

# Mastek Appoints John Owen as Group CEO

Reading, U.K. – November 02, 2016 – Mastek has appointed John Owen as its Group CEO. He will be based in the UK and takes over from Sudhakar Ram with immediate effect.

John has held senior sales and marketing roles in growth organisations such as Serco, HP and Nortel, over the past 25 years. In his last role at Serco, John was the Sales and Marketing Director for UK and Europe, where his responsibilities included handling the UK Government, Serco's largest customer.

Sudhakar Ram who will now function as Vice Chairman and Managing Director commented on the appointment saying, "I am very pleased to bring on board a seasoned sales and marketing leader like John. With his deep expertise in business development and his track record in delivering growth, especially the UK government market, John is the right person to take Mastek to the next level of growth."

Commenting on his appointment John says, "Mastek has an excellent reputation with its customers. I am both excited and honoured to be leading the growth strategy with the team and look forward to working with Sudhakar and the Board. Mastek has solid fundamentals and I am encouraged by the opportunities we can address and the value we can create for all our stakeholders."
