

## Digility, a subsidiary of Mastek is recognised as one of CIOReview's 20 most promising financial services technology solution providers 2016

READING, U.K. – December 7, 2016 – Digility Inc., a wholly owned subsidiary of Mastek Limited, announced today that it has been recognized by CIOReview as one of the top 20 Financial Services Solution Provider in 2016. The full article can be found here: <http://bit.ly/2h3iPiz>

“We are happy to announce Digility as one among the 20 companies that are setting new trends in the Financial Services arena,” said Jeevan George, Managing Editor of CIOReview. “Digility receives recognition for its specialty in providing customer experience solutions to financial service clients.”

Digility's offerings in the areas of digital experience, encompassing social, mobile, analytics, and cloud (SMAC) can help improve efficiency, lower costs, and win an unbeatable customer-advantage. With Digility's advanced enterprise digital technology tools, financial services organizations, specifically wealth management clients, can richly enhance their customer experience. With a strong domain expertise in financial services, combined with a deep understanding of digital, Digility helps to design the enterprise digital technology strategy that fits business needs.

“To be ranked among the top 20 companies by CIOReview is an honor”, says Madhu Kumar, Digility President and North America Head. “This distinction highlights our unparalleled commitment throughout the organization. Digility's leadership in the Financial Industry stems from our solutions that revitalize the customer experience and deliver results that enable customers to thrive in a dynamic and challenging industry.”
