

Mastek Appoints Maninder Puri as Group Chief People Officer

Reading, U.K. – August 31, 2017 – Mastek has appointed Maninder Kapoor Puri as its Group Chief People Officer with effect from August 7. In this newly created role, Maninder will be based in Mumbai as part of the Executive Committee and report to John Owen, Mastek Group CEO.

Prior to her role at Mastek, Maninder was the Executive Vice President - People Supply Chain and Service Excellence at Firstsource Solutions Ltd. She supported the business globally across recruitment, training, development, quality and HR. She has also held leadership positions at blue-chip organisations such as Accenture, Capgemini and ITC. With her strong leadership, creative intelligence and influencing skills, Maninder has managed extensive people-centric teams across diverse geographies, simultaneously driving the right organisational values and culture.

Commenting on her appointment, John Owen says, “I am excited to have Maninder join the Mastek family. We are in the business of human capital. Therefore it is fundamental to our continued success that we continue to develop a world-class people strategy to acquire, retain and develop our talent. I am excited that Maninder’s diverse HR and learning expertise will fully develop our people assets and ensure that we utilise and unlock the potential of every Masteker globally.”

Maninder adds, “I am already enjoying the warmth and energy at Mastek and look forward to contributing positively to the culture and growth of the organisation.”

About Mastek

Mastek is a digital transformation solutions business, engineering excellence for customers in the UK, US and India. We enable large scale business change programmes through our service offerings, which include agile consulting, digital commerce, BI and analytics, application development, support and testing.
