Dear Sir(s)/Madam(s),

Sub: Press Release by Digility Inc, USA, a Step down Subsidiary of Mastek Limited

Please find enclosed herewith a press release issued by Digility Inc., USA, a step down subsidiary of Mastek Limited in respect of the announcement about the acquisition of US-based leading digital commerce solution provider, TAISTech.

TAISTech is a digital commerce services leader that provides strategic consulting, large-scale commerce implementations and support for the Oracle Commerce and Oracle Commerce Cloud applications. In addition, TAISTech also provides omnichannel strategy, creative design, mobile app development, ongoing maintenance and training. TAISTech, with revenues close to \$30M, has posted steady growth of ~ 15 % CAGR over the past four years in the US market and has been exploring aggressive expansion plans into LATAM and Europe.

This acquisition will create a platform for Mastek's accelerated growth in the US market and will augment Mastek's 2020 vision to be a global leader in digital transformation services.

You are requested to kindly take the same on record.

Thanking you

Yours faithfully,

For MASTEK LIMITED

Dinesh Kalani
Company Secretary

DIGILITY INC., THE US ENTITY OF MASTEK LIMITED, ACQUIRES TAISTECH

Strategic addition marks continued commitment to growth and geographic expansion

Mumbai, India, Reading, UK, New Jersey, US, Texas, US – (January 5, 2017) – Digility Inc., the wholly owned subsidiary of Mastek UK, announced today the acquisition of US-based leading digital commerce solution provider, TAISTech. The TAISTech Executive Leadership Team, led by Kapil Malik and Aman Bedi, will continue to run operations as a wholly owned subsidiary of Digility Inc.

Founded in 2000, TAISTech is a digital commerce services leader that provides strategic consulting, large-scale commerce implementations and support for the Oracle Commerce and Oracle Commerce Cloud applications. In addition, TAISTech also provides omnichannel strategy, creative design, mobile app development, ongoing maintenance and training. TAISTech, with revenues close to \$30M, has posted steady growth of ~ 15 % CAGR over the past four years in the US market and has been exploring aggressive expansion plans into LATAM and Europe.

This acquisition will create a platform for Mastek's accelerated growth in the US market and will augment Mastek's 2020 vision to be a global leader in digital transformation services. Mastek's North America Head and Digility President, Madhu Kumar, says of the acquisition, "We see this acquisition as an opportunity to extend our Digital Commerce capability footprint and further differentiate our service offerings, providing the much needed scale to compete and win large-scale transformation programs from our existing clients as well as new markets." He also added that, "The innovation tools, skill excellence and passion shown by the TAISTech team, and the vision of their CTO, Aman Bedi, weighed heavily in our decision to pursue the acquisition. As a member of the Mastek family, every TAISTech employee will have career enhancement opportunities across multiple industry domains and geographies. Their addition will strengthen our group's overall architecture and technology quotient."

Kapil Malik, TAISTech Founder and CEO said, "The acquisition allows us to leverage Mastek's global footprint and accelerate our expansion plans in markets such as the UK, Europe and Asia. As always, we're committed to maintaining our strong customer relationships. Given that we now have a larger portfolio of service offerings, we are positioned to provide more innovative solutions around our core focus of Digital Commerce, thereby increasing the share of business with our esteemed customers. Joining Digility Inc. and being part of the Mastek Group of companies is the right way to foster growth at TAIS."

TAISTech brings experience with some the most powerful brands in the retail and manufacturing industries, including Fortune 500 customers. The company delivers a personalized customer buying experience across web, mobile, social media and brick and mortar stores. With the acquisition in place, TAISTech will also grow its service portfolio by leveraging Mastek's strength in Data Warehousing, Business Intelligence and Analytics, Enterprise Testing and Agile Process Consultancy Services.

Mastek Group CEO, John Owen, says, "The acquisition is in line with the corporate transformation strategy already in progress at Mastek. Mastek and TAISTech employees, customers and shareholders will benefit from the expanded service portfolio of our combined entity and I am confident all our stakeholders will appreciate the strategic value and opportunities this transaction creates."

Post the demerger of Majesco, Mastek has been allocating capital to expand its reach in geographies, markets and capabilities. In 2015, Mastek acquired the UK-based leader in Agile Digital Transformation, IndigoBlue and created a fully owned subsidiary, Digility Inc to enter the US market.

About Mastek and Digility
