheme to the NCLT and to the Appropriate Authorities for their respective approvals is without prejudice to all rights, interests, titles or defences that Parties may have under or pursuant to all Applicable Laws.

- 20.3 This Scheme for demerger and vesting of the Demerged Undertaking on a *going concern* basis constitutes one composite Scheme.

20.4 On the approval of this Scheme by the shareholders of the Demerged Company, the Resulting Companies and such other classes of Persons of the Resulting Companies, if any, pursuant to Clause 20.1.2 above, such shareholders and classes of Persons shall also be deemed to have resolved and accorded all relevant consents under the Act or otherwise to the same extent applicable in relation to the demerger, transfer, capital reduction, authorised share capital reclassification set out in this Scheme, related matters and this Scheme itself.

21. NON-RECEIPT OF APPROVALS AND REVOCATION / WITHDRAWAL OF THIS SCHEME

21.1 The Parties acting jointly through their respective Boards shall each be at liberty to withdraw from this Scheme.

21.2 In the event the Scheme not being sanctioned by the NCLT, and/or the order or orders not being passed as aforesaid on or before such date as may be agreed to by the Parties, this Scheme shall become null and void.

21.3 In the event of revocation / withdrawal of the Scheme under Clause 21.1 or Clause 21.2 above, no rights and liabilities whatsoever shall accrue to or be incurred inter se the Parties or their respective shareholders or creditors or employees or any other Person, save and except in respect of any act or deed done prior thereto as is contemplated hereunder or as to any right, liability or obligation which has arisen or accrued pursuant thereto and which shall be governed and be preserved or worked out as is specifically provided in the Scheme or in accordance with Applicable Law.

22. COSTS AND EXPENSES

All costs, charges and expenses payable in relation to or in connection with this Scheme and incidental to the completion of the transfer and vesting of the Demerged Undertaking in the Resulting Companies in pursuance of this Scheme including stamp duty on the order(s) of the NCLT, if any, to the extent applicable and payable shall be borne and paid by the Demerged Company, including in the event of this Scheme not taking effect as provided in Clause 21 above.

23. SAVING OF CONCLUDED TRANSACTIONS

Nothing in this Scheme shall affect any transaction or proceedings already concluded or liabilities incurred by the Demerged Company in relation to the Demerged Undertaking until the Appointed Date to the end and intent that the Resulting Companies shall accept and adopt all acts, deeds and things done and executed by the Demerged Company in respect thereto as done and executed on behalf of the Resulting Companies.

SCHEDULE I

TERMS AND CONDITIONS OF COMPULSORILY CONVERTIBLE PREFERENCE SHARES

Each TAISPL CCPS shall be subject to the terms and conditions contained herein.

1. Face Value

Each TAISPL CCPS shall have a face value of INR 10 (Indian Rupees Ten).

2. Voting Rights

A holder of TAISPL CCPS will not have voting rights until the TAISPL CCPS is converted into equity shares.

3. Coupon

Each TAISPL CCPS shall be a non-cumulative preference share and shall entitle the holder thereof to 0.001% dividend per annum on the face value of the TAISPL CCPS. Apart from such fixed dividends, the holders of the TAISPL CCPS shall have the right to receive dividend *pari passu* with the holders of the other equity shares in TAISPL in accordance with the provisions of the Agreement.

4. Conversion

4.1 Each TAISPL CCPS shall at the option of the holder, be converted into 1 (one) equity share at any time after expiry of 6 (six) years from date on which the TAISPL CCPS is issued.

4.2 Each TAISPL CCPS shall automatically be converted into 1 (one) equity share upon the expiry of a period of 8 (eight) years from the date on which the TAISPL CCPS is issued.

4.3 Upon being requested by the holder of the TAISPL CCPS to convert the TAISPL CCPS into equity shares or on the date on which the TAISPL CCPS automatically become convertible into equity shares, TAISPL shall:

4.3.1 convene a meeting of its Board of Directors, in which meeting TAISPL shall approve the conversion of the relevant TAISPL CCPS and issuance of equity shares pursuant to such conversion;

4.3.2 cancel the share certificates representing the relevant TAISPL CCPS and issue duly stamped share certificates in the name of the holder of the TAISPL CCPS being converted to reflect such holder as the owner of the equity shares being issued upon conversion;

4.3.3 file with the jurisdictional Registrar of Companies relevant forms in respect of allotment of the equity shares upon conversion of the relevant TAISPL CCPS and provide the holder of the TAISPL CCPS with certified true copies of such form, duly filed with the jurisdictional Registrar of Companies, along with receipts in respect of such forms; and

4.3.4 do all such acts and deeds as may be required to give effect to the conversion of the TAISPL CCPS.

5. Conversion Term Adjustment

- 5.1 If TAISPL should at any time fix a record date for the effectuation of a split or subdivision of the outstanding equity shares or the determination of holders of equity shares entitled to receive a distribution payable in additional equity shares or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly, additional equity shares (hereinafter referred to as “**Equity Shares Equivalents**”) without payment of any consideration by such holder for the additional equity shares or the Equity Shares Equivalents (including the additional equity shares issuable upon conversion), then, as of such record date (or the date of such dividend distribution, split or subdivision if no record date is fixed), the conversion terms of the TAISPL CCPS shall be appropriately modified so that the number of equity shares issuable on conversion of each TAISPL CCPS shall be increased in proportion to such increase of the aggregate of equity shares outstanding and those issuable with respect to such Equity Shares Equivalents.
- 5.2 If the number of equity shares outstanding at any time is decreased by a combination / consolidation of the outstanding equity shares, then, following the record date of such combination / consolidation, the conversion terms for the TAISPL CCPS shall be appropriately modified so that the number of equity shares issuable on conversion of each TAISPL CCPS shall be decreased in proportion to such decrease in outstanding shares.
- 5.3 If at any time or from time to time, with the prior written consent of the New Shareholders, there shall be a recapitalization or reclassification of the equity shares (including any such reclassification in connection with a consolidation or merger in which TAISPL is the continuing corporation), provision shall be made so that the holders of the TAISPL CCPS shall thereafter be entitled to receive upon conversion of the TAISPL CCPS the number of shares or other securities or property of TAISPL or otherwise, to which a holder of equity shares deliverable upon conversion would have been entitled on such recapitalization. In any such case, appropriate adjustment shall be made in the application of the provisions of this Schedule with respect to the rights of the holders of the TAISPL CCPS after the recapitalization to the end that the provisions of this Schedule (including adjustment of the conversion terms then in effect and the number of shares issuable upon conversion of the TAISPL CCPS) shall be applicable after that event as nearly equivalent as may be practicable.
- 5.4 Upon the occurrence of each adjustment of the conversion terms of the TAISPL CCPS pursuant to this paragraph 5, TAISPL, at its expense, shall promptly compute such adjustment in accordance with the terms hereof and prepare and furnish to each holder of the TAISPL CCPS a certificate setting forth such adjustment and showing in detail the facts upon which such adjustment is based. TAISPL shall, upon the written request at any time of any holder of TAISPL CCPS, furnish or cause to be furnished to such holder a certificate setting forth (i) such adjustment and readjustment, (ii) the conversion terms for such TAISPL CCPS at the time in effect, and (iii) the number of equity shares and the amount, if any, of other property that at the time would be received upon the conversion of a share of TAISPL CCPS.

5.5 In the event that, for any reason whatsoever, the provisions hereof cannot be effectuated (either fully or partially), then, the shareholders shall endeavour in good faith to achieve the commercial intent of the aforesaid provisions to the maximum extent possible and for this purpose shall take all such actions as ESPL may request.

6. **Governing law**

Each TAISPL CCPS will be governed and construed in accordance with the laws of India.

7. **Amendments**

The rights, privileges and conditions attached to each TAISPL CCPS may be varied, modified or abrogated only with the prior consent of the holder of the TAISPL CCPS, in accordance with the terms of the articles of TAISPL and Applicable Law.

Trans American Information Systems Private Limited ('TAISPL') was incorporated on 05 March 1999 and is engaged in the business of providing end-to-end e-commerce services including strategy, creative, design, implementation and managed services. It also provides support services to customers of its fellow subsidiary TaisTech LLC, USA. TAISPL is a wholly owned subsidiary of Mastek.

The Management of ESPL ('demerged company') alongwith that of TAISPL and Mastek (together hereinafter referred to as 'the Management') are contemplating a demerger proposal wherein they intend to demerge the Oracle Service Business which includes business undertaken in India and through its following subsidiaries: i) Evolutionary Systems Company Limited; ii) Evolutionary Systems Corp; iii) Evolutionary Systems (Singapore) Pte. Ltd; iv) Evolutionary Systems Pty Ltd; v) Evolutionary Systems Qatar WLL; and vi) Evolutionary Systems Saudi LLC located in UK, USA, Singapore, Australia, Qatar and Saudi Arabia respectively and include assets and liabilities mentioned in the demerger scheme (all together referred to as 'demerged business') of ESPL into TAISPL (transaction referred to as 'proposed demerger') in accordance with the provisions of sections 230 to 232 of the Companies Act, 2013 or any statutory modifications, re-enactment or amendments thereof for the time being in force ("the Act") read with the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 ("the Rules"), as amended from time to time and all other applicable provisions, if any, of the Act and any other applicable law for the time being in force including the applicable provisions of the SEBI Guidelines and the rules framed therein with respect to the proposed demerger and in a manner provided in the Scheme of Arrangement (hereinafter referred to as 'the Scheme'). As per the scheme, as a consideration for the proposed demerger, shareholders of ESPL will be issued 42,35,294 equity shares of the listed entity Mastek i.e. parent entity of TAISPL at an agreed price of INR 650/- per share and balance consideration shall be in the form of Compulsorily Convertible Preference Shares ('CCPS') of TAISPL in the share entitlement ratio as determined by the Board of Directors on the basis of share entitlement ratio report prepared by the Registered Valuer as required under the applicable provisions of SEBI Guidelines.

In connection with the above mentioned proposed demerger, the Management of Mastek has appointed Niranjn Kumar, Registered Valuer- Securities and Financial Assets ('NSK') to submit a report recommending a fair share entitlement ratio for issue of CCPS of TAISPL to the shareholders of ESPL as consideration for the proposed demerger.

We understand that the proposed appointed date for the demerger is 01 February 2020 or such other date as the competent authority may direct or approve.

The scope of our service is to conduct a relative (and not absolute) valuation of the business proposed to be demerged and the resulting company including the value post transfer of the demerged business and arrive at the share entitlement ratio with respect to the compulsory convertible preference shares proposed to be issued after considering terms of the same and other facts of the case in accordance with internationally accepted valuation standards including India Valuation Standards, 2018 issued by the Institute of Chartered Accountants of India (ICAI).

The Managements have informed us that:

- a) There would not be any capital variation in the Companies till the Proposed Demerger becomes effective without approval of the shareholders and other relevant authorities;
- b) Till the proposed Demerger becomes effective, neither Companies would declare any dividend which are materially different than those declared in the past few years.
- c) There are no unusual / abnormal events in the Companies since the last audited financials were declared till the Report Date materially impacting their operating / financial performance.

This report is our deliverable for the said engagement and is subject to the scope, assumptions, qualifications, exclusions, limitations and disclaimers detailed above and hereinafter. As such, the report is to be read in totality and in conjunction with the relevant documents referred to therein.

SHAREHOLDING PATTERN

a) Evolutionary Systems Private Limited ('ESPL' or 'the demerged company')

The equity shareholding pattern of ESPL as at the report date is set out below:

Name of the shareholder	Number of shares (Face Value INR 10 each)	Percentage %
Umang Nahata	36,16,000	36.2%
Ummed Nahata	27,12,000	27.1%
Rakesh Raman	27,12,000	27.1%
Yashodar Bhide	4,80,000	4.8%
Sunil Kothari	4,80,000	4.8%
Total	1,00,00,000	100.0%

Based on our discussion with the Management, we understand that ESPL currently has some outstanding Employee Stock Option Plans ('ESOP') all of which prior to the scheme being implemented would stand cancelled and none of the outstanding ESOP would get exercised. We have therefore not considered any dilution effect on account of the outstanding ESOP for the purpose of our value analysis.

Besides the above listing, there may be other information provided by the Management which may not have been perused by us in detail, if not considered relevant for our defined scope.

We have also considered/ obtained such other analysis, review, explanations and information considered reasonably necessary for our exercise, from the Management. The Management have been provided with the opportunity to review the draft report (excluding the share entitlement ratio) as part of our standard practice to make sure that factual inaccuracies/ omissions are avoided in our final report.

SCOPE LIMITATIONS, ASSUMPTIONS, QUALIFICATIONS, EXCLUSIONS AND DISCLAIMERS

Provision of valuation opinions and consideration of the issues described herein are areas of our regular practice. The services do not represent accounting, assurance, accounting/ tax due diligence, consulting or tax related services that may otherwise be provided by us.

This report, its contents and the results herein are specific and subject to:

- the purpose of valuation agreed as per the terms of this engagement;
- the date of this report;
- the part consideration discharged by way of issue of the defined number of equity shares of Mastek at the agreed price being the fair value of such consideration;
- terms of CCPS to be issued by TAISPL for balance consideration payable for the proposed demerger;
- realization of cash flow projections as provided by the Management;
- audited financial statements of ESPL and TAISPL as at 31 March 2019;
- identified assets and liabilities forming part of the Demerged Business;
- latest shareholding pattern of ESPL, Mastek and TAISPL; and
- data detailed in the section- Sources of Information.

We have been informed that the business activities of the Companies have been carried out in the normal course between 31 March 2019 and the report date and that no material changes have occurred in their respective operations and financial position between 31 March 2019 and the report date.

A value analysis of this nature is necessarily based on the prevailing stock market, financial, economic and other conditions in general and industry trends in particular. It is based on information made available to us as of the report date, events occurring after that date hereof may affect this report and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this report.

The ultimate analysis will have to be tempered by the exercise of judicious discretion by the valuer and judgment taking into account the relevant factors. There will always be several factors e.g. Management capability, present and prospective yield on comparable securities, market sentiment etc., which are not evident on the face of the financial statement but which will strongly influence the value of the company and its securities.

The recommendation(s) rendered in this report only represent our recommendation(s) based upon information furnished by the Management till the date of this report and other sources, and the said recommendation(s) shall be considered to be in the nature of non-binding advice (our recommendation should not be used for advising anybody to take buy or sell decision, for which specific opinion needs to be taken from expert advisors).

The determination of fair value is not a precise science and the conclusions arrived at in many cases, will, of necessity, be subjective and dependent on the exercise of individual judgement. There is, therefore, no indisputable single fair value. While we have provided our recommendation of the fair share entitlement ratio based on the information available to us and within the scope and constraints of our engagement, others may have a different opinion. The final responsibility for the determination of the share entitlement ratio for the proposed demerger shall be with the board of directors of the entities forming part of the transaction, who should take into account other factors such as their own assessment of the proposed transaction and input of advisors.

In the course of our analysis, we were provided with both written and verbal information, including market, technical, financial and operating data including information as detailed in the section – Sources of Information by the Management.

In accordance with the terms of our engagement, we have assumed and relied upon, without independent verification of,

- the accuracy of information made available to us by the Management, which formed a substantial basis for this report; and
- the accuracy of information that was publicly available;

We have not carried out a due diligence or audit or review of the Companies for the purpose of this engagement, nor have we independently investigated or otherwise verified the data provided.

We are not legal or regulatory advisors with respect to legal and regulatory matters for the proposed demerger. We do not express any form of assurance that the financial information or other information as prepared and provided by the Management is accurate. Also, with respect to explanations and information sought from the Management, we have been given to understand by the Management that they have not omitted any relevant and material factors and that they have checked the relevance or materiality of any specific information to the present exercise with us in case of any doubt. Accordingly, we do not express any opinion or offer any form of assurance regarding its accuracy and completeness.

Our conclusions are based on these assumptions and information given by/ on behalf of the Management. The Management of the Company has indicated to us that they have understood that any omissions, inaccuracies or misstatements may materially affect our recommendation. Accordingly, we assume no responsibility for any errors in the information furnished by the Management and their impact on the report. Also, we assume no responsibility for technical information (if any) furnished by the Management. However, nothing has come to our attention to indicate that the information provided was materially misstated/ incorrect or would not afford reasonable grounds upon which to base the report. We do not imply and it should not be construed that we have verified any of the information provided to us, or that our inquiries could have verified any matter, which a more extensive examination might disclose.

The report assumes that the Company complies fully with relevant laws and regulations applicable in all its areas of operations and that the Company will be managed in a competent and responsible manner. Further, except as specifically stated to the contrary, this report has given no consideration on to matters of a legal nature, including issues of legal title and compliance with local laws and litigation and other contingent liabilities that are not recorded in the financial statements of the Company.

This report does not look into the business/ commercial reasons behind the transaction nor the likely benefits arising out of the same. Similarly, the report does not address the relative merits of the transaction as compared with any other alternative business transaction, or other alternatives, or whether or not such alternatives could be achieved or are available. This report is restricted to recommendation of share entitlement ratio only.

We would like to emphasise that as part of the proposed transaction the Demerged Business including identified assets and liabilities mentioned in detail in the demerger scheme would be transferred to the resulting company and as a consideration certain equity shares of the listed entity Mastek, parent of the resulting entity would be issued to the existing shareholders of the demerged company, and therefore the resulting company has to issue shares only for the balance consideration for which the management has decided to issue compulsorily convertible preference shares ('CCPS'). Post the scheme implementation, the resulting company would have the entire demerged business housed in it but the consideration payable would only be equivalent to the difference between the value of the demerged business and value of equity shares issued of the listed entity. Therefore, while arriving at the share entitlement ratio, we have considered the value of the resulting entity to be equivalent to the value of the existing business being undertaken plus the value of equity shares issued of the listed entity as the part consideration for the proposed demerger and accordingly arrived at the value of the equity share of the resulting company.

We must emphasize that realization of free cash flow forecast or the realizability of the assets at the values considered in the analysis will be dependent on the continuing validity of assumptions on which they are based. Our analysis therefore, will not, and cannot be directed to providing any assurance about the achievability of the final projections. Since the financial forecasts relate to the future, actual results are likely to be different from the projected results because events and circumstances do not occur as expected, and the differences could be material. To the extent that our conclusions are based on the forecasts, we express no opinion on achievability of those forecasts. The fact that we have considered the projections in this valuation exercise should not be construed or taken as our being associated with or a party to such projections.

No investigation of the Company's claim to title of assets has been made for the purpose of this report and the Company's claim to such rights has been assumed to be valid. No consideration has been given to liens or encumbrances against the assets, beyond the loans disclosed in the accounts.

We must emphasize that since we were not provided with the latest financial statements of the Resulting and Demerged Company as at the report date, we have relied on the audited

financial statements as at 31 March 2019 for the purpose of our value analysis as the Management confirmed that there would not be any significant deviation in the financial position between 31 March 2019 and the report date.

We have relied on the Management projections for the period from FY20 to FY25, as prepared and provided to us by the Management. We did not carry out any validation procedures or due diligence with respect to the information provided/ extracted or carry out any verification of the assets or comment on the achievability of the assumptions underlying the Management Projections, save for satisfying ourselves to the extent possible that they are consistent with other information provided to us during the course of this engagement.

The fee for the Engagement is not contingent upon the results reported.

We owe responsibility only to the Board of Directors of TAISPL and Mastek, who have appointed us, and nobody else.

We do not accept any liability to any third party in relation to the issue of this report. It is understood that this analysis does not represent a fairness opinion. In no circumstance shall the liability of NSK exceed the amount as agreed in our Engagement Letter.

This value analysis report is subject to the laws of India.

Neither the report nor its contents may be referred to or quoted in any registration statement, prospectus, offering memorandum, annual report, loan agreement or other agreement or document given to third parties, other than in connection with relevant filings with the statutory authorities with respect to the proposed demerger, without our prior written consent.

VALUATION APPROACHES

It should be understood that the valuation of any company or business or its assets is inherently subjective and is subject to uncertainties and contingencies, all of which are difficult to predict and are beyond our control. In performing our analysis, we made numerous assumptions with respect to the industry performance and general business and economic conditions, many of which are beyond the control of the company.

The application of any particular method of valuation depends on the purpose for which the valuation is done. Although, different values may exist for different purpose, it cannot be too strongly emphasized that a valuer can only arrive at one value for one purpose. Our choice of methodology of valuation has been arrived at using usual and conventional methodologies adopted for transactions of similar nature and our reasonable judgment, in an independent and bona fide manner based on our previous experience of assignments of a similar nature.

The following are commonly used and accepted methods for determining the value of the equity shares/ convertible securities of a company:

- Asset Approach – Net Asset Value method
- Market Approach:

- a) Market Price method
- b) Comparable Companies/ Comparable Transaction Multiple method
- Income Approach – Discounted cash flow method

We have considered the following commonly used and accepted methods for determining the share entitlement ratio, to the extent relevant and applicable:

1. Asset Approach - Net Asset Value Method ('NAV')

The asset based value analysis technique is based on the value of the underlying net assets of the business, either on a book value basis or realizable value basis or replacement cost basis. This methodology is likely to be appropriate for business which derives value mainly from the underlying value of its assets rather than its earnings. This value analysis approach may also be used in case where the firm is to be liquidated i.e. it does not meet the "going concern" criteria or in case where the assets base dominate earnings capability. It is also used where the main strength of the business is its asset backing rather than its capacity or potential to earn profits.

The resulting company and the demerged company presently operate as a going concern and are profitable and generate surplus cash and would continue to do so for the foreseeable future. NAV does not value the future profit generating ability of the business, we have therefore not used this method to value the Companies.

2. Market Approach

a) Market Price Method

The market price of an equity share as quoted on a stock exchange is normally considered as the value of the equity shares of that company where such quotations are arising from the shares being regularly and freely traded in, subject to the element of speculative support that may be inbuilt in the value of the shares

Since the equity shares of the demerged and resulting company are not listed on any stock exchange, we have not used this method to arrive at the equity value of the Company.

As part of the proposed demerger, equity shares of Mastek the listed entity are being issued to the shareholders of ESPL as part consideration. SEBI Circular No. CFD/DIL3/CIR/2017/21 dated 10 March 2017 and SEBI Circular No. CFD/DIL3/CIR/2017/26 dated 23 March 2017 states that issuance of shares by a listed entity to a select group of shareholders or shareholders of unlisted companies pursuant to the scheme of arrangement/ amalgamation shall follow the pricing provisions of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018

Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 as amended from time to time prescribes that if the equity shares of the issuer have been listed on a recognised stock exchange for a period of twenty six weeks or

more as on the relevant date, the price of the equity shares to be allotted pursuant to the preferential issue shall be not less than higher of the following:

a. the average of the weekly high and low of the volume weighted average price of the related equity shares quoted on the recognised stock exchange during the twenty six weeks preceding the relevant date; or

b. the average of the weekly high and low of the volume weighted average prices of the related equity shares quoted on a recognised stock exchange during the two weeks preceding the relevant date.

The price (i.e. INR 650 per equity share) at which the proposed issue of equity shares of Mastek is being made is higher than the price arrived at using the above prescribed formula.

b) Comparable Companies Multiples ('CCM') / Comparable Transactions Multiples ('CTM') method

Under CCM, the value of shares/ business of a company is determined based on market multiples of publicly traded comparable companies. This valuation is based on the principle that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. CCM applies multiples derived from similar or 'comparable' publicly traded companies. Although no two companies are entirely alike, the companies selected as comparable companies should be engaged in the same or a similar line of business as the subject company. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

Based on our discussion with the Management we understand that there are no comparable listed company providing similar nature of services, we have therefore not considered the same for our analysis.

Under CTM, the value of shares/ business of a company is determined based on market multiples of publicly disclosed transactions in the similar space as that of the subject company. Multiples are generally based on data from recent transactions in a comparable sector, but with appropriate adjustment after consideration has been given to the specific characteristics of the business being valued.

Since there are no comparable transactions involving companies which operate in similar line of business and having similar operating metrics and financial performance as that of the demerged business or resulting company, we have therefore not used CTM.

3. Income Approach – Discounted Cash Flow Method ('DCF')

DCF method values a business based upon the available cash flow a prudent investor would expect the subject business to generate over a given period of time. This method is used to determine the

present value of a business on a going concern assumption and recognizes the time value of money by discounting the free cash flows for the explicit forecast period and the perpetuity value at an appropriate discount factor. Free cash flows are the cash flows expected to be generated by the company that are available to equity shareholders of the company. The terminal value represents the total value of the available cash flow for all periods subsequent to the forecast period. The terminal value of the business at the end of the forecast period is estimated and discounted to its equivalent present value and added to the present value of the explicit forecast period cash flow to estimate the value of the business.

The projected free cash flows to the firm over the explicit forecast period and terminal value are discounted using the Weighted Average Cost of Capital ('WACC'). The sum of the discounted value of such free cash flows to the firm is the value of the business

Using the DCF analysis involves determining the following:

Estimating future cash flows:

Free cash flows to the firm are the cash flows expected to be generated by the company that are available to equity shareholders and the lenders of the company.

Appropriate discount rate to be applied to cash flows i.e. Cost of equity ('WACC')

This discount rate, which is applied to the free cash flows, should reflect the opportunity cost to equity shareholders. The opportunity cost to the equity capital providers equals the rate of return the equity investor expects to earn on other investments of equivalent risk.

To arrive at the total value attributable to the equity shareholders of the business, value arrived through DCF method for the company is adjusted for the value of loans, excess cash, inflow on exercise of options, non-operating assets/ liabilities (e.g. fair value of investments, any contingent liabilities, etc.). The total value for equity shareholders is then divided by the total number of equity shares (on fully diluted basis) to arrive at the value per share of the business. For the purpose of DCF value analysis, the free cash flows are based on projections and other information provided by the Management.

The demerged business is a profitable business with surplus cashflow, similarly the resulting company also has a profitable business with positive cashflows both of which are expected to continue going forward, we have therefore used the DCF method to value the demerged business and the resulting company including the CCPS proposed to be issued based on the terms of issue.

RECOMMENDATION OF SHARE ENTITLEMENT RATIO FOR THE PROPOSED SCHEME OF ARRANGEMENT

The share entitlement ratio has been arrived at on the basis of a relative (and not absolute) equity value of the resulting company and demerged business of the demerged company for the proposed scheme of arrangement based on the various methodologies mentioned herein earlier. Suitable rounding off have been carried out wherever necessary to arrive at the fair share entitlement ratio.

In light of the above and on a consideration of all the relevant factors and circumstances as discussed and outlined herein above we recommend the share entitlement ratio with respect to the CCPS to be issued as follows:

Issue of CCPS of TAISPL to the equity shareholders of ESPL

15 (Fifteen) CCPS of Trans American Information Systems Private Limited of INR 10/- each fully paid up shall be issued for every 10,000 (Ten Thousand) equity shares of INR 10 each fully paid up held in Evolutionary Systems Private Limited.

Refer Annexure-1 for detailed share entitlement ratio workings

Asset Approach – Net Asset Value (NAV) Method

The resulting company and the demerged company presently operate as a going concern and are profitable and generate surplus cash and would continue to do so for the foreseeable future. NAV does not value the future profit generating ability of the business, we have therefore not used this method to value either the demerged business or resulting company.

Market Approach

a) Market Price Method

Since the equity shares of the demerged and resulting company are not listed on any stock exchange, we have therefore not used this method for the purpose of our value analysis.

b) Comparable Companies Multiples (CCM) Method

Since there are no comparable listed company providing similar nature of services as that of demerged business or resulting company, we have therefore not used this method for the purpose of our value analysis.

c) Comparable Transactions Multiples (CTM) Method

Since there are no comparable transactions involving companies which operate in similar line of business and having similar operating metrics and financial performance as that of the demerged business or resulting company, we have therefore not used this method for the purpose of our value analysis.

Subject: Addendum to the share entitlement ratio report dated 08 February 2020 with respect to Compulsorily Convertible Preference Shares ('CCPS') to be issued for the proposed demerger of the Oracle Service Business of Evolutionary Systems Private Limited into Trans American Information Systems Private Limited.

Dear Sir/ Madam,

This is an addendum to the report previously issued by us dated 08 February 2020 recommending a share entitlement ratio for the proposed demerger of the Oracle Service Business of Evolutionary Systems Private Limited (ESPL) into Trans American Information Systems Private Limited (TAISPL).

As part of the proposed demerger 42,35,294 equity shares of Mastek Limited ('Mastek'), the listed parent entity of TAISPL, against the total equity shares outstanding of 1,00,00,000 in ESPL (i.e. 4,235.294 fully paid up equity shares of face value of INR 5/- each of Mastek for every 10,000 equity shares of ESPL of face value of INR 10/- each), would be issued as part consideration for the demerger at an agreed price of INR 650 per share to the shareholders of ESPL.

It has been brought to our knowledge that NSE and BSE has sought clarification with respect to the fairness of the price of INR 650 per share from the perspective of Mastek's existing shareholders.

Please find below our clarification with respect to the same:

Market Approach

SEBI Circular No. CFD/DIL3/CIR/2017/21 dated 10 March 2017 and SEBI Circular No. CFD/DIL3/CIR/2017/26 dated 23 March 2017 states that issuance of shares by a listed entity to a select group of shareholders or shareholders of unlisted companies pursuant to the scheme of

arrangement/ amalgamation shall follow the pricing provisions of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018.

Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 as amended from time to time prescribes that if the equity shares of the issuer have been listed on a recognized stock exchange for a period of twenty six weeks or more as on the relevant date, the price of the equity shares to be allotted pursuant to the preferential issue shall be not less than higher of the following:

a. the average of the weekly high and low of the volume weighted average price of the related equity shares quoted on the recognized stock exchange during the twenty-six weeks preceding the relevant date; or

b. the average of the weekly high and low of the volume weighted average prices of the related equity shares quoted on a recognized stock exchange during the two weeks preceding the relevant date.

The price computed based on the above formula is INR 438.4 whereas the price at which these shares are proposed to be issued is significantly higher at INR 650.0 per equity share which is at a premium of 48.3% to the price arrived at based on the above mentioned formula.

Asset Approach

The value per equity share computed under the asset approach based on the unaudited provisional consolidated financials as at 31 December 2019 is INR 346.8 per equity share. The price of INR 650.0 at which these shares are proposed to be issued is at a premium of 87.5% to the value arrived under the asset approach.

Income Approach

The value per equity share computed under Income Approach using Discounted Cash Flow Method is INR 590.4 per equity share. The price of INR 650.0 at which these shares are proposed to be issued is at a premium of 10.1% to the value arrived under the income approach.

Valuation Summary

Valuation Approach	Value per share (INR)	Premium vis-à-vis issue price (%)
Market Approach	438.4	48.3%
Asset Approach	346.8	87.5%
Income Approach	590.4	10.1%

It can be observed from the above table that the price at which the equity shares of Mastek are proposed to be issued (i.e. 4,235.294 fully paid up equity shares of face value of INR 5/- each of Mastek for every 10,000 equity shares of ESPL of face value of INR 10/- each) is at a significant

premium to the price arrived under each of the methods mentioned above and therefore it can be reasonably concluded that the price at which the share are proposed to be issued is fair and not detrimental to interest of the public shareholders of Mastek.

We would like to emphasize that there is no change in the valuation of the companies and fair share exchange ratio recommended from the previous report.

Respectfully Submitted,

Sub: Fairness Opinion on the recommendation of the fair share entitlement ratio of Compulsory Convertible Preference ('CCSPS') for the proposed demerger of Oracle Service Business of Evolutionary Systems Private Limited into Trans American Information Systems Private Limited under Sections 230 to 232 and other applicable provisions of Companies Act, 2013.

Dear Sir,

This has reference to our Engagement Letter dated February 1, 2020 with you in the matter of providing fairness opinion on the share entitlement ratio of Compulsory Convertible Preference ('CCSPS') recommended by N S KUMAR & CO. and SMSR & CO. LLP vide their respective reports dated 08 February 2020 for the proposed demerger of Oracle Service Business of Evolutionary Systems Private Limited (**hereinafter referred to "ESPL" or "Demerged Company"**) into Trans American Information Systems Private Limited (**hereinafter referred to "TAISPL" or "Resulting Company"**), a wholly owned subsidiary of Mastek Limited (**hereinafter referred to "Mastek"**)

Company Background

ESPL is engaged in the business of Oracle cloud implementation and consultancy, providing a variety of solutions to diverse sectors such as healthcare, finance, logistics, manufacturing and distribution, etc.

Mastek is engaged in the business of providing information technology solutions. The equity shares of Mastek are listed on both NSE and BSE. Mastek has a wholly owned subsidiary i.e. Trans American Information Systems Private Limited (TAISPL).

TAISPL is engaged in the business of providing end-to-end e-commerce services.

Scope and Purpose

We understand that the Board of Directors (**the "Board"**) of demerged company and resulting company are considering the demerger of Oracle Service Business of Evolutionary Systems Private Limited which includes business undertaken in India and through its identified subsidiaries into Trans American Information Systems Private Limited, through a Scheme of Arrangement amongst ESPL and TAISPL and their respective Shareholders and creditors under Section 230-232 and other applicable provisions of Companies Act, 2013 (**the proposed "Demerger "**).

Be advised that while certain provisions of the demerger are summarized below, the terms of proposed demerger including the business forming part of demerger will be more fully described in the Scheme Arrangement to be published in relation to the demerger (the **"Scheme Document"**). As a result, the description of the demerger and certain other information contained herein is qualified in its entirety by reference to the Scheme Document.

As per the scheme, the consideration for the proposed demerger will be discharged partly by issuing 42,35,294 equity shares of the Mastek i.e. holding company of TAISPL at an agreed price of INR 650/- per share and balance consideration shall be discharged by issuing Compulsorily Convertible Preference Shares ('CCPS') of TAISPL to the equity shareholders of ESPL

The Share Entitlement Ratio with respect to CCPS to be issued on the proposed demerger is based on the report dated February 08, 2020 prepared by N S KUMAR & CO., Independent Chartered Accountant, having Firm Registration No. 139792W and SMSR & Co. LLP, Independent Chartered Accountants, having Firm Registration No. 110592W both of whom have been appointed by the Board of Mastek.

In connection with the above proposed demerger, Board of Directors of Mastek have appointed Kunvarji Finstock Private Limited (**"KFPL"** or **"Kunvarji"** or **"We"** or **"us"**), to issue a fairness opinion to the shareholders of TAISPL and Mastek in relation to the share entitlement ratio of CCPS proposed to be issued by TAISPL based on the recommendations set out in the report issued by N S KUMAR & CO and SMSR & CO. LLP.

This Opinion is subject to the Scope, limitations and disclaimers detailed herein.

SCOPE OF OUR REVIEW:

In arriving at the opinion set out below, we have, among other things:

1. Reviewed the share entitlement ratio report by N S KUMAR & CO. and SMSR & CO. LLP dated 08 February 2020.
2. Reviewed the draft Scheme of arrangement including details of assets and liabilities forming part of demerged business;
3. Reviewed certain publicly available business information on the demerged Company and resulting Company;

4. Reviewed the audited financial statements of TAISPL and ESPL for the financial year ended 31 March 2019;
5. Reviewed the management projections of demerged business and TAISPL for the period from FY20-FY25;
6. Details with respect to the number of equity shares to be issued by Mastek as part consideration including the price agreed between the promoters of ESPL and Management of Mastek;
7. Terms of the CCPS to be issued by TAISPL for balance consideration for the proposed demerger;
8. Latest shareholding pattern of TAISPL, Mastek and ESPL as at the report date;
9. Used certain valuation methods commonly used for these types of analyses and taken into account such other matters as we deemed appropriate including our assessment of current conditions and prospects for the industry and general economic and market conditions.

We have also obtained necessary explanations and information, which we believe were relevant to the present exercise, from the representatives of the Company.

ASSUMPTIONS AND LIMITATIONS:

In giving our opinion:

1. We have relied on the assessment of TAISPL, Mastek and ESPL's management on the commercial merits of the arrangement, including that the demerger is in the best interests of the demerged Company, resulting company and its shareholders as a whole;
2. Our work does not constitute an audit or certification or due diligence of the working results, financial statements, financial estimates or estimates of value to be realized for the assets of Companies. We have solely relied upon the information provided to us by the Management.
3. We have relied without independent verification, upon the accuracy and completeness of all of the information (including, without limitation, the share entitlement ratio) that was made available to us or publicly available or was discussed with or reviewed by us (including the information set out above) and have assumed such accuracy and completeness for the purpose of providing this fairness opinion;
4. While we have used various assumptions, judgments and estimates in our inquiry, which we consider reasonable and appropriate under the circumstances, no assurances can be given as to the accuracy of any such assumptions, judgments and estimates;

5. We have assumed that all governmental, regulatory, shareholder and other consents and approvals necessary for the demerger will be obtained in a timely manner without any adverse effect on the Resulting Company;
6. We have not made any independent evaluation or appraisal of the assets and liabilities of the demerged company and resulting company and we have not been furnished with any such evaluation or appraisal, nor have we evaluated the solvency or fair value of the demerged Company and resulting company under any laws relating to the bankruptcy, insolvency or similar matters;
7. We have not conducted any independent legal, tax, accounting, or other analysis of the resulting company or of the demerged company and when appropriate we have relied solely upon the judgments of the resulting company legal, tax, accountants and other professionals advisers who may have given such advice to the resulting company without knowledge or acceptance that it would be relied upon by us for the purpose of this opinion. We have not included the legal and tax effects of any reorganization or transaction costs that may arise as a result of the demerger in our analysis. In addition, we have not performed any independent analysis of the situation of the individual shareholders of the resulting company, including with respect to taxation in relation to the demerger and express no opinion thereon;
8. We have not undertaken independent analysis of any potential or actual litigation, regulatory action, possible un- asserted claims, or other contingent liabilities to which the demerged company or resulting company are or may be a party or are or may be subject, or of any government investigation of any possible un- asserted claims or other contingent liabilities to which the demerged company or resulting company are or may be a party or are or may be subject;
9. We have not conducted any physical inspection of the properties or facilities of the demerged Company and resulting Company;
10. We have assumed that the demerger will be consummated on the terms set forth in the scheme document and that the final version of scheme document will not change in any material respect from the draft version we have reviewed for the purpose of this opinion;
11. We have assumed that the management of the resulting company are not aware of any facts or circumstances that would make any information necessary for us to provide this opinion inaccurate or misleading and that the management have not omitted to provide us with any information which may be relevant to the delivery of this opinion;

12. The price at which equity shares of Mastek would be issued to the shareholders of ESPL has been commercially negotiated and agreed between the promoters of ESPL and Management of Mastek. Since the parties to this negotiation are independent third parties, the price agreed would have been arrived at after due deliberations and after considering all relevant factors. We therefore do not offer any opinion with respect to fairness of the price except confirming that it is above the SEBI Prescribed minimum price as per the applicable ICDR Regulations.

Our opinion is necessarily based on financial, economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. It should be understood that subsequent developments may affect the opinion and that we do not have any obligation to update, revise or reaffirm this opinion.

RELATIONSHIP WITH KFPL:

KFPL was not requested to, and did not, provide advice concerning the structure, the Share Entitlement Ratio or any other aspects of the demerger or to provide services other than the delivery of this Fairness opinion. KFPL did not participate in negotiations with respect to the terms of the demerger and any related transactions. Consequently, KFPL has assumed that such terms are the most beneficial terms from the TAISPL and Mastek's perspective that could under the circumstances be negotiated with ESPL.

We will receive a fee from the Mastek for rendering this opinion. The Fairness Opinion shall not be disclosed or referred to publicly or to any other third party, other than as required by Indian Law (in which case you would provide us a prior written intimation) without any prior written consent. The Fairness Opinion should be read in totality and not in parts. Further this Fairness Opinion should not be used or quoted for any purpose. If this Fairness Opinion is used by any person other than to whom it is addressed or for any purpose other than the purpose stated hereinabove, then we will not be liable for any consequences thereof. Neither this Fairness Opinion nor its contents may be referred to or quoted to/by any third party, in any registration statement, prospectus, offering memorandum, annual report, loan agreement or any other agreement or documents given to third party.

In the past, KFPL and its affiliates have not provided any financing and other services to the demerged company or resulting company.

OTHER LIMITATIONS:

This opinion is addressed to and provided for the Board of Directors of TAISPL and Mastek exclusively in connection with and for the purposes of its evaluation of the fairness of the Share Entitlement Ratio with respect to CCPS proposed to be issued. This letter shall not confer rights or remedies upon, and may not be used or relied on by, and holder of Securities of ESPL, Mastek and TAISPL, any creditor of ESPL, Mastek and TAISPL or by any other person other than the Board of Directors of the TAISPL and Mastek and the regulatory authorities involved in connection to the proposed Scheme.

5

KFPL is acting for the Board of Directors of Mastek and TAISPL and no one else in connection with the demerger and will not be responsible to any person other than the Board of Directors of Mastek for providing this opinion. Neither the existence of this letter nor its contents may be copied in whole or in Part, or discussed with any other parties, or published or made public referred to in any way, without our prior written consent in each instance, except that this opinion may be described in and included in its entirety in the Scheme Document. We take no responsibility or liability for any claims arising out of any such disclosure and we specifically disclaim any responsibility to any third party to whom this opinion may be shown or who may acquire a copy of this opinion.

This report shall be governed by the laws of India.

Specifically, this opinion does not address the commercial merits of the demerger nor the underlying decision by the resulting company to proceed with the demerger nor does it constitute a recommendation to any shareholder or creditor of the resulting company as to how such shareholder or creditor should vote with respect to the demerger or any other matter. The ultimate responsibility for the decision to recommend the demerger rests solely with the Board of Directors of TAISPL and Mastek.

<<<<< This space has been left blank intentionally>>>>>

CONCLUSIONS:

The independent valuers have both recommended the following share entitlement ratio for the proposed demerger:

15 (Fifteen) CCPS of Trans American Information Systems Private Limited of INR 10/- each fully paid up shall be issued for every 10,000 (Ten Thousand) equity shares of INR 10 each fully paid up held in Evolutionary Systems Private Limited.

Based on our independent calculation and on consideration of all the relevant factors and circumstances, we believe that the share entitlement ratio mentioned above as recommended by N S KUMAR & CO., Independent Chartered Accountant, having Firm Registration No. 139792W and SMSR & CO. LLP Independent Chartered Accountants, having Firm Registration No. 110592W for the proposed Scheme of Arrangement is fair, from financial point of view, to the shareholders of TAISPL and Mastek.

It should be noted that we have examined only the fairness of the share entitlement ratio of CCPS for the proposed demerger only for the Board of Directors/ Shareholders of Mastek and TAISPL and have not examined any other matter including economic rationale of the transfer per se or accounting and tax matters involved in the proposed demerger.

Yours faithfully,

- (C) Signed addendum prepared by M/s N S KUMAR & CO., Chartered Accountants dated 28 July 2020 and SMSR & CO LLP, Chartered Accountants dated 28 July 2020 to be submitted with NSE and BSE with respect to the clarification sought from Mastek Limited.

1. **Assumptions and Limitations**

We are providing our opinion based on following assumptions and subject to following limitations.

- (A) Our work does not constitute an audit or certification or due diligence of the working results, financial statements, financial estimates or estimates of value to be realized for the assets of Companies. We have solely relied upon the information provided to us by the Management.
- (B) We have relied without independent verification, upon the accuracy and completeness of all of the information that was made available to us or publicly available or was discussed with or reviewed by us and have assumed such accuracy and completeness for the purpose of providing this fairness opinion;
- (C) While we have relied on various assumptions, judgments and estimates of the management of Mastek Ltd., no assurances can be given as to the accuracy of any such assumptions, judgments and estimates;
- (D) We have assumed that all governmental, regulatory, shareholder and other consents and approvals necessary for the issue of shares will be obtained in a timely manner.
- (E) We have not made any independent evaluation or appraisal of the assets and liabilities of the Mastek Ltd and we have not been furnished with any such evaluation.
- (F) We have not conducted any independent legal, tax, accounting, or other analysis of the affairs of Mastek Ltd and we have relied solely upon the details and data made available to us.
- (G) We have not undertaken independent analysis of any potential or actual litigation, regulatory action, possible un-asserted claims, or other contingent liabilities of Mastek Ltd.
- (H) We have not conducted any physical inspection of the properties or facilities of the Company.
- (I) We have assumed that the management of Mastek Ltd has provided all material and accurate information required by us in forming our opinion; and that, no information, which is material and necessary for us to arrive at the opinion about fairness of the price, is omitted to be provided to us.
- (J) Our opinion is necessarily based on financial, economic, market and other conditions and the information made available to us as of the date hereof. It should

be understood that subsequent developments may affect the opinion and that we do not have any obligation to update, revise or reaffirm this opinion.

2. Basis of our Fairness Opinion

Our opinion is based on the Addendum dated 28 July 2020 by M/s N S KUMAR & CO., Chartered Accountant and the Addendum dated 28 July 2020 by M/s SMSR & CO. LLP, Chartered Accountants and the information and explanations along with the details of their computation of fair value of shares of M/s Mastek Ltd based on all three established and accepted approach for valuation of equity shares; viz. market approach, asset approach and income approach. We have solely relied on the data and information furnished and have not extended our enquiry further into the basis of assumptions, forecasts, projections and valuations of assets.

2.1 Market Approach

4.1.1 Valuation In accordance with Regulation 164(5) of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018, which defines:

"frequently traded shares" means the shares of the issuer, in which the traded turnover on any recognised stock exchange during the twelve calendar months preceding the relevant date, is at least ten per cent of the total number of shares of such class of shares of the issuer."

Based on above criteria, the shares of Mastek limited are frequently traded shares on both exchanges –BSE and NSE. Hence pricing methodology is adopted as prescribed in the regulation 164 of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 for frequently traded shares.

4.1.2 Pricing of frequently traded shares

Regulation 164(1) of SEBI (ICDR) Regulations, 2018 state that:

"If the equity shares of the issuer have been listed on a recognised stock exchange for a period of twenty six weeks or more as on the relevant date, the price of the equity shares to be allotted pursuant to the preferential issue shall be not less than higher of the following:

- a. the average of the weekly high and low of the volume weighted average price of the related equity shares quoted on the recognised stock exchange during the twenty six weeks preceding the relevant date; or***
- b. the average of the weekly high and low of the volume weighted average prices of the related equity shares quoted on a recognised stock exchange during the two weeks preceding the relevant date."***

4.1.3 For equity shares of Mastek Limited, the price computed as per Regulation 164(10)(a) & (b) is INR 371.5 and INR 438.4 respectively. The price at which these shares are proposed to be issued is significantly higher at INR 650.0 per equity share which is at a premium of 48.3% to the price arrived at based on the above mentioned formula

2.2 Asset Approach

Based on the provisional consolidated financials of Mastek Ltd as at 31st December, 2019 and the computation provided by M/s N S KUMAR & CO., Chartered Accountants and M/s SMSR CO LLP, Chartered Accountants with their addendum and verified by us, the value per equity share works out to INR. 346.8. The proposed issue price of INR 650/- is at a premium of 87.5% to the fair value computed under the asset approach.

4.3 Income Approach

Under the Income Approach, the equity shares are valued using DCF – Discounted Cash Flow Method. Relying upon the projections provided and assumptions made by the valuers, the value per equity share is INR 590.4 as arrived by M/s N S KUMAR & CO. and INR 570.6 as arrived by M/s SMSR CO LLP respectively. The price of INR 650.0 at which these shares are proposed to be issued is at a premium of 10.1% and 13.9% to the value arrived by M/s N S KUMAR & CO. and M/s SMSR CO LLP respectively under the income approach.

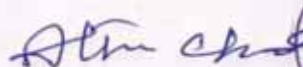

3. Conclusion

Based on our independent calculations under all the three accepted approach to valuation, we are of the opinion that the proposed issue price of INR 650/- at which the 42,35,294 equity shares of Mastek Ltd are proposed to be issued to the shareholders of ESPL (i.e. 4,235,294 fully paid up equity shares of face value of INR 5/- each of Mastek for every 10,000 equity shares of ESPL of face value of INR 10/- each) pursuant to the Scheme of Arrangement is fair to the existing shareholders of Mastek Ltd as the said price of INR 650/- is at a premium of 48.3% compared to fair value as per Market Approach, at a premium of 87.50% as compared to the fair value as per Asset Approach and at a premium of 10.1% and 13.9% as compared to fair value arrived by M/s N S KUMAR & CO. and M/s SMSR & CO LLP respectively as per Income Approach.

In issuing the above opinion, we have not evaluated the other aspects of the transaction detailed in the scheme of arrangement including the fairness of the value of the assets transferred pursuant to the said scheme of arrangement.

Yours faithfully,

Sir,

Sub: Observation letter regarding the Draft Scheme of Arrangement amongst Evolutionary Systems Private Limited (ESPL), Trans American Information Systems Private Limited (TAISPL) and Mastek Limited and their respective shareholders and creditors.

We are in receipt of the Draft Composite Scheme of Arrangement by Mastek Limited filed as required under SEBI Circular No. CFD/DIL3/CIR/2017/21 dated March 10, 2017; SEBI vide its letter dated February 26, 2021 has inter alia given the following comment(s) on the draft Composite Scheme of Arrangement:

- “In view of the Mastek’s letter dated Feb 15, 2021 wherein it has inter alia stated that “we hereby undertake to apply the provisions of Paragraph 1(A)(9)(a) and 1(A)(9)(b) of Annexure 1 of SEBI circular to the proposed Scheme and shall accordingly update the Scheme document to reflect the aforesaid while filing the same with the NCLT”. Accordingly, Company shall ensure that they file updated draft scheme of arrangement before the Hon’ble National Company Law Tribunal (NCLT).”

Also, any approval for listing of shares issued by Mastek through the instant scheme of arrangement shall be subject to compliance with Paragraph 1(A)(9)(a) and 1(A)(9)(b) of Annexure I of SEBI circular.

- “Company shall ensure that they separately and prominently disclose to the shareholders and NCLT via the draft scheme of arrangement documents following information/facts”:

i. To arrive at the entitlement ratio for CCPS, for the purpose of valuation of the demerged business of ESPL and TAISPL only one method (i.e. Income Approach) has been used and other methods such as Market Approach and Asset Approach were not used.

ii. In the draft scheme of arrangement, it has been proposed that Mastek shall issue equity shares in the ratio of 4235.294: 10,000 to ESPL at a price of Rs 650 per share. Details of premium arrived via different valuation approaches is given below:

Approach	Method	Value per share	Premium (%)
Cost Approach	Net Asset Method	346.8	87.5
Income Approach	Discounted Cash Flow Method	590.4	10.1
Market Approach	Market Price Method	438.4	48.3

However, it is observed that share price of Mastek on Feb 25, 2021¹ is Rs 1191.40 which is significantly higher than the price at which shares are being issued to ESPL.

¹ Checked on BSE website between 12:10 to 12:15 PM

iii. “Further, Mastek in the notice to shareholders seeking approval for the scheme shall also disclose the share price of Mastek, as on the date of dispatch of notice to shareholders.”

- **“Company shall ensure that suitable disclosure about the latest financials of the companies involved in the Scheme being not more than 6 months old is done before filing the same with the Hon’ble NCLT.”**
- **“Company shall ensure that the proposed scheme is acted upon only if approved by the NCLT and if the majority votes cast by the public shareholders are in favour of the proposal.”**
- **“Company shall ensure that additional information, if any, submitted by the Company, after filing the Scheme with the Stock Exchange, and from the date of receipt of this letter is displayed on the websites of the listed company and the stock exchanges.”**
- **“Company shall duly comply with various provisions of the Circular.”**
- **“Company is advised that the observations of SEBI/Stock Exchanges shall be incorporated in the petition to be filed before NCLT and the company is obliged to bring the observations to the notice of NCLT.”**
- **“It is to be noted that the petitions are filed by the company before NCLT after processing and communication of comments/observations on draft scheme by SEBI/stock exchange. Hence, the company is not required to send notice for representation as mandated under section 230(5) of Companies Act, 2013 to SEBI again for its comments / observations / representations.”**

Accordingly, based on aforesaid comment offered by SEBI, the company is hereby advised:

- To provide additional information, if any, (as stated above) along with various documents to the Exchange for further dissemination on Exchange website.
- To ensure that additional information, if any, (as stated aforesaid) along with various documents are disseminated on their (company) website.
- To duly comply with various provisions of the circulars.

In light of the above, we hereby advise that we have no adverse observations with limited reference to those matters having a bearing on listing/de-listing/continuous listing requirements within the provisions of Listing Agreement, so as to enable the company to file the scheme with Hon’ble NCLT.

Further, where applicable in the explanatory statement of the notice to be sent by the company to the shareholders, while seeking approval of the scheme, it shall disclose information about unlisted company involved in the format prescribed for abridged prospectus as specified in the circular dated March 10, 2017.

Kindly note that as required under Regulation 37(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the validity of this Observation Letter shall be six months from the date of this Letter, within which the scheme shall be submitted to the NCLT.

The Exchange reserves its right to withdraw its ‘No adverse observation’ at any stage if the information submitted to the Exchange is found to be incomplete / incorrect / misleading / false or for any contravention of Rules, Bye-laws and Regulations of the Exchange, Listing Agreement, Guidelines/Regulations issued by statutory authorities.

Please note that the aforesaid observations does not preclude the Company from complying with any other requirements.

Further, it may be noted that with reference to Section 230 (5) of the Companies Act, 2013 (Act), read with Rule 8 of Companies (Compromises, Arrangements and Amalgamations) Rules 2016 (Company Rules) and Section 66 of the Act read with Rule 3 of the Company Rules wherein pursuant to an Order passed by the Hon'ble National Company Law Tribunal, a Notice of the proposed scheme of compromise or arrangement filed under sections 230-232 or Section 66 of the Companies Act 2013 as the case may be **is required to be served upon the Exchange seeking representations or objections if any.**

In this regard, with a view to have a better transparency in processing the aforesaid notices served upon the Exchange, the Exchange has **already introduced an online system of serving such Notice along with the relevant documents of the proposed schemes through the BSE Listing Centre.**

Any service of notice under Section 230 (5) or Section 66 of the Companies Act 2013 seeking Exchange's representations or objections if any, **would be accepted and processed through the Listing Centre only and no physical filings would be accepted.** You may please refer to circular dated February 26, 2019 issued to the company.

Kind Attn.: Mr. Dinesh Kalani

Dear Sir,

Sub: Observation Letter for Draft Scheme of Arrangement between Evolutionary Systems Private Limited, Trans American Information Systems Private Limited, Mastek Limited and their respective shareholders and creditors

We are in receipt of the Draft Scheme of Arrangement between Evolutionary Systems Private Limited (“ESPL”), Trans American Information Systems Private Limited (“TAISPL”), Mastek Limited (“Mastek”) (“Collectively referred as Resulting Companies”) and their respective shareholders and creditors vide application dated July 01, 2020.

Based on our letter reference no Ref: NSE/LIST/24129 submitted to SEBI and pursuant to SEBI Circular No. CFD/DIL3/CIR/2017/21 dated March 10, 2017 (‘Circular’), kindly find following comments on the draft scheme:

a. *In view of the Mastek’s letter dated February 15, 2021 wherein it has inter alia stated that “we hereby undertake to apply the provisions of Paragraph I(A)(9)(a) and I(A)(9)(b) of Annexure I of SEBI Circular to the proposed Scheme and shall accordingly update the Scheme document to reflect the aforesaid while filing the same with the NCLT”. Accordingly the Company is advised to file updated draft scheme of arrangement before the Hon’ble National Company Law Tribunal (NCLT).*

Also, any approval for listing of shares issued by Mastek through the instant scheme of arrangement shall be subject to compliance with Paragraph I(A)(9)(a) and I(A)(9)(b) of Annexure I of SEBI Circular.

b. *Mastek is advised to disclose separately and prominently to the shareholders and NCLT via the draft scheme of arrangement documents following information/facts:*

i. *To arrive at the entitlement ratio for CCPS, for the purpose of valuation of the demerged business of ESPL and TAISPL only one method (i.e. Income approach) has been used and other methods such as Market Approach and Asset Approach were not used.*

- ii. In the draft scheme of arrangement, it has been proposed that Mastek shall issue equity shares in the ratio of 4235.294: 10,000 to ESPL at a price of Rs. 650 per share. Details of premium arrived via different valuation approaches is given below:

Approach	Method	Value per share	Premium (%)
Cost Approach	Net Asset Method	346.8	87.5
Income Approach	Discounted Cash Flow Method	590.4	10.1
Market Approach	Market Price Method	438.4	48.3

However it is observed that share price of Mastek on Feb 25, 2021 is Rs. 1191.40 which is significantly higher than the price at which shares are being issued to ESPL.

- iii. Further, Mastek in the notice to shareholders seeking approval for the scheme shall also disclose the share price of Mastek, as on the date of dispatch of notice to shareholders.
- c. The Company shall ensure that suitable disclosures about the latest financials of the Companies involved in the Scheme being not more than 6 months old is done before filing the same with the Hon'ble NCLT.
- d. The Company shall ensure that the proposed scheme is acted upon only if approved by the NCLT and if the majority votes cast by the public shareholders are in favour of the proposal.
- e. The Company shall ensure that additional information, if any, submitted by the Company, after filing the scheme with the stock exchange, from the date of receipt of this letter, is displayed on the websites of the listed company.
- f. The Company shall duly comply with various provisions of the Circular.
- g. The Company is advised that the observations of SEBI/Stock Exchanges shall be incorporated in the petition to be filed before NCLT and the company is obliged to bring the observations to the notice of NCLT.
- h. It is to be noted that the petitions are filed by the company before NCLT after processing and communication of comments/observations on draft scheme by SEBI/ stock exchange. Hence, the company is not required to send notice for representation as mandated under section 230(5) of Companies Act, 2013 to SEBI again for its comments/observations/representations.

It is to be noted that the petitions are filed by the company before NCLT after processing and communication of comments/observations on draft scheme by SEBI/ stock exchange. Hence, the company is not required to send notice for representation as mandated under section 230(5) of Companies Act, 2013 to National Stock Exchange of India Limited again for its comments/observations/representations.

Continuation Sheet

Based on the draft scheme and other documents submitted by the Company, including undertaking given in terms of Regulation 11 of SEBI (LODR) Regulations, 2015, we hereby convey our “No-objection” in terms of Regulation 94 of SEBI (LODR) Regulations, 2015, so as to enable the Company to file the draft scheme with NCLT.

However, the Exchange reserves its rights to raise objections at any stage if the information submitted to the Exchange is found to be incomplete/ incorrect/ misleading/ false or for any contravention of Rules, Bye-laws and Regulations of the Exchange, Listing Regulations, Guidelines / Regulations issued by statutory authorities.

1. Scope and Purpose of the Certificate:

SEBI vide Circular no. CFD/DIL3/CIR/2017/21 dated March 10, 2017 (“SEBI Circular”) inter alia prescribed that the listed entity (in the present case “Mastek Limited” (Mastek)) shall include the applicable information pertaining to the unlisted entity involved in the scheme (in the present certificate, “ESPL”) in the format specified for abridged prospectus as provided in Part E of Schedule VI of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (“ICDR Regulations”), in the explanatory statement or notice or proposal accompanying resolution to be passed, sent to the shareholders while seeking

approval of the scheme. SEBI Circular further prescribes that the accuracy and adequacy of such disclosures shall be certified by a SEBI Registered Merchant Banker after following the due diligence process.

This certificate is being issued in compliance of above mentioned requirement under the SEBI Circular.

This certificate is restricted to meet the above mentioned purpose only and may not be used for any other purpose whatsoever or to meet the requirement of any other laws, rules, regulations and statutes.

2. Certification:

We state and confirm as follows:

- 1) We have examined various documents and other materials made available to us by the management of Mastek and ESPL in connection with finalization of Abridged Prospectus dated April 19, 2021 pertaining to ESPL which will be circulated to the members of all the companies i.e. ESPL, TAISPL and Mastek at the time of seeking their consent to the Scheme of Arrangement between ESPL, TAISPL and Mastek as a part of explanatory statement to the notice.
- 2) On the basis of such examination and the discussion with the management of Mastek and ESPL, we confirm that:
 - A. The information contained in the Abridged Prospectus is in conformity with the relevant documents, materials and other papers related to ESPL.
 - B. The Abridged Prospectus contains applicable information pertaining to ESPL as required in terms of SEBI Circular which, in our view is fair, adequate and accurate to enable the members to make an informed decision on the Scheme of Arrangement.

3. Disclaimer:

Our scope of work did not include the following:-

- An audit of the financial statements of ESPL.
- Carrying out a market survey / financial feasibility for the Business of ESPL.
- Financial and Legal due diligence of ESPL.

It may be noted that in carrying out our work we have relied on the integrity of the information provided to us for the purpose, and other than reviewing the consistency of such information, we have not sought to carry out an independent verification, thereof we assume no responsibility and make no representations with respect to the accuracy or completeness of any information provided by the management of ESPL and Mastek.

We do not assume any obligation to update, revise or reaffirm this certificate because of events or transactions occurring subsequent to the date of this certificate.

We understand that the management of ESPL and Mastek, during our discussions with them would have drawn our attention to all such information and matters, which may have impact on our Certificate.

The fee for our services is not contingent upon the result of the Scheme of Arrangement.

The management of ESPL and Mastek or their related parties are prohibited from using this opinion other than for its sole limited purpose and not to make a copy of this certificate available to any party other than those required by statute for carrying out the limited purpose of this certificate.

Our certificate is not, nor should it be constructed as our opinion or certification of the compliance of the Scheme of Arrangement with the provision of any law including Companies Act, taxation laws, capital market laws and related laws.

We express no opinion whatsoever and make no recommendations at all (and accordingly take no responsibility) as to whether shareholders/investors should buy, sell or hold any stake in the Company or any of its related parties (holding companies/subsidiaries/associates etc.)

In no event, KFPL, its Directors and employees will be liable to any party for any indirect, incidental, consequential, special or exemplary damages (even if such party has been advised of the possibility of such damages) arising from any provision of this opinion.

Independent Auditors' Report

To the Members of M/s EVOLUTIONARY SYSTEMS PRIVATE LIMITED

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements of M/s EVOLUTIONARY SYSTEMS PRIVATE LIMITED ("the Company"), which comprise the standalone balance sheet as at March 31, 2020, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting standards (Ind AS) specified under section 133 of the Act, of the state of affairs (financial position) of the Company as at March 31, 2020, and its Profits (financial performance including other comprehensive income), its Cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), Profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the Standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence; and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The standalone Balance Sheet, the standalone Statement of Profit and Loss including other Comprehensive Income, standalone Statement of Changes in Equity and the standalone Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of written representations, received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial control over financial reporting.

g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- I. The Company has disclosed the impact of pending litigations on its financial position in the standalone Ind AS Financial Statements (Refer Note No -33 to the Standalone Ind AS Financial Statements.)
- II. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- III. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure B to the Independent Auditor's Report of Even Date to the Members of M/s EVOLUTIONARY SYSTEMS PRIVATE LIMITED on the Standalone Ind AS Financial Statements for the year ended on 31st March 2020

Independent Auditor's Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the standalone Ind AS financial statements of M/s EVOLUTIONARY SYSTEMS PRIVATE LIMITED ("the Company") as at and for the year ended 31st March 2020, We have audited the internal financial controls over financial reporting of the company as of that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls over financial reporting and the Guidance Note issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

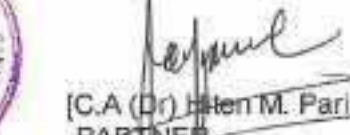

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

NOTES TO STANDALONE FINANCIAL STATEMENTS

A. OVERVIEW

(a) Corporate Information

The Company is a Private Limited Company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The Company is engaged in the business of acting primarily as an implementation partner of a suite of software solutions developed by Oracle Corporation. The Company presently has offices at Ahmedabad (Gujarat).

(b) Basis of preparation of Financial Statements :

The Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

The financial statements have been prepared under the historical cost basis.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Company's management evaluates all recently issued or revised accounting standards on an on-going basis.

The financial statements are presented in Indian Rupees ('INR'). Where changes are made in presentation, the comparative figures of the previous year are regrouped and re-arranged accordingly.

(c) Use of Estimates and Judgements :

The estimates and judgements used in the preparation of financial statements are continuously evaluated by the company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised. The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

NOTES TO STANDALONE FINANCIAL STATEMENTS

(d) Critical Accounting Estimates

(i) Revenue Recognition

The company uses significant judgements while determining the transaction price allocated to performance obligations using the expected costs plus margin approach.

Provisions for the estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contracts estimates at the reporting date.

(ii) Income taxes

In assessing the realizability of deferred income tax assets, the Management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax asset is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. The management considers the schedule reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making the assessment.

(iii) Property Plant and Equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life.

(iv) Non-current assets held for sale

Assets held for sale are measured at the lower of carrying amount or fair value less costs to sell. The determination of fair value less costs to sell includes use of the Management's estimates and assumptions.

(v) Staff end-of-service gratuity

The company computes the provision for the liability to staff end-of-service gratuity assuming that all employees were to leave as of the reporting date. The management is of the opinion that no significant difference would have arisen had the liability been calculated on an actuarial basis as salary inflation and discount rates are likely to have approximately equal and opposite effects.

EVOLUTIONARY SYSTEMS PVT LTD
NOTES TO STANDALONE FINANCIAL STATEMENTS

(vi) Unbilled revenue

Where the outcome of a contract can be estimated reliably, contract revenue and costs are recognized by reference to the stage of completion. The management makes estimates of the cost incurred, to the extent of the revenue recognized and makes provision for unbilled revenue or excess billings on the basis of actual revenue recognized on those contracts. Since the percentage of completion method uses current estimates of contract revenue and expenses, it is normal to encounter changes in estimates of contract revenue and costs.

B. SIGNIFICANT ACCOUNTING POLICIES

1. Property, Plant and Equipment:

- (i) Property, Plant and Equipment are stated at original cost (net of tax / duty credit availed) less accumulated depreciation and impairment losses. Cost includes cost of acquisition, construction and installation, taxes, duties, freight, other incidental expenses related to the acquisition, and pre-operative expenses including attributable borrowing costs incurred during pre-operational period.
- (ii) Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.
- (iii) Assets which are not ready for their intended use on reporting date are carried as capital work-in-progress at cost, comprising direct cost and related incidental expenses.
- (iv) Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Written Down Value (WDV) Method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013
- (v) Property, Plant and Equipment are depreciated and/or amortised on the basis of their useful lives as notified in Schedule II to the Companies Act, 2013. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

EVOLUTIONARY SYSTEMS PVT LTD
NOTES TO STANDALONE FINANCIAL STATEMENTS

- (VI) Depreciation in respect of additions to assets has been charged on pro rata basis with reference to the period when the assets are ready for use.
- (VII) An asset's carrying amount is written down immediately on discontinuation to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Profit/ Loss on Sale and Discard of Fixed Assets.
- (VIII) Useful lives of the Property, Plant and Equipment as notified in Schedule II to the Companies Act, 2013 are as follows :
- Buildings - 30 to 60 years
Plant and Equipments - 15 years
Furniture and Fixtures - 10 years
Vehicles - 8 years
Office Equipments - 5 years
Computers- 3 years
- (IX) At each balance sheet date, the Company reviews the carrying amount of property, plant and equipment to determine whether there is any indication of impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of the net selling price and the value in use, determined by discounting the estimated future cash flows expected from the continuing use of the asset to their present value.

2. INTANGIBLE ASSETS:

- (i) Intangible assets are carried at cost, net of accumulated amortization and impairment loss, if any.
- (ii) Intangible assets are amortised on respectively useful lives on a straight-line method.
- (iii) At each balance sheet date, the Company reviews the carrying amount of intangible assets to determine whether there is any indication of impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of the net selling price and the value in use, determined by discounting the estimated future cash flows expected from the continuing use of the asset to their present value.

EVOLUTIONARY SYSTEMS PVT LTD
NOTES TO STANDALONE FINANCIAL STATEMENTS

3. Investments :

- (i) Investments of the company comprise of long term investments in subsidiaries. Investment in Equity instruments in Subsidiaries are carried at its acquisition Cost.
- (ii) Current investments comprise of Mutual Funds which have been valued at Fair Value as on reporting date and taken through Profit and Loss account.

4. Financial assets:

- i) The Company classifies its financial assets as those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those to be measured at amortised cost.
- ii) Trade receivables represent receivables for goods sold by the Company upto to the end of the financial year. The amounts are generally unsecured and are usually received as per the terms of payment agreed with the customers. The amounts are presented as current assets where receivables due within 12 months from the reporting date.
- iii) Trade receivables are impaired using the lifetime expected credit loss model under simplified approach. The Company uses a matrix to determine the impairment loss allowance based on its historically observed default rates over expected life of trade receivables and is adjusted for forward looking estimates. At every reporting date, the impairment loss allowance is determined and updated and the same is deducted from Trade Receivables with corresponding charge/credit to Profit and Loss.
- iv) A financial asset is derecognized only when the Company has transferred the rights to receive cash flows from the financial asset, or when it has transferred substantially all the risks and rewards of the asset, or when it has transferred the control of the asset.

5. Financial liabilities:

- i) Borrowings are initially recognised and subsequently measured at amortised cost, net of transaction costs incurred. The transaction costs is amortised over the period of borrowings using the effective interest method in Capital Work in Progress upto the commencement of related Plant, Property and Equipment and subsequently under finance costs in profit and loss account.

EVOLUTIONARY SYSTEMS PVT LTD
NOTES TO STANDALONE FINANCIAL STATEMENTS

- ii) Borrowings are removed from balance sheet when the obligation specified in the contract is discharged, cancelled or expired.
- iii) Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.
- iv) Trade Payables represent liabilities for goods and services provided to the Company upto to the end of the financial year. The amounts are unsecured and are usually paid as per the terms of payment agreed with the vendors. The amounts are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially and subsequently measured at amortised cost.
- v) Financial assets and Financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.
- vi) Derivative financial instruments are in the nature of Forward contracts. Forward contracts are executed to hedge the foreign exchange rate with respect to liabilities for goods and services in foreign currencies.
- vii) Derivative financial instruments are recognized initially and subsequently at fair value through mark to market valuation obtained from Forex Advisors. Gain or loss arising from the changes in fairvalue of derivatives are debited to the foreign exchange fluctuations in the statement of profit and loss.

6. Revenue Recognition:

- i) Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products Or services.
- ii) Revenue on time-and-material contracts are recognized as the related services are performed and revenue from the end of the last invoicing to the reporting date is recognized as unbilled revenue.
- iii) Revenue from fixed-price, fixed-timeframe contracts, where the performance obligations are satisfied over time, and where there is no uncertainty as to measurement and collectability of consideration, is recognized as per percentage-of-completion method.
- iv) Where there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved.

EVOLUTIONARY SYSTEMS PVT LTD
NOTES TO STANDALONE FINANCIAL STATEMENTS

- v) Efforts or costs expended have been used to measure progress towards completion as there is direct relationship between input and productivity. Maintenance revenue is recognized ratably over the term of the underlying maintenance arrangement.

7. Employee Benefits:

- i) Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.
- ii) Post Employment and Retirement benefits in the form of Gratuity are considered as defined benefit obligations and is provided for on the basis of third party actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Every Employee who has completed five years or more of service is entitled to Gratuity on terms not less favourable than the provisions of The Payment of Gratuity Act, 1972.
- iii) The present value of the defined benefit obligation is determined by discounting the estimated future cash out flows by reference to market yields at the end of reporting period on government bonds that have terms approximating to the terms of the related obligation.
- iv) Employee benefits in the form of Provident Fund is considered as defined contribution plan and the contributions to Employees' Provident Fund Organization established under The Employees' Provident Fund and Miscellaneous Provisions Act 1952 is charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid.

8. CASH FLOW STATEMENT:

- i) Cash flows are reported using indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generating, financing and investing activities of the Company is segregated.
- ii) Cash and cash equivalents in the balance sheet comprise cash at bank, cash / cheques in hand and short term investments with an original maturity of three months or less.

EVOLUTIONARY SYSTEMS PVT LTD
NOTES TO STANDALONE FINANCIAL STATEMENTS

9. FOREIGN CURRENCY TRANSACTIONS:

- i) The Company's financial statements are presented in Indian Rupees ('INR'), which is also the Company's functional currency.
- ii) Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary items are reported using the closing exchange rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognised as income or expenses in the period in which they arise.
- iii) Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rate at the date when the fair value is determined.

10. BORROWING COSTS:

- i) Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds.
- ii) General and specific borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets during the period of time that is required to complete and prepare the asset for its intended use. A qualifying asset is one that takes necessarily substantial period of time to get ready for its intended use.
- iii) All other borrowing costs are expensed in the period in which they are incurred.

11. ACCOUNTING FOR TAXES ON INCOME:

- i) Tax expenses comprise of current tax and deferred tax including applicable surcharge and cess.
- ii) Current Income tax is computed using the tax effect accounting method, where taxes are accrued in the same period in which the related revenue and expenses arise. A provision is made for income tax annually, based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable.

EVOLUTIONARY SYSTEMS PVT LTD
NOTES TO STANDALONE FINANCIAL STATEMENTS

- iii) Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profits against which the deductible temporary differences, and the carry forward unused tax credits and unused tax losses can be utilised.
- iv) The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognized to the extent that it is become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on the tax rates and tax laws that have been enacted or substantively enacted at the reporting date.
- v) Deferred tax is recognized in the statement of profit and loss, except to the extent that it relates to items recognized in other comprehensive income. As such, deferred tax is also recognized in other comprehensive income.
- vi) Deferred Tax Assets and Deferred Tax Liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the Deferred Tax Assets and Deferred Tax Liabilities relate to taxes on income levied by same governing taxation laws.

12. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:

- i) Provisions are made when (a) the Company has a present legal or constructive obligation as a result of past events; (b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and (c) a reliable estimate is made of the amount of the obligation.
- ii) Contingent liabilities are not provided for but are disclosed by way of Notes on Accounts. Contingent liabilities is disclosed in case of a present obligation from past events (a) when it is not probable that an outflow of resources will be required to settle the obligation; (b) when no reliable estimate is possible; (c) unless the probability of outflow of resources is remote.

EVOLUTIONARY SYSTEMS PVT LTD
NOTES TO STANDALONE FINANCIAL STATEMENTS

- iii) Contingent assets are not accounted but disclosed by way of Notes on Accounts where the inflow of economic benefits is probable.

13. CURRENT AND NON-CURRENT CLASSIFICATION:

- i) The Normal Operating Cycle for the Company has been assumed to be of twelve months for classification of its various assets and liabilities into "Current" and "Non-Current".
- ii) The Company presents assets and liabilities in the balance sheet based on current and non-current classification.
- iii) An asset is current when it is (a) expected to be realised or intended to be sold or consumed in normal operating cycle; (b) held primarily for the purpose of trading; (c) expected to be realised within twelve months after the reporting period; (d) Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.
- iv) An liability is current when (a) it is expected to be settled in normal operating cycle; (b) it is held primarily for the purpose of trading; (c) it is due to be discharged within twelve months after the reporting period; (d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

14. FAIR VALUE MEASUREMENT:

- i) The Company measures financial instruments such as derivatives at fair value at each balance sheet date.
- ii) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.
- iii) The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.
- iv) A fair value measurement of a non- financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

EVOLUTIONARY SYSTEMS PVT LTD
NOTES TO STANDALONE FINANCIAL STATEMENTS

- v) The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.
- vi) The assets and liabilities which has been measured at fair value are, Derivatives and Land.

15. EARNINGS PER SHARE:

- i) Basic earnings (loss) per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.
- ii) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

16. LEASE

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Transition

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on- balance sheet lease accounting model for lessees.

EVOLUTIONARY SYSTEMS PVT LTD
NOTES TO STANDALONE FINANCIAL STATEMENTS

The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 and applied the standard to its leases, retrospectively, with the cumulative effect of initially applying the Standard, recognised on the date of initial application (April 1, 2019). Accordingly, the Company has not restated comparative information.

As a lessee:

Operating leases

For transition, the Company has elected not to apply the requirements of Ind AS 116 to leases which are expiring within 12 months from the date of transition by class of asset and leases for which the underlying asset is of low value on a lease-by-lease basis. The Company has also used the practical expedient provided by the standard when applying Ind AS 116 to leases previously classified as operating leases under Ind AS 17 and therefore, has not reassessed whether a contract, is or contains a lease, at the date of initial application, relied on its assessment of whether leases are onerous, applying Ind AS 37 immediately before the date of initial application as an alternative to performing an impairment review, excluded initial direct costs from measuring the right of use asset at the date of initial application and used hindsight when determining the lease term if the contract contains options to extend or terminate the lease. The Company has used a single discount rate to a portfolio of leases with similar characteristics.

On transition, the Company recognised a lease liability measured at the present value of the remaining lease payments. The right-of-use asset is recognised at its carrying amount as if the standard had been applied since the commencement of the lease, but discounted using the lessee's incremental borrowing rate as at April 1, 2019. Accordingly, a right-of-use asset of Rs 307.47 lakhs and a corresponding lease liability of Rs 307.47 Lakhs has been recognized. The principle portion of the lease payments have been disclosed under cash flow from financing activities. The lease payments for operating leases as per Ind AS 17 - Leases, were earlier reported under cash flow from operating activities.

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-to-use asset, and finance cost for interest accrued on lease liability.

37. Previous year figures have been re-arranged and re-grouped, wherever necessary to make them comparable with those of current year figures.

38. **Defined Contribution Plan:**

Contribution to Defined Contribution Plan, recognized as expense for the year is as under:

(RS.)

	2019-20	2018-19
Employer's Contribution to Provident Fund	1,00,38,906	66,39,332

(i) Defined Contribution Plan: Employee benefits in the form of Provident Fund are considered as defined contribution plan and the contributions to Employees Provident Fund Organization established under The Employees Provident Fund and Miscellaneous Provisions Act 1952 and Employees State Insurance Act, 1948, respectively, are charged to the profit and loss account of the year when the contributions to the respective funds are due.

(ii) Defined Benefit Plan: Retirement benefits in the form of Gratuity are considered as defined benefit obligation and are provided for on the basis of third-party actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet.

Every Employee who has completed five years or more of service is entitled to Gratuity on terms not less favorable than the provisions of The Payment of Gratuity Act, 1972.

As the Company has not funded its liability, it has nothing to disclose regarding plan assets and its reconciliation.

M/S EVOLUTIONARY SYSTEMS PVT LTD
NOTES FORMING PARTS TO STANDALONE FINANCIAL STATEMENTS

(iii) Major risk to the plan

I have outlined the following risks associated with the plan:

A. Interest Rate Risk:

A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.

B. Salary Risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

C. Asset Liability Matching Risk:

The plan faces the ALM risk as to the matching cash flow. Company has to manage pay-out based on pay as you go basis from own funds.

D. Mortality Risk:

Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

39. Financial and derivative instruments

- **Capital Management**

The company's objective when managing capital is to:

- Safeguard its ability to continue as a going concern so that the Company is able to provide maximum return to stakeholders and benefits for other stakeholders.
- Maintain an optimal capital structure to reduce the cost of capital.

The company's Board of directors reviews the capital structure on regular basis. As part of this review the board considers the cost of capital risk associated with each class of capital requirements and maintenance of adequate liquidity.

(ii) Fair Value Measurement

This note provides information about how the Company determines fair values of various financial assets.

M/S EVOLUTIONARY SYSTEMS PVT LTD
NOTES FORMING PARTS TO STANDALONE FINANCIAL STATEMENTS

Fair Value of financial assets and liabilities that are not measured at fair value (but fair value disclosures are required).

Management considers that the carrying amounts of financial assets and financial liabilities recognized in the financial statements approximate their fair values.

(iii) Financial Risk Management Objectives

While ensuring liquidity is sufficient to meet Company's operational requirements, the Company's financial management committee also monitors and manages key financial risks relating to the operations of the Company by analyzing exposures by degree and magnitude of risks. These risks include market risk (including currency risk and price risk), credit risk and liquidity risk.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate, currency risk and other price risk, such as commodity price risk and equity price risk. Financial instruments affected by market risk include FVTPL investments, trade payables, trade receivables, etc.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities. The Company monitors the foreign exchange fluctuations on continuous basis and advises the management of any material adverse effect on the Company.

Interest Rate Risk

The Company's interest rate risk arises from the Long Term Borrowings with fixed rates. The Company's fixed rates borrowings are carried at amortised cost.

M/S EVOLUTIONARY SYSTEMS PVT LTD
NOTES FORMING PARTS TO STANDALONE FINANCIAL STATEMENTS

Liquidity Risk

The Company manages liquidity risk by maintaining sufficient cash and cash equivalents including bank deposits and availability of funding through an adequate amount of committed credit facilities to meet the obligations when due.

Management monitors rolling forecasts of liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, liquidity management also involves projecting cash flows considering level of liquid assets necessary to meet obligations by matching the maturity profiles of financial assets & liabilities and monitoring balance sheet liquidity ratios.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The information included in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

The following are the contractual maturities of non-derivative financial liabilities, based on contractual cash flows:

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables).

Trade Receivables

An impairment analysis is performed at each reporting date on an individual basis for all the customers. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of trade receivables disclosed in Note 6, as the Company does not hold collateral as security. The Company has evaluated the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions.

The Company has a detailed review mechanism of overdue customer receivables at various levels within organisation to ensure proper attention and focus for realisation.

Independent Auditor's Report

To the Members of Trans American Information Systems Private Limited

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of **Trans American Information Systems Private Limited** ('the Company'), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2020, and its profit (including other comprehensive loss), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors is responsible for the other information. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Walker Chandiook & Co LLP

Trans American Information Systems Private Limited Independent Auditor's Report on the Audit of the Financial Statements

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The other information is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

5. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

12. As required by section 197(16) of the Act, based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
13. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
14. Further to our comments in Annexure A as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the financial statements dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with Ind AS specified under section 133 of the Act;
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of section 164(2) of the Act;
 - f) we have also audited the internal financial controls with reference to financial statements of the Company as at 31 March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report as per Annexure B expressed an unmodified opinion; and

Walker Chandiook & Co LLP

Trans American Information Systems Private Limited Independent Auditor's Report on the Audit of the Financial Statements

- g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. the Company does not have any pending litigation which would impact its financial position as at 31 March 2020;
 - ii. the Company has made provision as at 31 March 2020, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2020; and
 - iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these financial statements. Hence, reporting under this clause is not applicable.

Annexure A to the Independent Auditor's Report of even date to the members of Trans American Information Systems Private Limited, on the financial statements for the year ended 31 March 2020

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) All fixed assets have not been physically verified by the management during the year, however, there is a regular program of verification once in three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - (c) The Company does not hold any immovable property (in the nature of 'fixed assets'). Accordingly, the provisions of clause 3(i) (c) of the Order are not applicable.
- (ii) The Company does not have any inventory. Accordingly, the provisions of clause 3(ii) of the Order are not applicable.
- (iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable.
- (iv) In our opinion, the Company has complied with the provisions of Section 186 of the Act in respect of investments, the company has not entered into any other transaction covered under section 185 and 186 of the Act;
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) The Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of Company's services. Accordingly, the provisions of clause 3(vi) of the Order are not applicable.
- (vii) (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, goods and service tax, duty of customs, duty of excise, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.
 - (b) There are no dues in respect of income-tax, sales-tax, service tax, goods and service tax, duty of customs and duty of excise that have not been deposited with the appropriate authorities on account of any dispute.
- (viii) The Company has no loans or borrowings payable to a financial institution or a bank or government and no dues payable to debenture-holders during the year. Accordingly, the provisions of clause 3(viii) of the Order are not applicable.

Walker Chandiook & Co LLP

Trans American Information Systems Private Limited Independent Auditor's Report on the Audit of the Financial Statements

Annexure A (Contd)

- (ix) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments) and did not have any term loans outstanding during the year. Accordingly, the provisions of clause 3(ix) of the Order are not applicable.
- (x) No fraud by the Company or on the company by its officers or employees has been noticed or reported during the period covered by our audit.
- (xi) Managerial remuneration has been paid / provided by the company in accordance with the requisite approvals mandated by the provisions of Section 197 of the Act read with Schedule V to the Act.
- (xii) The Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.
- (xiii) In our opinion, all transactions with the related parties are in compliance with Section 188 of the Act, where applicable, and the requisite details have been disclosed in the financial statements, as required by the applicable Ind AS. Further, in our opinion, the company is not required to constitute audit committee under Section 177 of the Act.
- (xiv) During the year, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures. Accordingly, provisions of clause 3(xiv) of the Order are not applicable.
- (xv) In our opinion, the company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act.
- (xvi) The company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Annexure B to the Independent Auditor's Report of even date to the members of Trans American Information Systems Private Limited on the financial statements for the year ended 31 March 2020

Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of (Trans American Information Systems Limited) ('the Company') as at and for the year ended 31 March 2020, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

2. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
3. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
4. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

5. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Walker Chandio & Co LLP

Trans American Information Systems Private Limited Independent Auditor's Report on the Audit of the Financial Statements

Annexure B (Contd)

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

6. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

7. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2020, based on criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI).

1 Company overview

Trans American Information Systems Private Limited, India, a wholly owned subsidiary of Mastek Limited is a Company with deep rooted capability in providing high skilled resources and end-to-end e-commerce services including strategy, creative design, and implementation and managed services having presence in India and supporting TALSTech US Customers.

2 Basis of Preparation and Presentation

a) Statement of Compliance

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.

These financial statement of the Company as at and for the year ended March 31, 2020 (including Comparatives) were approved and authorized by the Company's board of directors as on September 9, 2020.

All amounts included in financial statements are reported in Indian Rupees (in thousands) except share and per share data and unless otherwise stated and "0" denotes amounts less than one thousand rupees. The Company has decided not to prepare and present its consolidated financial statements by opting to avail the exemption given under Rule 6 of Companies (Accounts) Rules, 2014 (as amended) read with Section 129(3) of the Companies Act, 2013.

b) Basis of Preparation

The financial statements have been prepared on an accrual basis of accounting and the historical cost convention, except for the following material items that have been measured at fair value as required by relevant Ind AS:

- i. Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments);
- ii. Defined benefit and other long-term employee benefits, and
- iii. Derivative financial instruments

All assets and liabilities have been classified as current and non-current as per the company's normal operating cycle. The Company has considered its operating cycle as a period not exceeding 12 months.

c) Use of estimate and judgement

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

(i) *Income taxes:* Significant judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered in connection with uncertain tax positions.

(ii) *Defined benefit plans and compensated absences:* The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(iii) *Property, plant and equipment:* The change in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The useful lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

(iv) *Expected credit losses on financial assets:* On application of Ind AS 109, the impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Company uses judgments in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history of collections, customer's credit-worthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

(v) *Deferred taxes:* Deferred tax is recorded on temporary differences between the tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profits during the periods in which these temporary differences and tax loss carry forwards become deductible. The Company considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. The amount of the deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carryforward period are reduced.

(vi) *Provisions:* Provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement obligation and compensated expenses) are generally not discounted to their present value and are determined based on best estimate required to settle obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(vii) *Leases:* Determining the lease term of contracts with renewal and termination options – Company as lessee

Ind AS 116 requires the lessee to determine the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Company has several lease contracts that include extension and termination options. The Company applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate (e.g., construction of significant leasehold improvements or significant customisation to the leased asset).

When it is reasonably certain to exercise extension option and not to exercise termination option, the Company includes such extended term and ignores termination option in determination of lease term.

The Company cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The Company has taken indicative rates from its bankers and used them for Ind AS 116 calculation purposes.

(iii) *Estimation uncertainties relating to the Pandemic - COVID-19:* The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables and unbilled revenues. The Company also assess the effectiveness of hedge transactions and believes that probability of occurrence of the forecasted transaction is not impacted by the pandemic. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports, related information and economic forecasts. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects that the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

d) Summary of Significant accounting policies

(i) Functional and Presentation Currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates (i.e. the "functional currency"). The financial statements are presented in Indian Rupee (in thousands), the national currency of India, which is the functional currency of the Company.

(ii) Foreign currency transactions and balances

Foreign currency transactions of the Company and of its integral foreign branch are accounted at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities are translated at each reporting date based on the rate prevailing on such date. Gains and losses resulting from the settlement of foreign currency monetary items and from the translation of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of Profit and Loss. Non-monetary assets and liabilities are continued to be carried at rates of initial recognition.

(iii) Financial instruments

A. Initial Recognition and Measurement

The Company recognizes financial assets and liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities that are not recognized at fair value through profit or loss are added to the fair value on initial recognition, transaction costs related to the financial instrument measured at fair value through profit or loss are immediately recognized in statement of profit and loss. Regular purchase and sale of financial assets are recognized on the trade date.

B. Subsequent Measurement

Non-Derivative Financial Instruments

a. Financial Assets Carried at Amortised Cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b. Financial Assets at Fair Value Through Other Comprehensive Income (FVOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c. Financial Assets at Fair Value Through Profit or Loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

d. Financial Liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method.

e. Derivative Instruments

The Company holds derivative financial instruments such as foreign exchange forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is always a bank. These derivative instruments are designated as cash flow hedges.

The hedge accounting is discontinued when the hedging instruments are expired or sold, terminated or no longer qualify for hedge accounting. The cumulative gain/loss on the hedging instruments recognised in hedging reserve till the period hedge was effective remains in cash flow hedging reserve until the forecasted transaction occurs. The cumulative gain/loss previously recognised in the cash flow hedging reserve is transferred to the statement of profit and loss upon the occurrence of related forecasted transactions.

Changes in the fair value of the derivative hedging instrument designated as a cash flow hedge are recognised in other comprehensive income and presented within equity in the cash flow hedging reserve to the extent that the hedge is effective. To the extent that the hedge is ineffective, changes in fair value are recognised in the statement of profit and loss.

C. Derecognition of Financial Instruments

Offsetting of financial instruments: Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(iv) Property, Plant and Equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the Statement of Profit and Loss when the asset is derecognised.

The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The estimated useful lives of assets are as follows:

Category	Useful Life
Computers	2 years
Furniture and fixtures	5 years
Office Equipment	5 years
Leasehold Improvements	5 years or the primary period of lease whichever is less

Depreciation methods, useful lives and residual values are reviewed at each reporting date. Depreciation on addition/disposals is calculated pro-rata from the date of such additions/disposals.

(v) Intangible Assets

Intangibles assets are stated at cost less accumulated amortization and impairment, if any. Intangible assets are amortized pro-rata over their respective estimated useful lives on a straight line method. The estimated useful life reflects the manner in which the economic benefit is expected to be generated from that individual asset.

The estimated useful life of amortizable intangibles are reviewed and where appropriate are adjusted, annually.

The estimated useful lives of the amortizable intangible assets for the current and comparative periods are as follows:

Category	Useful Life
Computer Software	1 - 5 years

(vi) Leases

The Company has applied Ind AS 116 with effect from April 1, 2019 using the modified retrospective approach and therefore the comparative information has not been restated and continues to be reported under Ind AS 17.

As a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i. Right of Use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

ii. Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

iii. Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of laptops, lease-lines and office furniture and equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

The company does not have any leases as a lessor.

vii) Impairment of assets

a. Non Financial Instrument

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognised in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognised for the asset in prior years.

b. Financial instrument

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(viii) Employee Benefits

A. Long Term Employee Benefits

(a) Defined Contribution Plan

The Company has defined contribution plans for post employment benefits in the form of provident fund and employees' state insurance which are administered through Government of India. Under the defined contribution plans, the Company has no further obligation beyond making the contributions. Such contributions are charged to the Statement of Profit and Loss as in the year during which the employee renders the services.

(b) Defined Benefit Plan

The Company has defined benefit plans for post employment benefits in the form of gratuity for its employees in India. The gratuity scheme of the Company is administered through Life Insurance Corporation of India (LIC). Liability for defined benefit plans is provided on the basis of actuarial valuations, as at the Balance Sheet date, carried out by an independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the projected unit credit method.

Actuarial gains or losses are recognized in other comprehensive income. Further, the profit or loss does not include an expected return on plan assets. Instead net interest recognized in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognized as part of re-measurement of net defined liability or asset through other comprehensive income. Remeasurements comprising of actuarial gains or losses and return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are not reclassified to statement of profit and loss in subsequent periods.

(c) Other long-term employee benefits

The employees of the Company are also entitled for other long-term benefit in the form of compensated absences as per the policy of the Company. Further, at the time of retirement, death while in employment or on termination of employment leave encashment vests equivalent to salary payable for number of days of accumulated leave balance. Liability for such benefits is provided on the basis of actuarial valuations, as at the Balance Sheet date, carried out by an independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the projected unit credit method.

B) Short-term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised in the year during which the employee rendered the services. These benefits comprise compensated absences such as paid annual leave and performance incentives.

Termination benefits, in the nature of voluntary retirement benefits or those arising from restructuring, are recognised in the Statement of Profit and Loss

(ix) Provisions & Contingent Liabilities

Provisions are recognised when the Company has a present obligation as a result of past events, for which it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made. A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Provisions are reviewed regularly and are adjusted where necessary to reflect the current best estimates of the obligation. Where the Company expects a provision to be reimbursed, the reimbursement is recognised as a separate asset, only when such reimbursement is virtually certain.

(x) Revenue Recognition

The Company derives revenue primarily from Information Technology services which includes IT Outsourcing services, support and maintenance services. The Company recognises revenue over time of period of contract on transfer of control of deliverables (solutions and services) to its customers in an amount reflecting the consideration to which the Company expects to be entitled. To recognise revenues, Company applies the following five step approach: (1) identify the contract with a customer, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligations in the contract, and (5) recognise revenues when a performance obligation is satisfied.

Company accounts for a contract when it has approval and commitment from all parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable.

Fixed Price contracts related to Application development, consulting and other services are single performance obligation or a stand-ready performance obligation, which in either case is comprised of a series of distinct services that are substantially the same and have the same pattern of transfer to the customer (i.e. distinct days or months of service). Revenues relating to time and material contracts are recognized as the related services are rendered.

IT support and maintenance-

Contracts related to maintenance and support services are either fixed price or time and material. In these contracts, the performance obligations are satisfied, and revenues are recognised, over time as the services are provided. Revenue from maintenance contracts is recognised ratably over the period of the contract because the Company transfers the control evenly by providing standard services.

The term of the maintenance contract is usually one year. Renewals of maintenance contracts create new performance obligations that are satisfied over the term with the revenues recognised ratably over the term.

Contracts may include incentives, service penalties and rewards. The Company includes an estimate of the amount it expects to receive for the total transaction price if it is probable that a significant reversal of cumulative revenue recognised will not occur when the uncertainty associated with the variable consideration is resolved.

Any modification or change in existing performance obligations is assessed whether the services is adding to the existing contracts or not. The distinct services are accounted for as a new contract and services which are not distinct are accounted for on a cumulative catch-up basis.

Trade Receivable, net is primarily comprised of billed and unbilled receivables (i.e. only the passage of time is required before payment is due) for which the company has an unconditional right to consideration, net of an allowance for doubtful accounts. A contract asset is a right to consideration that is conditional upon factors other than the passage of time. Contract liabilities consist of advance payments and billings in excess of revenues recognised.

The difference between opening and closing balance of the contract assets and liabilities results from the timing differences between the performances obligation and customer payment.

Cost to fulfill the contracts- Recurring operating costs for contracts with customers are recognised as incurred. Revenue recognition excludes any government taxes but includes reimbursement of out of pocket expenses.

The Company has evaluated the impact of COVID-19 resulting from (i) the possibility of constraints to render services which may require revision of estimations of costs to complete the contract because of additional efforts;(ii) onerous obligations;(iii) penalties relating to breaches of service-level agreements, and (iv) termination or deferral of contracts by customers. The Company has concluded that the impact of COVID-19 is not material based on these estimates. Due to the nature of the pandemic, the Company will continue to monitor developments to identify significant uncertainties relating to revenue in future periods.

(xi) Income Tax

Tax expense for the year comprises of current tax and deferred tax. Current tax is measured by the amount of tax expected to be paid to the taxation authorities on the taxable profits after considering tax allowances and exemptions and using applicable tax rates and laws. Deferred tax is recognised on timing differences between the accounting base and the taxable income for the year and quantified using the tax rates and tax laws enacted or substantively enacted as on the Balance Sheet date.

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax asset is recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred income tax liabilities are recognized for all taxable temporary differences. Current tax and deferred tax assets and liabilities are offset when there is a legally enforceable right to set off the recognised amount and there is an intention to settle the asset and liability on a net basis.

(₹ in thousands, unless otherwise stated)

(xii) Other Income

Other income comprises interest income on deposits, gains / (losses) on disposal of investments except investments fair value through OCI. Interest income is recognized using the effective interest method.

(xiii) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity Shareholders of the Company by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity Shareholders of the Company and the weighted average number of shares outstanding during the period, are adjusted for the effects of all dilutive potential equity shares.

(xiv) Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks and other short term highly liquid investments with original maturities of three months or less.

(xv) Finance costs

Finance costs comprises of interest cost on present value of lease payments, gain or losses arising on re-measurement of financial assets at FVTPL, gains/ (losses) on translation or settlement of foreign currency borrowings and changes in fair value and gains/ (losses) on settlement of related derivative instruments. Finance costs that are not directly attributable to a qualifying asset are recognized in the statement of profit and loss using the effective interest method.

(xvi) Exceptional items

When items of income and expense within statement of profit and loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the company for the period, the nature and amount of such material items are disclosed separately as exceptional items.

(xvii) Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

27 Financial Risk Management

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's management oversees the management of these risk and formulates the policies, the Board of Directors reviews and approves policies for managing each of these risks, which are summarized below:

Market Risk: Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market prices. The primary market risk to the Company is foreign exchange risk.

Foreign Currency Risk

The Company's exposure to risk of change in foreign currencies exchange rates arising from foreign currency transactions, is primarily with respect to the currencies which are not fixed. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the functional currency of the company. The Company uses derivative financial instruments to mitigate foreign exchange related risk exposures. The counter parties of these derivative instruments are primarily a bank. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivative for speculative purposes may be undertaken.

These derivative financial instruments are forward contracts and are qualified for cash flow hedge accounting when the instrument is designated for hedge. Company has designated major portion of derivative instruments as cash flow hedges to mitigate the foreign exchange exposure of forecasted highly probable cash flows.

The following table presents the aggregate contracted principal amounts of the Company's derivative contracts outstanding:

As at March 31, 2020 and March 31, 2019, respectively, every 1% increase/decrease of the respective foreign currencies compared to functional currency of the Company would impact results by approximately ₹ 161 and ₹ 667 respectively.

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment and accordingly the Company's accounts for the expected credit loss. There is only one customer which contributes 95% of total revenue for the year ended March 31, 2020 (100%, March 31, 2019) and also contributes for more than 10% of total accounts receivables aggregating 93% as at March 31, 2020 (100% as at March 31, 2019).

Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due. Also, the Company has unutilized credit limits with banks. The Company's corporate treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. The management monitors the Company's net liquidation through rolling forecast on the basis of expected cash flows.

The liquidity position of the Company is given below

28 Capital Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value. The capital structure is as follows:

Particulars	As At	
	March 31, 2020	March 31, 2019
Total Equity Attributable to the Equity Share Holders of Company	181,806	159,124
As percentage of total Capital	100%	100%
Current Loan and Borrowing	-	-
Non Current Loan and Borrowing	-	-
Total Loan and Borrowing	-	-
As a percentage of total Capital	0.00%	0.00%
Total Capital(Borrowing and Equity)	181,806	159,124

The Company is predominantly equity financed which is evident from capital structure table. Further, the Company has always been a net cash company with cash and bank balances along with current financial assets which is predominantly investment in liquid fund.

29 Leases

The Company has adopted Ind AS 116 'Leases' with effect from April 1, 2019, using the modified retrospective approach. However, comparative period amounts are not adjusted and continue to be reported in accordance with previous year's accounting policy except where indicated otherwise. Right of use assets at April 1, 2019 for leases previously classified as operating leases were recognised and measured at an amount equal to lease liability (adjusted for any related prepayments/accruals). Thus on the date of transition, the company has created right-of-use asset of ₹. 27,553 and lease liability of equal amount, and there is no impact on opening balance of retained earnings for the current year. The Company elected to use the transition practical expedient to not reassess whether a contract is, or contains, a lease at April 1, 2019. Instead, the Company applied the standard only to contracts that were previously identified as leases applying Ind AS 17 at the date of initial application. The Company also elected to use the recognition exemptions for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option (short term leases), and lease contracts for which the underlying asset is of low value (low-value assets).

Company as lessee

The Company's leased assets primarily consist of leases for office premises, guest houses, laptops, lease lines, furniture and equipment. Leases of office premises and guest houses generally have lease term between 2 to 3 years. The Company has applied low value exemption for leases of laptop, lease lines, furniture and equipment and accordingly, these are excluded from Ind AS 116, at present.

i) Set out below are the carrying amounts of right-of-use assets recognised and the movements during the year:

Particulars	Buildings	Total
As at April 1, 2019	-	-
Additions	27,553	27,553
Depreciation expenses	(12,865)	(12,865)
As at March 31, 2020	14,688	14,688

ii) Set out below are the carrying amounts of lease liabilities (included under financial liabilities) and the movements during the year:

Particulars	Year ended March 31, 2020
As at April 1, 2019	27,553
Additions	2,356
Accretion of interest	(14,119)
Payments	15,790
As at 31 March 2020	9,463
Current	6,327
Non-current	-

The contractual maturity analysis of lease liabilities (includes amount not falling under Ind AS 116) are disclosed herein on an undiscounted basis:

Particulars	Amount
Less than one year	12,333
More than one year less than 5 years	7,540
More than 5 years	-

The effective interest rate for lease liabilities is 11%

iii) The following are the amounts recognised in statement of profit and loss:

Particulars	Year ended March 31, 2020
Depreciation expense of right-of-use assets	12,865
Interest expense on lease liabilities	2,356
Expense relating to short-term leases (included in other expenses)*	714
Expense relating to leases of low-value assets (included in other expenses)	1,648
Total amount recognised in statement of profit and loss	17,583

*These includes rent due to fair valuation of security deposits amounting to INR 638.

The Company had total cash outflows for leases of INR 15,843 in FY 2019-20 (INR 16,073 in FY 2018-19)

There are several lease agreements with extension and termination options, management exercises significant judgement in determining whether these extension and termination options are reasonably certain to be exercised. Since it is reasonably certain to exercise extension option and not to exercise termination option, the Company has opted to include such extended term and ignore termination option in determination of lease term.

32 Note on acquisition

During the year, the Company acquired control over the overseas business of Evolutionary Systems Private Limited (ESPL) including investments in certain specified subsidiaries of ESPL. The Company and its Holding Company Mastek Limited (the parties) entered into a Demerger Co-operation Agreement (DCA) and Shareholders Agreement on February 8, 2020 (DCA acquisition) with the shareholders of ESPL. The manner of the acquisition of legal ownership, is decided to be achieved through a demerger scheme filed before the National Company Law Tribunal (NCLT) ("the Scheme"), or, as per DCA between the parties and the shareholders of Evosys, the parties shall complete this transaction with the same economic effect, by an alternate arrangement within the period specified in the DCA. The DCA gives the Company the right to appoint majority of the board of directors in ESPL and its subsidiaries and also provides for the relevant activities of ESPL and its subsidiaries to be decided by a majority vote of such board of directors, thereby resulting in transfer of control of business of ESPL and its subsidiaries to the Company. The transfer of legal title of such business undertaking shall be completed in financial year 2020-21. The date of acquisition of business undertaking for the purposes of Ind AS 103 is the date of transfer of control to the Company, i.e. February 8, 2020. Discharge of consideration through demerger will be done through issue of 4,235,294 equity shares of Mastek Limited (face value Rs. 5 each) and balance through 15,000 Compulsorily Convertible Preference Shares (CCPS), (face value of Rs. 10 each) of the Company for every 10,000 equity shares of ESPL of face value of Rs. 10 each. The CCPS to be issued subject to regulatory approval, carries a Put Option which can be exercised by the holders of such CCPS at agreed EBIDTA multiples over the next 4 years. Pending completion of legal acquisition, this transaction has been disclosed in the financial statements and will be given effect on receiving NCLT approval or on executing the alternate arrangement in accordance with the DCA. Accordingly, the CCPS which are proposed to be issued have not been considered for calculating the earnings per share both basic and diluted.

33 Covid-19 Assessment

The Company has assessed the impact of Covid-19 Pandemic on its operations as well as financial reporting process, including but not limited to the areas of financial controls, credit risk, effectiveness of hedge relationship, goodwill, impairment of financial and non-financial assets, and Cyber security pertaining to the remote access of information for the year ended March 31, 2020 and up to the date of approval of financial statements. While assessing the impact, Company has considered all internal and external sources of information like industry reports, economic forecast, credit reports and company's business forecast basis the global economic consensus. Company expects to recover the carrying amount of its assets and retain effectiveness of its hedge transactions. Further, there have been no material changes in the financial control/process followed by the company. However, the impact of COVID-19 may be different from that estimated as on the date of approval of these financial statements and the Company will continue to closely monitor any material changes to the business due to future economic conditions.

Independent Auditor's Report

To the Members of Mastek Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of **Mastek Limited** ('the Company'), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2020, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5. We have determined the matter described below to be the key audit matter to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
<p>Revenue from contracts with customers (Refer notes 2d(xi) and 15 to the accompanying standalone financial statements)</p> <p>Revenue is recognised basis the terms of each contract with customers wherein certain commercial arrangements involve complexity and significant judgments relating to identification of distinct performance obligations, determination of transaction price of identified performance obligation and the appropriateness of basis used to measure revenue recognized over the time period is applied in selecting the accounting basis in each case.</p> <p>We identified revenue of the Company as a key audit matter in the audit of standalone financial statements of current year because of the significant judgement/estimates used in accounting of revenue contracts.</p>	<p>Our responses</p> <p>Our audit procedures relating to revenue recognition included, but were not limited to the following:</p> <ul style="list-style-type: none"> ▪ Evaluated the design and operating effectiveness of internal controls relating to the revenue recognition of the Company. ▪ Selected samples from all streams of contracts and performed detailed analysis on recognition of revenue as per the requirement of Ind AS 115, Revenue from contracts with customers which involved testing of inputs to revenue recognition including estimates used. ▪ Evaluated appropriateness and adequacy of disclosures made in the standalone financial statements with respect to revenue in accordance with the requirements of applicable accounting standards.

Information other than the Standalone Financial Statements and Auditor's Report thereon

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Mastek Limited

Independent Auditor's Report on the Audit of the Standalone Financial Statements

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

Mastek Limited

Independent Auditor's Report on the Audit of the Standalone Financial Statements

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by section 197(16) of the Act, based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
16. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
17. Further to our comments in Annexure A, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of section 164(2) of the Act;

Walker Chandiook & Co LLP

Mastek Limited

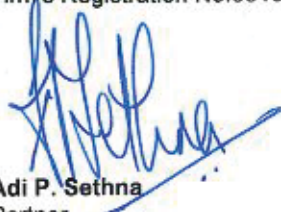

Independent Auditor's Report on the Audit of the Standalone Financial Statements

- f) we have also audited the internal financial controls with reference to standalone financial statements of the Company as on 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report as per Annexure B expressed an unmodified opinion; and
- g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. the standalone financial statements, disclose the impact of pending litigations on the Company's financial position as at 31 March 2020;
 - ii. the Company has made provision as at 31 March 2020, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2020; and
 - iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these standalone financial statements. Hence, reporting under this clause is not applicable.

Mastek Limited

Independent Auditor's Report on the Audit of the Standalone Financial Statements

Annexure A to the Independent Auditor's Report of even date to the members of Mastek Limited, on the standalone financial statements for the year ended 31 March 2020

Based on the audit procedures performed for the purpose of reporting a true and fair view on the standalone financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full, including quantitative details and situation of fixed assets.
 - (b) All fixed assets have not been physically verified by the management during the year, however, there is a regular program of verification once in three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - (c) The title deeds of all the immovable properties are held in the name of the Company.
- (ii) The Company does not have any inventory. Accordingly, the provisions of clause 3(ii) of the Order are not applicable.
- (iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable.
- (iv) In our opinion, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of investments, guarantees and security. The Company did not give any loans during the year.
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) The Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of Company's services. Accordingly, the provisions of clause 3(vi) of the Order are not applicable.
- (vii)(a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.

This space has been intentionally left blank.

Annexure A (Contd)

(b) The dues outstanding in respect of income-tax, sales-tax and value added tax on account of any dispute, are as follows:

Mastek Limited

Independent Auditor's Report on the Audit of the Standalone Financial Statements

Annexure B to the Independent Auditor's Report of even date to the members of Mastek Limited on the standalone financial statements for the year ended 31 March 2020

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of Mastek Limited ('the Company') as at and for the year ended 31 March 2020, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with reference to Standalone Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

6. A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions

Mastek Limited

Independent Auditor's Report on the Audit of the Standalone Financial Statements

Annexure B (Contd)

and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

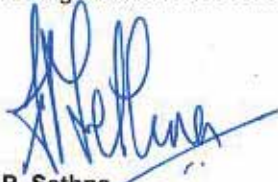

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such controls were operating effectively as at 31 March 2020, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

1 Company overview

Mastek Limited (the 'Company') is a public limited company domiciled in India and is listed on the Bombay Stock Exchange (BSE) and National Stock Exchange (NSE). The Company is a provider of vertically-focused enterprise technology solutions.

The Company's offering portfolio includes business and technology services comprising of Application Development, Application Maintenance, Business Intelligence and Data Warehousing, Testing & Assurance and Legacy Modernisation. The Company carries out its operations in India and has its software development centres in India at Mumbai, Pune, Chennai and Mahape.

2 Basis of Preparation and Presentation

a. Statement of Compliance

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016, as applicable.

These standalone financial statements of the Company as at and for the year ended March 31, 2020 were approved and authorized by the Company's board of directors as on June 14, 2020.

All amounts included in the financial statements are reported in Indian rupees (in lakhs) except share and per share data, unless otherwise stated and "0" denotes amounts less than one lakh rupees.

b. Basis of Preparation

The financial statements have been prepared on a historical cost convention and on an accrual basis, except for the following material items that have been measured at fair value as required by relevant Ind AS:

- i. Derivative financial instruments;
- ii. Certain financial assets and liabilities measured at fair value (refer accounting policy on financial instruments);
- iii. Share based payment transactions and
- iv. Defined benefit and other long-term employee benefits

All the assets and liabilities have been classified as current and non-current as per the company's normal operating cycle which does not exceed 12 months.

c. Use of estimate and judgement

The preparation of standalone financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the standalone financial statements is included in the following notes:

(i) *Revenue recognition:* The Company applies the percentage of completion method in accounting for its fixed price contracts. Use of the percentage of completion method requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date.

(ii) *Income taxes:* Significant judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered in connection with uncertain tax positions.

(iii) *Defined benefit plans and compensated absences:* The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(iv) *Property, plant and equipment:* Property, plant and equipment represents a significant proportion of the asset base of the Company. The change in respect of periodic depreciation is derived after determining an estimate of an assets expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

(v) *Expected credit losses on financial assets:* On application of Ind AS 109, the impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection. The Company uses judgments in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history of collections, customer's credit-worthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

(vi) *Deferred taxes:* Deferred tax is recorded on temporary differences between the tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profits during the periods in which those temporary differences and tax loss carry forwards become deductible. The Company considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. The amount of the deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carryforward period are reduced.

(vii) *Provisions:* Provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions (excluding retirement obligation and compensated expenses) are not discounted to its present value and are determined based on best estimate required to settle obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

(viii) *Share-based payments:* At the Grant date, fair value of options granted to employees is recognised as employee expense, with corresponding increase in equity, over the period that the employee become unconditionally entitled to the option. The increase in equity recognised in connection with share based payment transaction is presented as a separate component in equity under "share option outstanding account". The amount recognised as expense is adjusted to reflect the impact of the revision in estimates based on number of options that are expected to vest, in the statement of profit and loss with a corresponding adjustment to equity.

(ix) *Leases:* Determining the lease term of contracts with renewal and termination options – Company as lessee
Ind AS 116 requires the lessee to determine the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

The Company has several lease contracts that include extension and termination options. The Company applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate (e.g., construction of significant leasehold improvements or significant customisation to the leased asset). When it is reasonably certain to exercise extension option and not to exercise termination option, the Company includes such extended term and ignore termination option in determination of lease term.

The Company cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The Company has taken indicative rates from its bankers and used them for Ind AS 116 calculation purposes.

(x) *Estimation uncertainties relating to the Pandemic - COVID-19:* The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues and investment in subsidiaries. The Company also assess the effectiveness of hedge transactions and believes that probability of occurrence of the forecasted transaction is not impacted by the pandemic. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information including credit reports, related information and economic forecasts. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects that the carrying amount of these assets will be recovered. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

d. Summary of Significant accounting policies

(i) Functional and Presentation Currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates (i.e. the "functional currency"). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

(ii) Foreign currency transactions and balances

Foreign currency transactions of the Company and of its integral foreign branch are accounted at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities are translated at each reporting date based on the rate prevailing on such date. Gains and losses resulting from the settlement of foreign currency monetary items and from the translation of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of Profit and Loss. Non-monetary assets and liabilities are continued to be carried at rates of initial recognition.

(iii) Financial instruments

A. Initial Recognition and Measurement

The Company recognises financial assets and liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognised at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and liabilities that are not measured at fair value through profit or loss are added to the fair value on initial recognition. Regular purchase and sale of financial assets are recognised on the trade date.

B. Subsequent Measurement

1. Non-Derivative Financial Instruments

a. Financial Assets Carried at Amortised Cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b. Financial Assets at Fair Value Through Other Comprehensive Income (FVOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company has made an irrevocable election to present subsequent change in the fair value of certain mutual funds in Other Comprehensive Income.

c. Financial Assets at Fair Value Through Profit or Loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

d. Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

e. Derivative Instruments

The Company holds derivative financial instruments such as foreign exchange forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank. These derivative instruments are designated as cash flow hedges.

The Hedge accounting is discontinued when the hedging instrument are expired or sold, terminated or no longer qualifies for hedge accounting. The cumulative gain/loss on the hedging instruments recognised in hedging reserve till the period hedge was effective remains in cash flow hedging reserve until the forecasted transaction occur. The cumulative gain/loss previously recognised in the cash flow hedging reserve is transferred to the statement of profit and loss upon the occurrence of related forecasted transactions.

Changes in the fair value of the derivative hedging instrument designated as a cash flow hedge are recognised in other comprehensive income and presented within equity in the cash flow hedging reserve to the extent that the hedge is effective. To the extent that the hedge is ineffective, changes in fair value are recognised in the statement of profit and loss.

C. Derecognition of Financial Instruments

The Company derecognises a financial asset when the contractual right to receive the cash flows from the financial asset expire or it transfers the financial asset.

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires.

Offsetting of financial instruments: Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(iv) Property, Plant and Equipment (PPE)

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalised until the property, plant and equipment are ready for use, as intended by management.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the Statement of Profit or Loss when the asset is derecognised.

The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The estimated useful lives of assets are as follows:

Category	Useful Life
Building	25 - 30 years
Computers	2 - 4 years
Plant and equipment	2 - 5 years
Furniture and fixtures	5 years
Office equipment	5 years
Vehicles	4 - 5 years
Leasehold improvement	5 years or the primary period of lease whichever is less
Leasehold land	Lease Term ranging from 95-99 years

Depreciation methods, useful lives and residual values are reviewed at each reporting date. Depreciation on addition/disposals is calculated pro-rata from the date of such additions/disposals.

(v) Intangible assets

Intangible assets are stated at cost less accumulated amortisation and impairment, if any. Intangible assets are amortised over their respective estimated useful lives on a straight line method. The estimated useful life reflects the manner in which the economic benefit is expected to be generated from that individual intangible asset.

The estimated useful life of amortisable intangibles are reviewed and where appropriate are adjusted, annually.

The estimated useful lives of the amortisable intangible assets for the current and comparative periods are as follows:

Category	Useful Life
Computer Software	1 - 5 years

(vi) Leases

The Company has applied Ind AS 116 with effect from April 1, 2019 using the modified retrospective approach and therefore the comparative information has not been restated and continues to be reported under Ind AS 17.

As a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i. Right of Use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

ii. Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of laptops, lease-lines and office furniture and equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

As a lessor:

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

(vii) Impairment of Assets

a. Non Financial Instrument

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognised in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortisation or depreciation) had no impairment loss been recognised for the asset in prior years.

b. Financial instrument

The Company recognise loss allowances using the expected credit loss (ECL) model for financial assets. Loss allowances for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(viii) Employee benefits

A. Long Term employee benefits

(a) Defined contribution plan

The Company has defined contribution plans for post employment benefits in the form of provident fund, employees' state insurance, labour welfare fund and superannuation fund in India which are administered through Government of India and/or Life Insurance Corporation of India (LIC). Under the defined contribution plans, the Company has no further obligation beyond making the contributions. Such contributions are charged to the Statement of Profit and Loss as incurred.

(b) Defined Benefit Plan

The Company has defined benefit plans for post employment benefits in the form of gratuity for its employees in India. The gratuity scheme of the Company is administered through Life Insurance Corporation of India (LIC). Liability for defined benefit plans is provided on the basis of actuarial valuations, as at the Balance Sheet date, carried out by an independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the projected unit credit method.

Actuarial gains or losses are recognised in other comprehensive income. Further, the profit or loss does not include an expected return on plan assets. Instead net interest recognised in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognised as part of re-measurement of net defined liability or asset through other comprehensive income. Remeasurements comprising of actuarial gains or losses and return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are not reclassified to profit or loss in subsequent periods.

(c) Other long term employee benefits

The employees of the Company are also entitled for other long-term benefit in the form of compensated absences as per the policy of the Company. Employees are entitled to accumulate leave balance up to the upper limit as per the Company's policies which can be carried forward perpetually. Leave encashment for employees gets triggered on an annual basis, if the accumulated leave balance exceeds the upper limit of leave. Further, at the time of retirement, death while in employment or on termination of employment leave encashment vests equivalent to salary payable for number of days of accumulated leave balance. Liability for such benefits is provided on the basis of actuarial valuations, as at the Balance Sheet date, carried out by an independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the projected unit credit method.

B) Short-term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees is recognised in the year during which the employee rendered the services. These benefits comprise compensated absences such as paid annual leave and performance incentives.

C) Termination benefits

Termination benefits, including those in the nature of voluntary retirement benefits or those arising from restructuring, are recognised in the Statement of Profit and Loss when the Company has a present obligation as a result of past event, when a reliable estimate can be made of the amount of the obligation and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligations.

(ix) Share based payments

The Company determines the compensation cost based on the fair value method in accordance with Ind AS 102 Share Based Payment. The Company grants options to its employees which will be vested in a graded manner and are to be exercised within a specified period. The compensation cost is amortised on a graded basis over the vesting period. The share based compensation expense is determined based on the Company's estimate of equity instrument that will eventually vest.

The amounts recognised in "share options outstanding account" are transferred to share capital and securities premium upon exercise of stock options by employees. Where employee stock options lapse after vesting, an amount equivalent to the cumulative cost for the lapsed option is transferred from "Share option outstanding account" to retained earnings.

(x) Provisions & Contingent Liabilities

Provisions are recognised when the Company has a present obligation as a result of past events, for which it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made. A disclosure for a contingent liability is made where there is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Provisions are reviewed regularly and are adjusted where necessary to reflect the current best estimates of the obligation. Where the Company expects a provision to be reimbursed, the reimbursement is recognised as a separate asset, only when such reimbursement is virtually certain.

(xi) Revenue recognition

The Company derives revenue primarily from Information Technology services which includes IT Outsourcing services, support and maintenance services. The Company recognises revenue over time of period of contract on transfer of control of deliverables (solutions and services) to its customers in an amount reflecting the consideration to which the Company expects to be entitled. To recognise revenues, Company applies the following five step approach: (1) identify the contract with a customer, (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligations in the contract, and (5) recognise revenues when a performance obligation is satisfied.

Company accounts for a contract when it has approval and commitment from all parties, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable.

[Handwritten signatures]

Fixed Price contracts related to Application development, consulting and other services are single performance obligation or a stand-ready performance obligation, which in either case is comprised of a series of distinct services that are substantially the same and have the same pattern of transfer to the customer (i.e. distinct days or months of service). Revenue is recognised in accordance with the methods prescribed for measuring progress i.e. percentage of completion method. Percentage of completion is determined based on project costs incurred to date as a percentage of total estimated project costs required to complete the project. The cost expended (or input) method has been used to measure progress towards completion as there is a direct relationship between input and productivity. Revenues relating to time and material contracts are recognised as the related services are rendered.

Multiple element arrangements-

In contracts with multiple performance obligations, Company accounts for individual performance obligations separately if they are distinct and allocate the transaction price to each performance obligation based on its relative standalone selling price out of total consideration of the contract. Standalone selling price is determined utilizing observable prices to the extent available. If the standalone selling price for a performance obligation is not directly observable, Company uses expected cost plus margin approach.

IT support and maintenance-

Contracts related to maintenance and support services are either fixed price or time and material. In these contracts, the performance obligations are satisfied, and revenues are recognised, over time as the services are provided. Revenue from maintenance contracts is recognised ratably over the period of the contract because the Company transfers the control evenly by providing standard services.

The term of the maintenance contract is usually one year. Renewals of maintenance contracts create new performance obligations that are satisfied over the term with the revenues recognised ratably over the term.

Contracts may include incentives, service penalties and rewards. The Company includes an estimate of the amount it expects to receive for the total transaction price if it is probable that a significant reversal of cumulative revenue recognised will not occur when the uncertainty associated with the variable consideration is resolved.

Any modification or change in existing performance obligations is assessed whether the services is added to the existing contracts or not. The distinct services are accounted for as a new contract and services which are not distinct are accounted for on a cumulative catch-up basis.

Trade Receivable, net is primarily comprised of billed and unbilled receivables (i.e. only the passage of time is required before payment is due) for which the company has an unconditional right to consideration, net of an allowance for doubtful accounts. A contract asset is a right to consideration that is conditional upon factors other than the passage of time. Contract assets are presented in "Other current assets" in the financial statements and primarily relate to unbilled amounts on fixed-price contracts utilizing the cost to cost method i.e. percentage of completion method (POCCM) of revenue recognition. Contract liabilities consist of advance payments and billings in excess of revenues recognised.

The difference between opening and closing balance of the contract assets and liabilities results from the timing differences between the performance obligation and customer payment.

Cost to fulfill the contracts- Recurring operating costs for contracts with customers are recognised as incurred. Revenue recognition excludes any government taxes but includes reimbursement of out of pocket expenses.

Provision of onerous contract are recognised when the expected benefits to be derived by the company from a contract are lower than the unavoidable cost of meeting the future obligations under the contract. The provision is measured at present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract.

The Company has evaluated the impact of COVID-19 resulting from (i) the possibility of constraints to render services which may require revision of estimated of costs to complete the contract because of additional efforts; (ii) onerous obligations; (iii) penalties relating to breaches of service level agreements, and (iv) termination or deferment of contracts by customers. The Company has concluded that the impact of COVID-19 is not material based on these estimates. Due to the nature of the pandemic, the Company will continue to monitor developments to identify significant uncertainties relating to revenue in future periods.

(xii) Income Tax

Tax expense for the year comprises of current tax and deferred tax. Current tax is measured by the amount of tax expected to be paid to the taxation authorities on the taxable profits after considering tax allowances and exemptions and using applicable tax rates and laws. Deferred tax is recognised on timing differences between the accounting base and the taxable base for the year and quantified using the tax rates and tax laws enacted or substantively enacted as on the Balance Sheet date.

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax asset is recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred income tax liabilities are recognised for all taxable temporary differences.

Minimum Alternative Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each balance sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Current tax and deferred tax assets and liabilities are offset when there is a legally enforceable right to set off the recognised amount and there is an intention to settle the asset and liability on a net basis.

(xiii) Other Income

Other income comprises interest income on deposits, dividend income and gains / (losses) on disposal of investments except investments fair value through OCI. Interest income is recognised using the effective interest method. Dividend income is recognised when the right to receive payment is established.

(xiv) Finance expense

Finance costs comprise interest cost on borrowings, gain or losses arising on re-measurement of financial assets at FVTPL, gains/ (losses) on translation or settlement of foreign currency borrowings and changes in fair value and gains/ (losses) on settlement of related derivative instruments. Borrowing costs that are not directly attributable to a qualifying asset are recognised in the statement of profit and loss using the effective interest method.

(xv) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity Shareholders of the Company by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity Shareholders of the Company and the weighted average number of shares outstanding during the period, are adjusted for the effects of all dilutive potential equity shares.

(xvi) Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks and other short term highly liquid investments with original maturities of three months or less.

(xvii) Investment Property

Property that is held either for long term rental yield or for capital appreciation or both, but not for sale in ordinary course of the business, use in the production or supply of goods or services or for administrative purposes is classified as investment property. Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment, if any. Depreciation is provided in the same manner as property, plant and equipment.

Any gain or loss on disposal of an investment property is recognised in profit and loss.

(xviii) Investment in Subsidiaries

Investments in subsidiaries are recognised at cost as per Ind AS 27 – 'Separate Financial Statements'. Except where investments accounted for at cost shall be accounted for in accordance with Ind AS 105-' Non-current Assets Held for Sale and Discontinued Operations', when they are classified as held for sale.

(xix) Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 1, 2020.

Changes in accounting policies and disclosure

New and amended standards

The Company has adopted Ind AS 116 'Leases' with effect from April 1, 2019, using the modified retrospective approach. However, comparative period amounts are not adjusted and continue to be reported in accordance with previous year's accounting policy except where indicated otherwise.

Right of use assets at April 1, 2019 for leases previously classified as operating leases were recognised and measured at an amount equal to lease liability (adjusted for any related prepayments/accruals). Thus on the date of transition, the company has created right-of-use asset of ₹ 143 lakhs and lease liability of equal amount, and there is no impact on opening balance of retained earnings for the current year. The Company elected to use the transition practical expedient to not reassess whether a contract is, or contains, a lease at 1 April 2019. Instead, the Company applied the standard only to contracts that were previously identified as leases applying Ind AS 17 at the date of initial application. The Company also elected to use the recognition exemptions for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option (short term leases), and lease contracts for which the underlying asset is of low value (low value assets).

29 Financial Risk Management

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's management oversees the management of these risk and formulates the policies, the Board of Directors and Audit Committee reviews and approves policies for managing each of these risks, which are summarised below:

Market Risk: Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market prices. The primary market risk to the Company is foreign exchange risk.

Foreign Currency Risk

The Company's exposure to risk of change in foreign currencies exchange rates arising from foreign currency transactions, is primarily with respect to the currencies which are not fixed. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the functional currency of the company. The Company uses derivative financial instruments to mitigate foreign exchange related risk exposures. The counter parties of these derivative instruments are primarily a bank. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivative for speculative purposes may be undertaken.

As at March 31, 2020 and March 31, 2019 respectively, every 1% increase/decrease of the respective foreign currencies compared to functional currency of the Company would impact results by approximately ₹ 6 lakhs and ₹ 16 lakhs respectively.

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counter party credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment and accordingly the Company's accounts for the expected credit loss. There are two customers which contributes for more than 10% of outstanding total accounts receivables aggregating to 73.29% as at March 31, 2020 (69.90%, March 31, 2019).

The following table gives details in respect of revenues generated from top customer and top 5 customers:

The weighted average fair value of each unit under the plan granted during the year ended was ₹ 321 using the Black Scholes model with the following assumptions:

Particulars	As at March 31, 2020
Weighted average grant date share price	359
Weighted average exercise price	5
Dividend yield %	2.5%
Expected life	3.7
Risk free interest rate	6.3%
Volatility	49.7%

Volatility : Volatility is a measure of the amount by which a price has fluctuated or is expected to fluctuate during the period. The measure of volatility is used in Black Scholes option pricing model is the annualised standard deviation of the continuously compounded rates of return on the stock over a period of time. Company considered the daily historical volatility of the Company's stock price on NSE over the expected life of each vest.

Risk free rate : The risk free rate being considered for the calculation is the interest rate applicable for a maturity equal to the expected life of the options based on zero coupon yield curve for government securities.

Expected life of the options: Expected life of the options is the period for which the Company expects the options to be live. The minimum life of stock options is the minimum period before which the options can't be exercised and the maximum life of the option is the maximum period after which the options can't be exercised. The Company has calculated expected life as the average of the minimum and the maximum life of the options.

Dividend yield: Expected dividend yield has been calculated as a total of interim and final dividend declared in last year preceding date of grant.

32 Leases

Company as a lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on systematic basis over the lease term.

If an arrangement contains lease and non-lease components, the Company applies Ind AS 115 Revenue from contracts with customers to allocate the consideration in the contract.

Company as lessee

The Company's leased assets primarily consist of leases for office premises, guest houses, laptops, lease lines, furniture and equipment. Leases of office premises and guest houses generally have lease term between 2 to 46 years. The Company has applied low value exemption for leases of laptops, lease lines, furniture and equipment and accordingly these are excluded from accounting as per Ind AS 116, at present.

i) Below are the carrying amounts of right-of-use assets recognised and the movements during the period:

i. Mastek (UK) Limited, a wholly-owned subsidiary of Mastek Limited, entered into a Business Transfer Agreement ("BTA") on February 8, 2020 to acquire the business of Evosys Arabia FZ LLC and Share Transfer Agreements (STA) to acquire Middle East Companies ("MENA Acquisition") by paying a cash consideration (net of cash & cash equivalents) of USD 64.9 million i.e. ₹ 48,204 lakhs. The closing of such transaction occurred on March 17, 2020, which is considered to be the date of transfer of control or the date of acquisition, as per Ind AS 103, and necessary effects have been recognised in the standalone financial statements of the respective entities and consolidated financial statements of the Company.

While the acquisition has been effected and full consideration has been paid, procedures to complete the legal process viz. registering sale of shares, etc. in certain geographies is ongoing. The legal procedures are delayed because of COVID-19 pandemic related lockdown in certain geographies, and the Company has been legally advised that such legal procedures are administrative in nature, and the parties to the BTA expect to complete these before long stop date post the lockdown is relaxed / lifted i.e. second quarter of the financial year 2020-21.

ii. With respect to the overseas business of Evolutionary Systems Private Limited (ESPL) including investment in certain subsidiaries of ESPL, the parties entered into a Demerger Co-operation Agreement (DCA) and Shareholders Agreement on February 8, 2020 (DCA acquisition). The manner of the acquisition of legal ownership, is decided to be achieved through a demerger scheme to be filed before the National Company Law Tribunal (NCLT) ("the Scheme"), or, as per DCA between Mastek and the shareholders of Evosys, Mastek shall complete this transaction with the same economic effect, by an alternate arrangement within the period specified in the DCA. The DCA gives Trans American Information Systems Private Limited (TAISPL) a wholly owned subsidiary of Mastek (collectively referred as Mastek Group) the right to appoint majority of the board of directors in ESPL and its subsidiaries and also provides for the relevant activities of ESPL and its subsidiaries to be decided by a majority vote of such board of directors, thereby resulting in transfer of control of business of ESPL and its subsidiaries to the Mastek Group. The transfer of legal title of such business undertaking shall be completed in financial year 2020-21. The date of acquisition of business undertaking for the purposes of Ind AS 103 is the date of transfer of control to the Mastek Group, i.e. February 8, 2020. Discharge of consideration through demerger will be done through issue of 4,235,294 equity shares of Mastek Limited (face value ₹ 5 each) and balance through 15,000 Compulsorily Convertible Preference Shares (CCPS), (face value of ₹ 10 each) of TAISPL for every 10,000 equity shares of ESPL of face value of ₹ 10 each. The CCPS to be issued subject to regulatory approval, carries a Put Option which can be exercised by the holders of such CCPS at agreed EBITDA multiples over the next 4 years. Pending completion of legal acquisition, this transaction has been disclosed in the standalone financial statements and will be given effect to on receiving NCLT approval or on executing the alternate arrangement in accordance with the DCA. Accordingly, the equity shares which are proposed to be issued have not been considered for calculating the earnings per share both basic and diluted.

38 Covid-19 Assessment

The Company has assessed the impact of Covid-19 pandemic on its operations as well as financial reporting process, including but not limited to the areas of financial controls, credit risk, effectiveness of hedge relationship, goodwill, impairment of financial and non-financial assets, and Cyber security pertaining to the remote access of information for the year ended March 31, 2020 and up to the date of approval of financial statements. While assessing the impact, Company has considered all internal and external sources of information like industry reports, economic forecast, credit reports and company's business forecast basis the global economic consensus. Company expects to recover the carrying amount of its assets and retain effectiveness of its hedge transactions. Further, there have been no material changes in the financial control/process followed by the company. However, the impact of COVID-19 may be different from that estimated as on the date of approval of these financial statements and the Company will continue to closely monitor any material changes to the business due to future economic conditions.
