Launchpad Candidates - Cohort

Digital Retailing and Lease Management

- **UXP:** Dealerships spend thousands attracting current and prospective customers to their properties (websites, social pages, etc.). Even then there is a **high customer drop off rate**, soon after landing due to a lack of an instant way to get answers.
- **Stale Rate:** Rate cards fall out of sync with **real-time quotes**, as they are offered to the brokers
- **Mastek** has worked with **startup partners** to create a **bolt-on single package solution**, on cloud, with digital retailing and lease management that can **lead outcomes with scale**.
