## Mastek appoints Group CIO to spearhead digital transformation

22.03.21, Reading: Mastek Ltd. a leading enterprise digital transformation provider today announced the appointment of Narottam Sharma as Group Chief Information Officer (Group CIO), Mastek Group. He will be a part of Mastek Executive Leadership Team and would be accountable for IT infrastructure, digital systems, strategic performance and overall management of Mastek's information technology department.

Narottam has more than twenty years of high impact leadership & strategic experience in digital business transformation domain. Over the years, he has been recognized as a highly acclaimed Transformation Leader and turnaround architect, with significant experience in leveraging emerging technologies across industries i.e. Banking, Insurance, IT/ ITES, Manufacturing and Services.

Commenting on the appointment Mastek Group VC, MD and Interim Group CEO, Ashank Desai said, "At Mastek, we are preparing for the next phase of our strategic growth and this is an appropriate time to streamline all our functions to ensure we are leveraging the unique talents of Mastekeepers. The Group CIO will work in alignment with our goals to streamline internal operations, implement relevant technologies, and develop digital systems so that we continue to delight our customers with breakthrough solutions even when our business is expanding."

Prior to joining Mastek, Narottam has worked in organizations like Sterlite Technologies Ltd., Samsung R&D Institute Ltd., Aviva Life Insurance Ltd., RBS, and Bank of America & IBM.

About Mastek: Mastek is an enterprise digital transformation specialist that engineers excellence for customers in the UK, US and India.
