

## Mastek is Named among the Top Five for Oracle Cloud Applications Services Delivering Superior Value Globally

*Mastek is recognized by the Everest Group's Platform Services Enterprise Pulse 2023 Report*

**New York, September 20, 2023:** Mastek (MASTEK; BSE: 523704), a trusted digital engineering and cloud transformation partner, was named in the recently published Everest Group report, "Platform Services Enterprise Pulse 2023." The report recognizes Mastek as one of the "Top Five Service Providers Delivering Superior Value" in Oracle Cloud Applications Services.

Everest Group, a prominent research and consulting firm, identified Mastek as a standout performer in [Oracle Cloud Applications Services](#). The group's findings are based on over 120 interviews with global enterprises in 2022–23. These interviews assessed service providers' performance and value in delivering cutting-edge solutions and exceptional client value.

**Abhishek Mundra, Practice Director, Everest Group,** said, *"Mastek has demonstrated a track record of delivering impactful transformation for enterprises in the manufacturing, retail, healthcare, and life sciences industries. It has achieved high customer satisfaction scores by showcasing strong account management and engagement flexibility. Also, enterprises acknowledge Mastek's proactiveness and partnership with Oracle as its key strength areas. It has helped position Mastek as one of the top five service providers, delivering superior value for Oracle cloud applications in the Platform Services Enterprise Pulse 2023 report."*

**Hiral Chandrana, Global CEO at Mastek,** said, *"We are honored to be recognized as one of the top five service providers in Oracle Cloud Applications Services by the Everest Group. The achievement reflects our dedication to providing superior solutions and driving cloud adoption for our clients. It is a testament to the hard work and expertise of our teams, coupled with our global presence. Mastek is dedicated to decomplexing digital transformation for its clients and helping them harness the power of Oracle Cloud Applications for driving business growth and success."*

The Platform Services Enterprise Pulse 2023 report acknowledged Mastek's dedication to delivering customer satisfaction, meeting expectations as a tech provider, promoting platform adoption, and maintaining its ranking among the top five service providers in the Oracle Cloud Applications Services domain.
