Mastek Ltd appoints Arun Agarwal as the Global Chief Financial Officer

31.05.2021, Reading: Promoting from within, Mastek Limited appointed Arun Agarwal (previously Vice President - Finance) as its Global Chief Financial Officer effective 31st May, 2021

In this elevated role, Arun would continue to report to Ashank Desai - Interim Group CEO, VC & MD, Mastek Group and would be overseeing multiple functions globally including Finance, Investor Relations, and Facilities & Infrastructure. Arun complements Mastek's strong performance-oriented culture, and the organisation believes his outstanding track-record for execution and achieving results makes him the right choice to lead the said functions from the front.

Arun is a qualified Chartered Accountant and seasoned professional with over 19 years of professional experience and has been with Mastek for almost 5 years now. In the past, he has worked for organisations like Firstsource, GE, Wipro and Synovate.

About Mastek: Mastek is an enterprise digital transformation specialist that engineers excellence for customers in the UK, US and India. We enable large-scale businesses change programmes through our service offerings, which include application development, support and testing, BI and analytics, agile consulting and digital commerce. Whether it's creating new applications, modernising existing ones or recovering failing projects, we help enterprises to navigate the digital landscape and stay competitive.
