**Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

**To the Board of Directors of Mastek Limited**

1. We have reviewed the accompanying statement of unaudited consolidated financial results ('the Statement') of Mastek Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), (Refer Annexure 1 for the list of subsidiaries, included in the Statement) for the quarter ended 30 June 2020 being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the accounting principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), to the extent applicable.

4. Based on our review conducted and procedures performed as stated in paragraph 3 above and upon consideration of the review reports of the other auditors referred to in paragraph 5 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the accounting principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Mastek Limited**  
**Independent Auditor's Review Report on Consolidated Unaudited Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

---

5. We did not review the interim financial results of 11 subsidiaries included in the Statement, whose financial information reflects total revenues of ₹ 10,918 lakhs (before intercompany eliminations), total net profit after tax of ₹ 1,239 lakhs, total comprehensive income of ₹ 219 lakhs for the quarter ended on 30 June 2020, respectively, as included in the Statement. These interim financial results have been reviewed by other auditors whose review reports have been furnished to us by the management, and our conclusion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the review reports of such other auditors and the procedures performed by us as stated in paragraph 3 above.

Further, all these 11 subsidiaries, are located outside India, whose interim financial results have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been reviewed by other auditors under International Standards on Review Engagement (ISRE) applicable in their respective countries. The Holding Company's management has converted the financial results of such subsidiaries from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Holding Company's management. Our conclusion, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based on the review report of other auditors and the conversion adjustments prepared by the management of the Holding Company and reviewed by us.

Our conclusion is not modified in respect of these matters with respect to our reliance on the work done by and the reports of the other auditors.

While assessing the impact, Group has considered all internal and external sources of information like industry reports, economic forecast, credit reports and company's business forecast basis the global economic consensus. Group expects to recover the carrying amount of its assets and retain effectiveness of its hedge transactions. Further, there have been no material changes in the financial control/process followed by the company. - 6 During the quarter ended March 31, 2020 the group has acquired control of business of Evolutionary Systems Private Limited ("ESPL") and its subsidiary companies (together referred to as "Evosys"). The acquisition was as follows:
- i. Mastek (UK) Limited, a wholly-owned subsidiary of Mastek Limited, entered into a Business Transfer Agreement ("BTA") on 8 February 2020 to acquire the Middle East and North Africa business ("MENA business") of Evosys (except Qatar) by paying a cash consideration (net of debt and including cash & cash equivalents) of USD 64.9 million i.e. Rs. 48,204 lakhs. The closing of such transaction occurred on 17 March 2020, which is considered to be the date of transfer of control, or the date of acquisition, as per Ind AS 103, and necessary effects have been recognised in the standalone financial statements of the respective entities and consolidated financial statements of the Group.
- While the acquisition has been effected and full consideration has been paid, procedures to complete the legal process viz. registering sale of shares, etc. in certain geographies is ongoing. The legal procedures are delayed because of COVID-19 pandemic related lockdown in certain geographies, and the Company has been legally advised that such legal procedures are administrative in nature, and the parties to the BTA expect to complete these post the lockdown is relaxed / lifted i.e. second quarter of the financial year 2020-21.
- ii. With respect to a business undertaking of Evosys (including investment in certain subsidiaries of ESPL), the parties entered into a Demerger Co-operation Agreement (DCA) and Shareholders Agreement on 8 February 2020. The manner of discharge of the non-cash consideration and the acquisition of legal ownership, is decided to be achieved through a demerger scheme to be filed before the NCLT ("the Scheme"), or, as per DCA between Mastek and the sellers of Evosys, Mastek shall complete this transaction with the same economic effect, by an alternate arrangement within the period specified in the DCA. The DCA gives Mastek the right to appoint majority of the board of directors in ESPL and its subsidiaries and also provide for the relevant activities of ESPL and its subsidiaries to be decided by a majority vote of such board of directors, thereby resulting in transfer of control of business of ESPL and its subsidiaries to Mastek. The transfer of legal title of such business undertaking shall be completed in financial year 2020-21. The date of acquisition of business undertaking for the purposes of Ind AS 103 is the date of transfer of control to Mastek, i.e. 8 February 2020. Discharge of consideration through demerger will be done through issue of 42,35,394 equity shares of Mastek Limited (face value Rs. 5 each) and balance through Compulsorily Convertible Preference Shares (CCPS) of Trans American Information Systems Private Limited which carry a Put Option to be discharged at agreed EBITDA multiples, over the next 4 years. Pending completion of legal acquisition, this transaction has been disclosed in the standalone financial statements and will be given effect to on receiving NCLT approval or on executing the alternate arrangement in accordance with the DCA.
- Purchase consideration for both the acquisitions aggregates Rs. 80,647 lakhs which has resulted in a Goodwill of Rs.37,657 lakhs for MENA acquisition and Rs.18,763 lakhs for acquisition through DCA, as per the purchase price allocation valuation report. Such goodwill, which is the excess of fair value of purchase consideration determined over the fair value of assets acquired, is primarily attributable to growth expectations, expected future profitability, the substantial skill and expertise of Evosys's workforce and expected synergies.
- The consolidated financial results, for the quarter ended June 30, 2020 and quarter / year ended March 31, 2020 are not comparable with other periods presented, to the extent of the impact on account of the aforesaid acquisitions.
