

Mastek and Albury City Council Partner to Digitize HR Processes with Oracle Fusion Cloud

Mumbai, India, June 14, 2023: Mastek (MASTEK; BSE: 523704), a Turnkey & Trusted Digital Engineering & Cloud Transformation Partner, has announced a strategic partnership with Albury City Council to modernize and streamline its human capital management and recruitment process. As part of this partnership, Mastek has implemented a state-of-the-art HR framework, designed to improve the employee journey and enhance people management capabilities.

Headquartered in New South Wales, Australia, Albury City Council is committed to promoting equal and inclusive communities, while preserving its rich cultural and traditional heritage. The Council offers a diverse range of socio-economic development and welfare programs to its residents.

With this implementation, Albury City Council will benefit from a standardized process throughout its entire HR ecosystem. This will reduce manual workloads and potential errors. By migrating from on-premises legacy applications to cloud-based [Oracle Fusion HCM](#), the Council will adopt modern best practices across all aspects of employee recruitment, retention, engagement, compensation, training, performance, and motivation.

This partnership is a testament to Mastek's expertise and commitment to delivering innovative digital solutions that drive business transformation for its clients. Mastek is proud to partner with Albury City Council in support of its mission to provide high-quality services to its residents.

"We are thrilled to partner with Albury City Council in their digital transformation journey and support their commitment to creating equal and inclusive communities. Our expertise in cloud transformation and digital solutions, combined with Oracle Fusion HCM, has enabled us to deliver a modern HR framework that enhances the employee experience. This framework streamlines people management processes. We look forward to continuing to work with Albury City Council as they leverage technology to drive [business transformation](#) and achieve their strategic goals." said **Prameela Kalive, COO, Mastek.**

"AlburyCity in partnership with Mastek is now using Human Capital Management (HCM) Core HR and Recruitment Cloud modules. As an organization with over 750 staff, we required a system that could provide a full end-to-end solution and it made sense to partner with Mastek. Their support during implementation and beyond has given us the confidence to move forward with our new cloud-based HR platform" said **Ashlea Jacobs, HRIS Project Lead, AlburyCity Council.**
