About TechMarketView

Over the last ten years, TechMarketView has grown and evolved considerably. Under the stewardship of co-founders Richard Holway MBE and Anthony Miller, it has become one of the most influential analyst and advisory firms in the UK tech market. A trusted advisor to a growing band of tech firms - from global market leaders to innovative start-ups - and to tech users, including large swathes of UK government and the financial services sector. TechMarketView's experts blend a deep understanding of the UK tech market and its suppliers - augmented by privileged conversations with CXOs across the industry - with insight into global tech trends.

TechMarketView has a dedicated research stream focused on the UK public sector software and IT services (SITS) sector. PublicSectorViews is led by Chief Analyst Georgina O'Toole, Managing Director Tola Sargeant and Research Director Dale Peters. Their in-depth coverage of the UK public sector SITS market enables organisations to plan their approach to the market based on realistic forecasts and easy-to-read market trend analysis that offers a consistent view of the UK market as a whole (public and private sector). TechMarketView's analysis also supports organisations to identify short term and long term areas of opportunity and respond to market threats pre-emptively. Their opinionated coverage of SITS suppliers, large and small, public and private, is invaluable for competitor analysis as well as for identifying and evaluating potential partners or investment opportunities.
