

The European Software Testing Awards 2014, Nov 18

The European Software Testing Awards (TESTA) has shortlisted Mastek as a finalist in two categories, the 'Testing Team of the Year,' and 'Test Champion of the Year.'

The European Software Testing Awards (TESTA) has shortlisted Mastek as a finalist in two categories, the 'Testing Team of the Year,' and 'Test Champion of the Year. TESTA is an independent awards programme designed to celebrate and promote excellence, best practice and innovation in the software testing and QA community. It is organised by the publishers of the industry journal, Test Magazine. The awards ceremony will be held at the Old Billingsgate in London on November 18.
