

Mastek celebrates its 40th anniversary

The IT major marked the milestone with a celebratory event 'Youphoria' in Ahmedabad

Ahmedabad, India - May 16, 2022: Mastek, a global digital engineering & cloud transformation specialist, completed 40 years of operations on May 14 and marked the occasion with a celebration event, 'Youphoria', by bringing together members of Mastek family from Maharashtra, Gujrat and across the globe.

The celebration was planned in Ahmedabad where Mastek was conceived by its founding members in the IIM Ahmedabad campus. Evosys too began its operations in Ahmedabad in 2006 and in early 2020, Evosys became part of the Mastek family. The 40th anniversary celebration was packed with addresses from founder members, awards, performances by employees and ended with a dazzling performance by singer Rahul Vaidya.

Mastek was incorporated on 14 May, 1982 as Management and Software Technology Private Limited with an aim of delivering innovative digital solutions and business outcomes for the clients. Four decades later, Mastek is the most trusted and valuable transformation partner for clients across its 41 countries of presence and an employer of choice for over 5000 employees globally. Our Oracle business (Evosys, now part of Mastek), continues to flourish and today Mastek is the only global Oracle partner to move more than 1000+ customers to the cloud.

Mastek runs initiatives that benefit communities in India, the UK and the US, and which have impacted the lives of over one million people. Through Mastek Foundation, it funds initiatives such as Project Deep Blue and supports causes including education, health and nutrition, the eradication of hunger, the championing of gender equality and the advancement of environmental sustainability.

Mr. Hiral Chandrana, Global CEO, Mastek Group - said, *"Our 40th anniversary is a historic milestone. Mastek is built on a bedrock of an innovative culture, where One Team approach wins. We have always done the right thing for all our stakeholders including our clients and employees. As we look forward, we are ready to Decomplex Digital with Trust, Value and Velocity. I would like to take this opportunity to thank Mastekers, customers, investors & partners for their confidence in Mastek."*

Mr. Umang Nahata, President of Americas and AMEA - said, *"Through organic growth and acquisitions, we strengthened our business, built a strong customer base, and in the process, reached a unique scale and level of expertise that meets our customers' business needs."* He further added, *it takes courage, passion, determination, and perseverance to maintain the entrepreneurial spirit and build an institution. We are celebrating the contributions made by our people, let's shape the future, together."*

Ms. Maninder Kapoor Puri, Global Chief People and Diversity Officer - said, *"This is an outstanding achievement made possible with the contribution of our people and all stakeholders over the years."* She added, *"Our Vision 2025 is ambitious but possible with the progressive growth and talent development. We are celebrating our people, their dedication and the value they add with their efforts every day. This landmark is not just historic but truly inspirational and we are encouraged to continue building the organization of people's dreams."*
